- 1.1 This licence granted to you for the ANZ Mobile Singapore licensed application ("**Licensed Application**") by Australia and New Zealand Banking Group Limited ("**ANZ**") is limited to a non-transferable licence to use the Licensed Application on any Android phone that you own or control and as permitted by the terms and conditions set forth in the Google Play Terms of Service (the "**Google Terms and Conditions**"). This licence does not allow you to use the Licensed Application on any Android phone that you do not own or control, and you may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time.
- 1.2 You may not rent, lease, lend, sell, redistribute or sub-license the Licensed Application. You may not copy (except as expressly permitted by this licence and the Google Terms and Conditions), decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Licensed Application). Any attempt to do so is a violation of the rights of ANZ and its licensors. If you breach this restriction, you may be subject to legal action and damages. These terms and conditions will govern any upgrades provided by ANZ that replace and/or supplement the original product, unless such upgrade is accompanied by a separate licence in which case the terms of that licence will govern.

- 1.3 You acknowledge that these terms and conditions are between ANZ and you, and not Google Inc. ("**Google**"). 4. Collection and Use of Information

- 4.1 You agree that ANZ may collect and use technical data and related information, including but not limited to technical information about your device, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, product support and other services to you (if any) related to the Licensed Application.
