The terms and conditions of your account determine what types of transactions may be conducted on your account. Not all ANZ Transactions or other transaction types are permitted on all accounts.

# ANZ ASSURED & PERSONAL OVERDRAFT

## ANZ ASSURED (\$500 OR \$1,000 CREDIT LIMIT)

Loan Approval Fee*	\$0
--------------------	-----

## PERSONAL OVERDRAFT

Product not available for sale after 4 July 2021.

### Loan Approval Fee\*

A Loan Approval Fee is payable for any approved application by you to increase an existing credit limit.

The Loan Approval Fee is payable at the time that a new facility becomes effective or upon the relevant changes to an existing facility being entered into ANZ's systems.

Amount of credit limit	Fee
Less than \$20,000	\$100
\$20,000 and over but less than \$50,000	\$200
\$50,000 and over	\$500

\* The Loan Approval Fee may be referred to in your statement of account as the "Overdraft / Facility Approval Fee".

## Credit Facility Fee

Amount of credit limit	Fee
Less than \$20,000	\$200 p.a.
\$20,000 and over	1.7% of credit limit p.a.

The Credit Facility Fee is debited to your account in arrears on a monthly, quarterly or annual basis (as applicable). The Credit Facility Fee is calculated on a daily basis by reference to the credit limit on that day, on the basis (as relevant) of the applicable annual fee divided by 366 or by applying the applicable percentage rate divided by 366 to your credit limit. Debits will be equal to the aggregate of the daily amounts for the relevant cycle.

A pro rata amount is debited on each occasion on which your credit limit is changed, upon expiry or cancellation of the Personal Overdraft facility and upon the transfer or closure of your linked account, based on the number of days in the cycle up to the relevant event.

# DEFINITIONS AND OTHER KEY CONCEPTS

## **ANZ Transactions**

Includes Staff Assisted Transactions, Cheque Transactions, Electronic Transactions and Internet Banking Transactions, but excludes those transactions noted as Excluded Transactions below.

## **Monthly Account Service Fee**

A set fee we charge on a monthly basis for managing and maintaining your account. See Fee Charging Date below for details of when this fee is debited to your account.

## **Additional Transaction Fees (formerly Excess Withdrawal Fees)**

Apply once you have fully utilised your included ANZ Transaction quota for a monthly cycle (as applicable). Additional Transaction Fees are aggregated and debited to your account monthly based on the number and type of relevant additional ANZ Transactions processed to your account on or before the last day of the monthly cycle and after the end of the previous monthly cycle (or, for the first monthly cycle, since the account was opened). See Fee Charging Date below for details of when these fees are debited to your account.

## **Fee Charging Date**

If a Monthly Account Service Fee or Additional Transaction Fees apply to your account, they will be debited to your account monthly from the date on which your account was opened, except as noted below or unless we advise you of another date. The monthly cycle for assessing the number of included ANZ Transactions that apply to your account and the number of additional ANZ Transactions on your account for which Additional Transaction Fees may be charged will be determined on the same basis, except as noted below.

Where the relevant fees are scheduled to be debited on a non-business day, they will be debited on the preceding business day (except as noted below), and the monthly cycle for assessing ANZ Transactions will end on that day.

However, where that preceding business day is not in the same calendar month as the scheduled date, the relevant fees will instead be debited on the next business day. The debit will generally be with effect from the scheduled date.

For all ANZ Access Advantage accounts for which the Monthly Account Service Fee may be waived in the circumstances referred to in the first paragraph of the section entitled

'Exemptions and Concessions', the Monthly Account Service Fee will be debited on the last business day of each calendar month.

For all ANZ Progress Saver accounts, ANZ Premium Cash Management accounts and ANZ V2 PLUS accounts, any Additional Transaction Fees will be debited, and the monthly cycle for ANZ Transactions will end, on the last business day of each calendar month.

### **Staff Assisted Transactions**

- A cash withdrawal from your ANZ account made over the counter at an ANZ branch, whether using a card or not.
- A withdrawal from your ANZ account via cheque written by you and then cashed, by you or another person, over the counter at an ANZ branch.
- A transfer from your ANZ account to another account (including a non-ANZ account) made over the counter at an ANZ branch, whether using a card or not.
- A transfer from your ANZ account made over the telephone (excluding via ANZ Phone Banking) pursuant to a funds transfer authority.
- A withdrawal from your ANZ account that ANZ permits you to make in person at the premises of an agent, contractor or service provider of ANZ.
- Any other withdrawal or transfer from your ANZ account that is manually processed by ANZ staff that ANZ determines to be a Staff Assisted Transaction.

### **Cheque Transactions**

A withdrawal from your ANZ account via cheque written by you, excluding a withdrawal that is a Staff Assisted Transaction.

### **Electronic Transactions**

- A cash withdrawal from your ANZ account made at an ANZ ATM in Australia.
- A transfer from your ANZ account to a linked account made at an ANZ ATM in Australia.
- A cash withdrawal or purchase made via EFTPOS within Australia from or using your ANZ account, and a purchase using your ANZ account made online or over the phone where the financial institution accepting or processing the purchase is in Australia.
- A transfer from your ANZ account to a linked account, or a BPAY® Payment<sup>#</sup>, made via ANZ Phone Banking.
- A funds transfer or withdrawal from your ANZ account via an Account Funding Transaction (AFT), where available, or a

deposit or credit to your ANZ account via an Original Credit Transaction (OCT), where available.

- Any other withdrawal or transfer from your ANZ account (excluding a Staff Assisted Transaction, Cheque Transaction, Internet Banking Transaction or Excluded Transaction) that ANZ determines to be an Electronic Transaction.

### **Internet Banking Transactions**

- A transfer from your ANZ account to another account (including a non-ANZ account) made via ANZ Internet Banking, including a BPAY® Payment, a Pay Anyone transaction and a recurring payment.
- A BPAY® Payment from your ANZ account made via ANZ Mobile Banking.

### **Excluded Transactions**

The following transactions are not ANZ Transactions and therefore do not count towards your monthly included ANZ Transaction quota, and are not charged Additional Transaction Fees:

- Balance enquiries on your ANZ account at ANZ ATMs or non-ANZ ATMs.
- Withdrawals from your ANZ account at non-ANZ ATMs.
- EFTPOS transactions outside Australia on your ANZ account, including purchases made online or over the phone where the financial institution accepting or processing the purchase is outside of Australia.
- A PayTo® payment from your ANZ account made under a PayTo Payment Agreement.
- Periodical payments from your ANZ account.

However, while a transaction may not be an ANZ Transaction and therefore not attract an Additional Transaction Fee, it may still attract one or more of the fees and charges listed on pages 11-13 of this booklet or in the 'ANZ Personal Banking General Fees and Charges' booklet. Except as otherwise noted, those other fees and charges are separate from, and apply in addition to, any Additional Transaction Fee. In addition, all relevant transactions on an ANZ Progress Saver account will be taken into account for the purposes of determining whether bonus interest will be paid on the account in respect of a particular calendar month, even if the transactions are not ANZ Transactions.

BPAY® is registered to BPAY Pty Ltd ABN 69 079 137 518.

# BPAY® Payment means a payment made via the BPAY® Payments service provided by BPAY Pty Ltd.

## **ASSOCIATED ACCOUNT FEES AND CHARGES (EXCLUDING ANZ CREDIT CARDS AND VISA PAYCARD SEE NOTE 5)**

### **Charges by non-ANZ operator**

While as an ANZ customer we do not charge you ATM fees for balance enquiries, or for withdrawals from non-ANZ ATMs in Australia, you may be charged a fee by the operator of a non-ANZ ATM (whether in or outside Australia) for a balance enquiry or withdrawal at the ATM. A surcharge may also be imposed for some ATM or branch withdrawals outside Australia and some EFTPOS transactions

### **Overseas Transaction Fee**

ANZ will charge 3% of the value of any International Transaction charged or credited to an ANZ account.

It may not always be clear to you when use of your ANZ account is an International Transaction, for example where the merchant or financial institution processing a charge or credit is located outside of Australia.

For the purpose of the Overseas Transaction Fee, an International Transaction is any purchase (including a purchase of items directly convertible to Australian currency cash), cash withdrawal, or AFT (where available), or credit (including a refund or reversal in respect of a purchase), or OCT (where available), processed to your ANZ account:

- In a currency other than Australian currency; or
- Where the merchant or financial institution accepting or processing the debit or credit is outside of Australia; or
- Which is considered by Visa or Mastercard to require conversion into Australian currency (for example, where the debit or credit is submitted on behalf of a merchant to a financial institution by an intermediary that is outside of Australia).

The Overseas Transaction Fee is calculated on the value of the International Transaction (in the case of an EFTPOS transaction or an AFT, where available, inclusive of any merchant surcharge) and any ATM operator or branch fee that applies to the International Transaction. The Overseas Transaction Fee is debited to your ANZ account at the same time as the debit or credit is processed to your account.

**Overseas ATM Transaction Fee** **\$5**

Applicable for a withdrawal from a non-ANZ ATM outside Australia (per withdrawal), and debited to your account at the same time as the withdrawal is debited

**Informal Overdraft Debit Interest Rate (per annum)**

- In cases where an ANZ Assured facility or Personal Overdraft facility is linked to your account **Debit interest rate applicable to the ANZ Assured facility or Personal Overdraft facility**
  - In other cases **ANZ Retail Index Rate plus 8.5% (see note 6)**
- The ANZ Retail Index Rate is published on [www.anz.com](http://www.anz.com)

**Dishonour Fee** **\$6**

Debited to your account on the day of the dishonour for determining whether to process a debit to your account using the Informal Overdraft facility, where that debit is declined. A Dishonour Fee is only debited when the payment from your account that is declined was attempted via cheque or direct debit

(No fee is payable for ANZ Access Basic and ANZ Pensioner Advantage)

**Periodical Payment Non-payment Fee** **\$6**

Debited to your account when any attempted periodical payment cannot be made due to lack of cleared funds (No fee is payable for ANZ Access Basic and ANZ Passbook Savings accounts) See the 'ANZ Saving & Transaction Products Terms and Conditions' booklet for details on how to stop or change a payment on a periodical payment facility, or cancel the facility, before a relevant periodical payment is made.

**Note 5** – for ANZ Credit Card and Visa PAYCARD fees and charges, please see the separate section ‘ANZ Credit Card and Visa PAYCARD Accounts’.

**Note 6** – not applicable in all cases. In the case of SMSF Cash Hub accounts, no debit interest is charged on Informal Overdrafts. In the case of ANZ One offset accounts, debit interest is charged on Informal Overdrafts at the ANZ Retail Index Rate plus 4% per annum. In the case of ANZ Equity Manager accounts, debit interest is charged on the Informal Overdraft facility:

- for accounts with a formal credit limit – at the debit interest rate applicable to the overdrawn balance within the formal credit limit (being the ANZ Equity Manager Rate plus or minus any applicable margin) plus 4%; and
- for accounts without a formal credit limit – at the ANZ Equity Manager Rate plus or minus any applicable margin (see the ‘ANZ Saving & Transaction Products Terms and Conditions’ booklet for details).

The ANZ Equity Manager Rate is published on [anz.com](http://anz.com)

## EXEMPTIONS AND CONCESSIONS

- You deposit \$2,000 or more into your account by the end of that cycle (being the last business day of the relevant calendar month); or

### Concessions at rural branches

At some rural branches where there is no ANZ ATM in the local area, cash withdrawals made with an ANZ card over the counter at the ANZ branch will not be counted as Staff Assisted Transactions but will be treated as Electronic Transactions (that is, as an ANZ ATM withdrawal).

This concession is available on all card-based accounts listed on page 4 of this booklet (except ANZ V2 PLUS accounts).

**Note 7** – loans not eligible include ANZ Simplicity PLUS, ANZ Money Saver (no longer sold), ANZ Easy Start (no longer sold) and ANZ Interest-in-Advance Residential Investment Loans. Only one nominated ANZ Access Advantage Account Fee waived per ANZ Portfolio, not based on sub accounts.
