### ANZ strengthens partnership with Generali Indonesia

**Jakarta, 7 November 2012** - PT Bank ANZ Indonesia (ANZ) today announced its commitment to strengthen its partnership with Generali Indonesia with the launch of the bancassurance products under Ultimate Balance Protection Plus (UB Pro Plus) for its affluent and emerging affluent customers in Indonesia.

Speaking at a signing ceremony, ANZ Vice President Director of Consumer Banking, Mr Ajay Mathur said: "We are extremely pleased to partner with Generali Indonesia, one of the country's leading insurers, to continue to support the financial needs of our customers."

"We are focused on providing our customers with quality service and products and the addition of UB Pro Plus to our already comprehensive product solutions will provide access to many options to ensure the protection of what matters most to our customers," Mr Mathur said.

Mr Edy Tuhirman, Chief Executive Officer of Generali Indonesia, said: "Generali Indonesia provides ANZ customers' financial journey with maximum protection. UB Pro Plus is equipped with Generali Indonesia's proprietary Auto Risk Management System (ARMS), a unique protection strategy for customers' investment."

"UB Pro Plus is a single premium, investment-linked plan with life insurance coverage, designed to help customers achieve their financial goals through managed risk", Mr Tuhirman stated.

ANZ Group established its presence in Indonesia in 1973. Since then PT Bank ANZ Indonesia (ANZ) has grown its network to 28 branches in 11 cities, providing consumer finance banking products including credit cards, mortgages, personal loans, affluent banking, wealth management services, private banking and also commercial and institutional banking. ANZ is rated AAA (idn) by PT Fitch Ratings Indonesia as at October 2012 and was recognised as the No. 1 joint venture bank in Indonesia by Infobank magazine in 2011.
