SECTION 2: SECURITY CODE

To update your ANZ Internet Banking Security Code which is required when contacting the ANZ Internet Banking Support Center regarding ANZ Internet Banking, enter a new code below. Your security code can be letters or numbers, or a combination of both.

Security Code (between 6 to 14 characters)

(Fold and staple this section to ensure privacy)

Please note:

This is **not** your ANZ Internet Banking Password.

If you are also registered for ANZ Internet Banking as an authorized user or business contact person of a business account holder, then you must also use this Security Code when contacting ANZ Internet Banking Support Center in relation to accounts linked to ANZ Internet Banking of the business account holder.

SECTION 3: ACCOUNT(S) DETAILS

In this section, you can add, maintain and remove ANZ accounts you would like to be linked on ANZ Internet Banking.

You must also nominate:

- (a) one (1) account to be the Prime Account, the address of which will be used to confirm your registration and any future changes to your ANZ Internet Banking access. This is only required when removing an account that is currently the Prime Account;
- (b) the Access Level for each ANZ account linked on ANZ Internet Banking, which can either be:
 - (i) **Value:** can fully operate and transact on the nominated ANZ account on ANZ Internet Banking;
 - (ii) **Non Value:** can only view information about the nominated ANZ account on ANZ Internet Banking.

Please note:

Business ANZ accounts, or ANZ accounts that you do not currently have authority to access, should not be listed below. Please contact ANZ for further assistance.

For ANZ Accounts listed below that are held jointly with one or more persons and are not single signing authority, you may not transact on those accounts but can only view information about those accounts on ANZ Internet Banking only (Non Value Access).
