Redraw Authorisation Instructions

Application / Loan Account Number

I/We understand that if redraw is made available and I/we select 'one borrower to authorise', each of us will be liable for any transactions made by me or any of us (where we are joint borrowers) or anyone to whom I/we give information to enable them to access redraw, whether I/we authorise the transaction or not. Where we are joint borrowers and we have nominated 'one borrower to authorise', I/we agree that each of us can bind the other. For example, any one of us can authorise a redraw or any other activity in respect of the loan. Each of us will be responsible for that transaction regardless of not knowing or not agreeing to the transaction.

Please select one of the options below to authorise Redraw withdrawal requests on this loan or to cancel your Redraw facility. If you do not select an option, ANZ will by default assume all borrowers to the loan contract must give authorisation for each redraw withdrawal.

Any one borrower to authorise Redraw withdrawals
(note: this option automatically applies for letters of offer issued on and from 9 February 2008, unless an alternative option is selected below); OR

All borrowers to authorise Redraw withdrawals
(note: By electing this option you will not be able to make a Redraw instantaneously via the Internet or telephone banking. Each Redraw withdrawal will need to be verified with all borrowers by ANZ before it can be processed); OR

Cancel Redraw facility

Signing this Authority

This authority is to be signed by all parties to the loan contract (including guarantors if applicable), however if existing signing authority for Redraw Facility is 'any one' to authorise then only one signature is required.
