

ANZ BDM wins through to the finals

Congratulations to Petta Mazza, ANZ BDM for NSW & ACT, who has reached the finals of MFAA's BDM of the Year Awards. Petta has consistently backed her broker partners and is honoured to have been recognised for her dedication.

"I have always tried to support and develop the businesses of the brokers I work with, and it's fantastic to know that brokers see that this approach adds value to their business. I work in partnership with brokers to help build their success – the support and feedback I receive drives me to continue to improve my service."
