<sup>\*</sup> The returns for the ANZ Cash Advantage and ANZ Flexible Term Deposit Funds are calculated on a monthly basis and are subject to change. The interest rate does not take into consideration the tax payable for Personal super. This generally reduces the rate by an amount equivalent to 15% of the interest rate. The current interest rates for the funds can be found on [www.onepath.com.au](http://www.onepath.com.au).

\* The returns for the ANZ Cash Advantage are calculated on a monthly basis and are subject to change. The interest rate does not take into consideration the tax payable for Personal super. This generally reduces the rate by an amount equivalent to 15% of the interest rate. The current interest rates for the funds can be found on [www.onepath.com.au](http://www.onepath.com.au)

Returns are net of fees, taxes and charges. Past performance is not indicative of future performance. The value of investments may rise or fall with changes in the market and the repayment of subscribed capital is not guaranteed.

\* The returns for the ANZ Cash Advantage and ANZ Prime Cash Management Account are calculated on a monthly basis and are subject to change. The interest rate does not take into consideration the tax payable for Personal super. This generally reduces the rate by an amount equivalent to 15% of the interest rate. The current interest rates for the funds can be found on [www.onepath.com.au](http://www.onepath.com.au).
