

Ellerston GEMS Investment Loan

Intention to sell units or repay the Ellerston GEMS Investment Loan

This document is a declaration of an Ellerston GEMS Investment Loan holder's ("Loan Holder") intention to sell some or all of their mortgaged units and/or repay the balance of the Investment Loan. To complete the sale of any Mortgaged Units and to effect the subsequent change in the Ellerston GEMS Investment Loan requires the holder to authorise ANZ and/or ANZ Securities to act on their behalf. By signing this document, the undersigned authorise(s) ANZ and ANZ Securities Limited to:

- disclose to my/our Stockbroker all information in respect of my/our below instructions; and
- complete any and all transactions, in accordance with the signed Terms & Conditions and Share Mortgage of my/our Ellerston GEMS Investment Loan, required to facilitate my/our below request.

1. Full sale of Ellerston GEMS units and/or full repayment of the Ellerston GEMS Investment Loan

This option can be selected by Loan Holders who intend (1) to sell all their mortgaged units, or (2) to sell sufficient mortgaged units to repay some or all of their Investment Loan balance.

By selecting this option, the Loan Holder(s) authorise(s) the:

- Forwarding of any applicable credit balance via cheque to the address provided below.
This credit balance is calculated as the net sale price less the investment loan balance plus any prepaid interest (adjusted for any break fees) that is to be repaid to the Loan Holder. Note that unless additional funds are provided, the net sale proceeds must be greater than or equal to the balance of the Ellerston GEMS Investment Loan;
- Closure of the Investment Loan account;
- Closure of the HIN with ANZ Securities Limited; and
- Disclosure and transfer of any outstanding Ellerston GEMS Units from the current HIN to the Broker name, Broker PID, HIN or SRN identified below.

2. Partial sale of Ellerston GEMS units and/or partial repayment of the Ellerston GEMS Investment Loan

This option can be selected by Loan Holders who intend to sell some of their mortgaged units (being an amount insufficient to extinguish the Investment Loan balance).

By selecting this option, the Loan Holder(s) authorise(s) the forwarding of any applicable credit balance via cheque to the address provided below. This credit balance is calculated as the net sale price received for the Units sold less the investment loan balance applicable to those Units plus any prepaid interest (adjusted for any break fees) that is to be repaid to the Loan Holder in respect to the Units sold.

Units not sold under this option will continue to be held in Investment Loan and in the HIN with ANZ Securities Limited.

Note that the Loan Holder(s) personally must complete all relevant sections below:
