## ANZ CORPORATE CARD AND ANZ VISA PURCHASING CARD

### Annual Card Fee (per card)

An Annual Card Fee of \$130 for the first Card plus \$95 for each additional Card issued under the Principal's Billing Account will be charged to the Principal's Billing Account on the date the first Cardholder Account is opened on the Principal's Billing Account and then yearly in advance on each anniversary of this date. When a Cardholder Account is added to an existing Principal's Billing Account, a pro-rata additional card Annual Card Fee will be charged, based upon the amount of time from when that Cardholder Account is opened until the next anniversary of the first Cardholder Account opened on the Principal's Billing Account.

### Credit Charge – Cash Advance Interest

A credit interest charge will accrue on all Cash Advances from the date of the Cash Advance until the Cash Advance amounts from each Cardholder Account are paid in full. Interest charged on Cash Advances is calculated daily by applying ANZ's current daily percentage rate applicable to the Principal's Billing Account to the balance of all outstanding Cash Advances linked to the Principal's Billing Account.

### Cash Advance Fee

A fee will be charged if a Cardholder obtains a Cash Advance, except where it is obtained through an ANZ ATM. The fee will be the greater of \$1.50 or 1.50% of the Cash Advance amount plus any ATM Operator Fee. For Cash Advances made overseas at an ATM, bank or ANZ office, the 1.50% fee will be calculated with reference to the cash advance amount, any ATM Operator Fee that is accepted when you proceed with the withdrawal or transaction at the ATM plus any Overseas Transaction Fee charged on the transaction.
