

Investment Currency:

- USD/EUR Hedged/CNY

Minimum investment amount:

- The minimum amount of single investment for each fund should not be less than USD 20,000, EUR15,000 or RMB 100,000

Type: Equity Fund

- Investment Objectives: The Fund seeks to maximise total return. The Fund invests globally, with no prescribed country or regional limits, at least 70% of its total assets in equity securities. The Fund will generally seek to invest in securities that are, in the opinion of the Investment Adviser, undervalued. The Fund may also invest in the equity securities of small and emerging growth companies. Currency exposure is flexibly managed.

Features:

- Access Global Opportunity: investing in global equities from approximately 35 countries. There is no constraints on country allocation for the fund. It provides access to the full opportunity set of global equity investment opportunities, wherever they may arise. Investors benefit diversified investment so that they never get ‘stuck’ in any one underperforming country or sector. Managed so as to provide investors with equity exposure that is nearly identical to that found within the BlackRock Global Funds - Global Allocation Fund.
- Flexible investment: the fund holds a diversified portfolio with 400-600 stocks. There is no constraints on sector, industry, company allocation. Investors can benefit from the equity return from any types of companies globally.
- Highly experienced team: shared the same investment team of 45 investment professionals with BlackRock Global Funds - Global Allocation Fund. Nearly 400 years collective investment experience.
