

ANZ GUIDE TO COMPLETING YOUR TAX RETURN USING MYTAX

This guide provides assistance in completing the managed funds section of your tax return, using the new web based online tool myTax provided by the Australian Taxation Office (ATO). This myTax guide should be used in conjunction with the Tax Guide 2020 and your 2020 distributions tax statements, to complete your tax return relating to your ANZ investment. myTax can be accessed online via ato.gov.au/lodgeonline

This guide is only to be used by Australian resident taxpayers preparing individual tax returns. If you have any questions in relation to using myTax please contact the ATO.

You will be required to personalise your return in order to generate the managed fund distributions section of your tax return.

TAX INFORMATION FOR INDIVIDUALS NOT LODGING A TAX RETURN

The following information is applicable to Australian tax resident individuals not lodging a tax return.

	Amount	Label
Unfranked amount	127.44	11 S
Franked amount	1,134.30	11 T
Franking credit	663.31	11 U
Tax file number amounts withheld from dividends	0.00	11 V

Important tax notes
The information shown above should be included in your 2020 Application for refund of franking credits for individuals. We recommend you contact your tax adviser if you have any questions about your eligibility to claim a refund of franking credits.

Using the information under 'Tax Return Information' on your attribution managed investment trust member annual statement (AMMA), input the amounts into the corresponding boxes contained in the Managed Funds distributions section of myTax. For example, insert the amount shown at Non-primary production income 13U on your distributions tax statements, into the 13U box. The 'Tax Return Information' section of your distributions tax statements, contains the details of all your ANZ investments.

If an amount is shown on your distributions tax statements, at Total current year capital gains 18H and Net capital gain 18A, input these amounts as described above, in this section.

If a # is displayed, you have withdrawn units during the financial year. You will need to review the 'Taxable capital gains/loss on redemption of units' section of your distributions tax statements, and follow the instructions in the 'Taxable capital gain/loss on redemption of units' section of the Tax Guide, to calculate the Total current year capital gains 18H and Net capital gain 18A amounts.

Include the Rebates 24V amount from your distributions tax statements, at label 24V – Total other income, in the managed fund distributions section. Please refer to the Tax Guide 2020 for more information in relation to this item.

Include gross interest 10L amount from your distributions tax statements, in the 'Interest' section of myTax.

If you have Interest deductions D7 on your distributions tax statements, this will need to be included in the 'Deductions' section of myTax.
