Miele purchases at Retravisation stores

ANZ will award Bonus Points on Miele products purchased at Retravisation stores following an agreement reached with the Australian Competition & Consumer Commission (ACCC) – where a complaint was referred and the Australian Securities and Investments Commission (ASIC) – which is the regulator of financial services advertising.

In a promotion that concluded on 30 June 2007, ANZ had advertised that Bonus Points would be

awarded on all Miele products purchased at Retravisation stores. However due to system issues Bonus Points were only awarded on purchases of Miele floorcare products but not other Miele products purchased through Retravisation.

ANZ regrets that Bonus Points were not correctly allocated and apologises to affected customers. If you have purchased a Miele product excluding Miele Floorcare at Retravisation and have not

received the applicable Bonus Points, please contact ANZ on 1800 269 008 9am to 5pm, Monday to Friday. If you are eligible for the Bonus Points they will be awarded to you.

The ACCC and ASIC have acknowledged ANZ's constructive approach in considering and responding to their concerns.

Please note in future Bonus Points will not be earned on Miele products (excluding Miele Floorcare products) at Retravisation.
