

## News Release

For release: 2 September 2022

### **Issue of SGD 600,000,000 4.500 per cent. Fixed Rate Subordinated Notes**

### **Notice under section 708A(12H)(e) of the Corporations Act 2001 (Cwlth)**

Today Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) ("**Issuer**") will issue SGD 600,000,000 4.500 per cent. subordinated notes due 2 December 2032 pursuant to its US\$60 billion Euro Medium Term Note Programme (the "**Subordinated Notes**").

The Subordinated Notes convert into fully paid ordinary shares of the Issuer ("**Ordinary Shares**") where the Australian Prudential Regulation Authority ("**APRA**") determines this to be necessary on the grounds that the Issuer would otherwise become non-viable.

This notice is a cleansing notice prepared for the purposes of section 708A(12H)(e) of the Corporations Act 2001 (Cwlth) ("**Corporations Act**") (as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2016/71) to enable Ordinary Shares or Approved NOHC<sup>1</sup> Ordinary Shares<sup>2</sup> issued on conversion of the Subordinated Notes to be freely tradeable without further disclosure and includes:

1. in Schedule 1, a description of the rights and liabilities attaching to the Subordinated Notes that has been extracted from the Information Memorandum dated 16 November 2021 as supplemented (the "**Information Memorandum**");
2. in Schedule 2, commercial particulars of the Subordinated Notes, extracted from the Pricing Supplement for the Subordinated Notes dated 31 August 2022; and
3. in Schedule 3, a description of the rights and liabilities attaching to Ordinary Shares.

Words and expressions defined in the Information Memorandum have the same meanings in the remainder of this cleansing notice unless the contrary intention appears.

The issue of Subordinated Notes by the Issuer will not have a material impact on the Issuer's financial position. If a Non-Viability Trigger Event occurs and the Issuer issues Ordinary Shares, the impact of Conversion on the Issuer would be to increase the Issuer's shareholders' equity. The number of Ordinary Shares issued on Conversion is limited to the Maximum Conversion Number. The Maximum Conversion Number is 56,104.1293 Ordinary

Each issue of VPS Notes will have the benefit of a VPS Agency Agreement (such VPS Agency Agreement as amended and/or supplemented and/or restated from time to time, the ("VPS Agency Agreement")) between the Issuer and an agent (the "VPS Agent") who will act as agent of the Issuer in respect of all dealings with the VPS in respect of VPS Notes as provided in the relevant VPS Agency Agreement. References herein to the "**Pricing Supplement**" are, except in the case of a VPS Note, to the Pricing Supplement (or the relevant provisions thereof) endorsed on this Note. In the case of a VPS Note, references herein to the "Pricing Supplement" are to the Pricing Supplement (or the relevant provisions thereof) provided to the VPS Agent, the VPS Trustee and the VPS in connection with such VPS Notes.

Words and expressions defined in the Agency Agreement, the VPS Agency Agreement or the VPS Trustee Agreement or used in the Pricing Supplement shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement, the VPS Agency Agreement or the VPS Trustee Agreement and the Pricing Supplement, the Pricing Supplement will prevail.

#### 1. **Form, Denomination and Title**

The Notes are issued (i) in bearer form ("**Bearer Notes**") (ii) in registered form ("**Registered Notes**") or (iii) in uncertificated and dematerialised book entry form registered in the Norwegian Central Securities Depository, *Verdipapirsentralen ASA* or VPS ("**VPS Notes**" and the "**VPS**", respectively), in each case in the Specified Currency and the Specified Denomination(s). All Registered Notes shall have the same Specified Denomination. A Subordinated Note cannot be a VPS Note. "**Specified Denomination**" means the amount specified as such in (or calculated in accordance with the provisions of) the relevant Pricing Supplement as it may be adjusted, in the case of the Subordinated Notes, in accordance with Condition 5A.4.

Title to the Registered Notes shall, subject to mandatory rules of law, pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Certificate, Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless

of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

Title to VPS Notes will pass by registration in the registers between the direct or indirect accountholders at the VPS in accordance with the Norwegian Securities Registry Act of 5th July, 2002 (No. *verdipapirregisterloven*) (the "**VPS Act**") and the rules and procedures of the VPS. The holder of a VPS Note will be the person evidenced as such by a book entry in the records of the VPS. The person evidenced (including any nominee) as a holder of the VPS Notes shall be treated as the holder of such VPS Notes for the purposes of payment of principal or interest on such Notes and for all other purposes. ## 2. **Exchange and Transfers of Notes**

### (a) *Exchange of Notes*

Registered Notes may not be exchanged for Bearer Notes and vice versa. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Notes (other than VPS Notes) may not be exchanged for VPS Notes and *vice versa*.

### (b) *Transfer of Registered Notes*

Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and such other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

### (c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

### (d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery five business days after receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for

exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the location of the specified office of the Registrar or the relevant Transfer Agent (as the case may be).

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax, duty or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Issuer, the Registrar or the relevant Transfer Agent may require).

(f) *Closed Period*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(e), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

### 3. **Status and Guarantee**

The Notes may be unsubordinated Notes ("**Unsubordinated Notes**") or, where the Issuer is ANZBGL, subordinated Notes ("**Subordinated Notes**") as specified in the relevant Pricing Supplement.

None of the Notes are deposit liabilities or protected accounts of ANZBGL for the purposes of the Banking Act 1959 of Australia (the "**Banking Act**").

(a) *Unsubordinated Notes*

The Unsubordinated Notes and the Receipts and Coupons relating to them constitute direct, unconditional and unsecured obligations of the Issuer and (save for certain debts of the Issuer required to be preferred by law, including but not limited to, where the Issuer is ANZBGL, those referred to in Division 2 and 2AA of Part II of the Banking Act and section 86 of the Reserve Bank Act 1959 of Australia) rank *pari passu* among themselves and equally with all other unsubordinated, unsecured obligations of the Issuer.

*The debts which are preferred by law to the claim of a Noteholder in respect of a Note, including by virtue of the provisions referred to in the above paragraph of Condition 3, will be substantial and are not limited by the Conditions of the Notes. Without limitation to other applicable laws, in the case of Notes issued by ANZBGL, section 13A(3) of the Banking Act provides that, in the event ANZBGL becomes unable to meet its obligations or suspends payment, its assets in Australia are to be available to meet ANZBGL's liabilities in the following order: (i) liabilities to the Australian Prudential Regulation Authority ("APRA") in respect of any payments that APRA makes or is liable to make to (A) holders of protected accounts under the Banking Act or (B) a body corporate pursuant to a determination made by APRA in connection with a transfer of the ADI's business to that body corporate (where that transfer includes liabilities of the ADI in respect of protected accounts) under the Financial Sector (Transfer and Restructure) Act 1999 of Australia, (ii) debts in respect of costs of APRA in certain circumstances, (iii) ANZBGL's liabilities in Australia in relation to protected accounts (as defined in the Banking Act) kept with ANZBGL, (iv) debts due to the Reserve Bank of Australia ("**RBA**"), (v) liabilities under certain certified industry support contracts; and (vi) all other liabilities of ANZBGL in their order of priority apart from section 13A(3). Changes to applicable law may extend the debts required to be preferred by law.*

The Unsubordinated Notes rank senior to the Issuer's subordinated obligations, including, where the Issuer is ANZBGL, the Subordinated Notes.

(b) *Subordinated Notes — ANZBGL*

The Subordinated Notes and the Receipts and Coupons relating to them may only be issued by ANZBGL, and will constitute direct, unsecured and subordinated obligations of ANZBGL. In the event of the winding-up of ANZBGL (see Condition 10 (*Subordination*)) and prior to the commencement of the winding-up of ANZBGL (see Condition 4(v)) the Principal Amount of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will rank behind all claims of Senior Creditors, and subject to Conditions 5A to 5C (inclusive) *pari passu* with Equal Ranking Securities and ahead of Junior Ranking Securities.

"**Equal Ranking Securities**" means any present or future instrument that ranks in a winding-up of ANZBGL as the most junior claim in the winding-up of ANZBGL ranking senior to Junior Ranking Securities, and includes:

- (i) the Perpetual Capital Floating Rate Notes issued under the trust deed dated 30 October 1986 between the Issuer and Bankers Trustee Company Limited, as amended from time to time (except in so far as such amendment is inconsistent with such ranking); and
- (ii) any other instruments issued as Relevant Tier 2 Securities.

"**Junior Ranking Securities**" means any present or future instrument:

- (i) issued as Tier 1 Capital; and
- (ii) that by its terms is, or is expressed to be, subordinated in a winding up of ANZBGL to the claims of Subordinated Noteholders and holders of Equal Ranking Securities.

"**Senior Creditors**" means all present and future creditors of ANZBGL (including but not limited to depositors of ANZBGL whose claims:

- (i) would be entitled to be admitted in the winding up of ANZBGL; and
- (ii) are not in respect of Equal Ranking Securities or Junior Ranking Securities.

Neither ANZBGL nor a Subordinated Noteholder has any contractual right to set off any sum at any time due and payable to a Subordinated Noteholder or ANZBGL (as applicable) under or in relation to the Subordinated Notes against amounts owing by the Subordinated Noteholder to ANZBGL or by ANZBGL to the Subordinated Noteholder (as applicable).

The Subordinated Notes do not limit the amount of liabilities ranking senior to the Subordinated Notes which may be hereafter incurred or assumed by ANZBGL.

Claims of Subordinated Noteholders are also subject to the priority of certain debts preferred by law (in respect of which please see the description provided in Condition 3(a) above).

(c) *Guarantee — by ANZ New Zealand (in respect of Notes issued by ANZNIL)*

Where the relevant Issuer is ANZNIL, the Guarantor has in the Deed of Guarantee unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due by ANZNIL under or in respect of the Notes as and when the same shall become due and payable. This Guarantee of the Notes constitutes direct, unconditional and unsecured obligations of the Guarantor which (save for certain debts of the Guarantor required to be preferred by law) will at all times rank *pari passu* among themselves and equally with all other unsecured obligations (other than subordinated obligations) of the Guarantor. The Notes issued by ANZ New Zealand and ANZNIL are not guaranteed by ANZBGL.

#### 4. **Interest and other Calculations**

(a) *Interest on Fixed Rate Notes*

- (i) Each Fixed Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Pricing Supplement as specified Interest Payment

Dates or, if no Interest Payment Date(s) is/are specified in the Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) If a Fixed Coupon Amount or a Broken Amount is specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the Pricing Supplement.
  - (iii) *Calculation of Interest Amount:* The Interest Amount payable in respect of each Note for any period for which a Fixed Coupon Amount or Broken Amount is not specified in the Pricing Supplement shall be calculated by applying the Rate of Interest to the Calculation Amount for such Note, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest unit of the Specified Currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen, and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose, a "unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means 0.01 euro, as the case may be.
  - (iv) *Business Day Convention:* If "Business Day Convention – Adjusted" is specified to be applicable in the relevant Pricing Supplement, (a) any Interest Payment Date otherwise falling on a day which is not a Business Day (as defined in Condition 4(r) below) will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Pricing Supplement (as described below) and (b) the amount of interest payable on such Interest Payment Date will be adjusted accordingly and the provisions of subparagraphs (i) and (j) (excluding the determination and notification of the Rate of Interest) below shall apply, *mutatis mutandis*, as though references to "Floating Rate Notes" were to "Fixed Rate Notes" and references to "Interest Amounts" were to amounts of interest payable in respect of Fixed Rate Notes. If "Business Day Convention – No Adjustment" is specified to be applicable in the relevant Pricing Supplement, any Interest Payment Date otherwise falling on a day which is not a Business Day will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Pricing Supplement (as described below) and there will be no corresponding adjustment of the amount of interest payable on such Interest Payment Date.
- (b) *Interest on Floating Rate Notes and Index Linked Interest Notes*
- (i) *Interest Payment Dates:* Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Pricing Supplement as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.
  - (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then that date will be adjusted in accordance with the Business Day Convention specified in the relevant Pricing Supplement. If "No Adjustment of Interest Amounts" is specified to be applicable in the relevant Pricing Supplement then notwithstanding the bringing forward or postponement (as applicable) of an Interest Payment Date as a result of the application of the Business Day Convention set out in the relevant Pricing Supplement, the Interest Amount in respect of the relevant Interest Period and each subsequent Interest Period shall be calculated as aforesaid on the basis of the original Interest Payment Dates without adjustment in accordance with the applicable Business Day Convention.
  - (iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes, other than in the case of (x) BBSW Notes or BKBM Notes, provisions in respect of which are set

out in Condition 4(d) and Condition 4(e) below, (y) CMS Rate Notes, provisions in respect of which are set out in Condition 4(f) below and (z) Inverse Floating Rate Notes, provisions in respect of which are set out in Condition 4(g) below (unless in each case the relevant Pricing Supplement specifies otherwise), for each Interest Accrual Period shall be determined in the manner specified in the Pricing Supplement and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified in the Pricing Supplement.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the Pricing Supplement;
- (y) the Designated Maturity is a period specified in the Pricing Supplement; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the Pricing Supplement. For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**", and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate/Reference Bank Determination for Floating Rate Notes other than Floating Rate Notes referencing SONIA (Non-Index Determination), SONIA (Index Determination), SOFR (Non-Index Determination) or SOFR (Index Determination)*

In respect of Floating Rate Notes other than Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is SONIA, (Non-Index Determination), SONIA (Index Determination), SOFR (Non-Index Determination) or SOFR (Index Determination):

- (x) if Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be (subject to Condition 4(o) (*Benchmark Replacement*) and Condition 4(p) (*Effect of Benchmark Transition Event*)) (as determined by the Calculation Agent) on the following basis:
  - (I) if the Reference Rate is a composite quotation or a quotation customarily supplied by one entity, the Calculation Agent will determine the Reference Rate for the Specified Maturity and the Specified Currency which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date; or
  - (II) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates for the Specified Maturity and the Specified Currency which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (y) if sub-paragraph (x)(I) applies and no Reference Rate for the Specified Maturity and the Specified Currency appears on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two Reference Rates appear on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if, in either case, the Relevant Screen Page is unavailable, subject as provided below:

- (A) the Issuer will appoint a Reference Banks Agent and the Reference Banks Agent will, at the request of the Issuer, request the principal Relevant Financial Centre office of each of the Reference Banks (or such of them, being at least two, as are so quoting) to provide a quotation of the Reference Rate for the Specified Maturity and the Specified Currency at approximately the Relevant Time on the Interest Determination Date to leading banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time and will provide such responses to the Calculation Agent; and
- (B) the Calculation Agent will determine the arithmetic mean of such quotations.
- (z) if paragraph (y) above applies and the Reference Banks Agent advises the Calculation Agent that fewer than two Reference Banks are so quoting the Reference Rate for the Specified Maturity and the Specified Currency, subject as provided below, the Calculation Agent shall determine the arithmetic mean of the rates per annum (expressed as a percentage) quoted by at least two out of five leading banks selected by the Reference Banks Agent (after consultation with the Issuer) in the Principal Financial Centre of the country of the Specified Currency and in an amount that is representative for a single transaction in that market at that time, in each case as selected by the Reference Banks Agent (after consultation with the Issuer), at or about the Relevant Time for a period commencing on the Effective Date equivalent to the relevant Interest Accrual Period, for loans in the Specified Currency to leading banks carrying on business in (I) Europe, or (II) (if the Reference Banks Agent advises the Calculation Agent that fewer than two of such banks are so quoting to such leading banks in Europe), the Principal Financial Centre, in either case, as provided by the Reference Banks Agent to the Calculation Agent; provided, however, that if fewer than two of such banks are so quoting to such leading banks or the Reference Banks Agent or the Calculation Agent (as the case may be) is unable to determine a rate or (as the case may be) the Calculation Agent is unable to determine an arithmetic mean in accordance with the above provisions on any Interest Determination Date, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum Rate of Interest or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (C) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Pricing Supplement is SONIA (Non-Index Determination):*

Where the Reference Rate is specified in the applicable Pricing Supplement as being "SONIA (Non-Index Determination)", the Rate of Interest for each Interest Period will, as provided below, be Compounded Daily SONIA as calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest).

"**Compounded Daily SONIA**" means, in relation to any Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average (SONIA) as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[ \prod_{i=1}^{d_o} \left( 1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

"d" is the number of calendar days in the relevant Interest Accrual Period;

"do" is the number of London Banking Days in the relevant Interest Accrual Period;

"i" for any Interest Accrual Period is a series of whole numbers from one to do, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in such Interest Accrual Period;

"p", for any Interest Accrual Period, the number of London Banking Days included in the Observation Look-Back Period, as specified in the applicable Pricing Supplement, which shall, unless otherwise agreed with the Calculation Agent (or such other person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest), be no less than five London Banking Days;

the "**SONIA reference rate**", in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average ("**SONIA**") rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors (on the London Banking Day immediately following such London Banking Day); and

"**SONIA<sub>i-pLBD</sub>**" means, in respect of any London Banking Day falling in the relevant Observation Period, the SONIA reference rate for the London Banking Day falling "p" London Banking Days prior to the relevant London Banking Day "i".

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be (i) that determined as at the last

preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Period).

If the relevant Series of Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

- (i) the Issuer will appoint a Reference Banks Agent and the Calculation Agent will determine the CMS Rate on the basis of the arithmetic mean of the Mid-Market Quotations notified to it by the Reference Banks Agent and which have been provided to the Reference Banks Agent by the CMS Reference Banks at approximately the CMS Reference Time on the Interest Determination Date in respect of such Interest Period by the Reference Banks Agent (at the request of the Issuer) requesting the principal Relevant Financial Centre office of each of the CMS Reference Banks to provide Mid-Market Quotations. If at least five Mid-Market Quotations are provided, the

Reference Banks Agent shall provide these to the Calculation Agent who will determine the arithmetic mean of Mid-Market Quotations so provided by discarding the highest of such Mid-Market Quotations (or in event of equality, one of the highest) and lowest of such Mid-Market Quotations (or in event of equality, one of the lowest). If four Mid-Market Quotations are provided, the Reference Banks Agent shall provide these to the Calculation Agent who will determine the arithmetic mean of such Mid-Market Quotations provided. All calculations of the arithmetic mean of the relevant number of Mid-Market Quotations provided pursuant to this paragraph will be rounded to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards; and

- (ii) If less than four Mid-Market Quotations are provided, the CMS Rate for that Interest Determination Date will be the same as the rate used for the prior Interest Reset Period.

calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, the Guarantor (if applicable), each of the Paying Agents, the Noteholders, the Registrar, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange (and/or admitted to listing, trading and/or quotation on any other listing authority, stock exchange and/or quotation system) and the rules of such listing authority, stock exchange and/or quotation system so require, such listing authority, stock exchange and/or quotation system and, in the case of VPS Notes, the VPS Trustee and the VPS Agent as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. The notification of any rate or amount, if applicable, shall be made to the VPS in accordance with and subject to the rules and regulations of the VPS for the time being in effect. Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to Condition 4(a)(iv) or Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period. If the Calculation Amount is less than the minimum Specified Denomination, the Calculation Agent shall not be obligated to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination. If the Notes become due and payable under Condition 9 (*Events of Default*), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) or such other person specified in the applicable Pricing Supplement as the party responsible for making any such calculation or determination shall (in the absence of manifest error) be final and binding upon all parties.

(o) *Benchmark Replacement*

This Condition 4(o) (*Benchmark Replacement*) applies where the relevant Reference Rate specified in the applicable Pricing Supplement is a rate other than U.S. Dollar LIBOR, SOFR (Non-Index Determination) or SOFR (Index Determination). Notwithstanding the provisions above in Conditions 4(b), (d), (e), (f) and (g), if the Issuer (in consultation with the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Disruption Event has occurred when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to such Reference Rate affected by the Benchmark Disruption Event, then the following provisions shall apply:

(i) **Independent Adviser**

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Independent Adviser determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(o)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(o)(iv)) and any Benchmark Amendments (in accordance with Condition 4(o)(v)).

(ii) **Successor Rate or Alternative Rate**

If the Independent Adviser, following consultation with the Issuer and acting in good faith and in a commercially reasonable manner, determines, no later than the IA Determination Cut-off Date that: (A) there is a Successor Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Successor Rate (subject to adjustment as provided in Condition 4(o)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of

interest on the Notes (subject to the subsequent operation of this Condition 4(o)); or (B) there is no Successor Rate but that there is an Alternative Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Alternative Rate (subject to adjustment as provided in Condition 4(o)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(o)).

(iii) **Issuer Determination**

If the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by it fails to determine a Successor Rate or Alternative Rate prior to the IA Determination Cut-off Date, then, if it elects to do so, the Issuer (acting in good faith and in a commercially reasonable manner) may determine a Successor Rate or Alternative Rate for the purposes of Condition 4(o)(ii);

(iv) **Adjustment Spread**

If the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be) and acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Independent Adviser (or the Issuer as the case may be) shall notify the Calculation Agent of such Adjustment Spread and the Calculation Agent shall apply it to the Successor Rate or the Alternative Rate (as the case may be).

(v) **Benchmark Amendments**

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(o) and the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or the Agency Agreement and/or the VPS Trustee Agreement and/or any other agreement or document relating to the Notes are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "Benchmark Amendments") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(o)(vi), without any requirement for the consent or approval of Noteholders, at the Issuer's expense, vary these Conditions and/or the VPS Trust Agreement and/or the Agency Agreement and/or any other agreement or document relating to the Notes as is necessary to give effect to such Benchmark Amendments with effect from the date specified in such notice. The Fiscal Agent and/or the VPS Trustee and/or each other party to an applicable agreement shall not be obliged to concur if in their opinion doing so would impose more onerous obligations on them or expose them to any additional duties, responsibilities or liabilities or reduce or amend their rights and/or the protective provisions afforded to them in these Conditions or in any other document to which they are a party in any way. For the avoidance of doubt, no consent of the Noteholders of the relevant Series shall be required in connection with effecting the Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the VPS Trustee, the Issuer or any of the parties to the Agency Agreement (if required). In connection with any such variation in accordance with this Condition 4(o)(v), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(vi) **Notices, etc.**

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(o) will be notified promptly, and in any event not later than the fifth Business Day prior to the Interest Determination Date by the Issuer to the Fiscal Agent, the Calculation Agent, and each other party to the Agency Agreement, the VPS Trustee and the Noteholders. Such notice

shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any, and will be binding on the Issuer, the Fiscal Agent, the Calculation Agent and each other party to the Agency Agreement, the VPS Trustee and the Noteholders.

(vii) **Survival of Reference Rate**

Without prejudice to the provisions of this Condition 4(o), the Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(o)(v).

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(o), in determining any Adjustment Spread or other relevant methodology for the purposes of Condition 4(o)(iii), the Issuer shall not and shall not be obliged to apply and may discount any Adjustment Spread or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 or Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018.

In the case of Subordinated Notes only, any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments determined in accordance with Condition 4(o)(ii), (iii), (iv) or (v) (*Benchmark Replacement*), will be subject to the prior written approval of APRA having been obtained in each case.

*Subordinated Noteholders should note that APRA's approval may not be given for any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments it considers to have the effect of increasing the Interest Rate contrary to applicable prudential standards.*

For the purposes of this Condition 4(o) (*Benchmark Replacement*):

"**Adjustment Spread**" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be) and acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions or is in customary market usage in the debt capital market for transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be) (or if the Independent Adviser (or the Issuer as the case may be) determines that no such industry standard is recognised or acknowledged);
- (iii) the Independent Adviser, following consultation with the Issuer (or the Issuer as the case may be), in its discretion, and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

"**Alternative Rate**" means an alternative benchmark or screen rate which the Independent Adviser (or the Issuer as the case may be) determines in accordance with Condition 4(o)(ii) has replaced the Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes.

This Condition 4(p) (*Effect of Benchmark Transition Event*) applies where the relevant Reference Rate specified in the applicable Pricing Supplement is U.S. Dollar LIBOR, SOFR (Non-Index Determination) or SOFR (Index Determination) (and for the avoidance of doubt, any subsequent Benchmark determined as a result of a Benchmark Replacement determination):

(i) **Benchmark Replacement**

If the Issuer or its designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(ii) **Benchmark Replacement Conforming Changes**

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(p) (*Effect of Benchmark Transition Event*) in determining any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment or for the purposes of making any other determination for the purposes of this Condition, the Issuer shall not and shall not be obliged to apply and may discount any factor or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 in the European Union or as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018.

In the case of Subordinated Notes only, any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment determined in accordance with this Condition 4(p) (*Effect of Benchmark Transition Event*), will be subject to the prior written approval of APRA having been obtained in each case.

*Subordinated Noteholders should note that APRA's approval may not be given for any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment it considers to have the effect of increasing the Interest Rate contrary to applicable prudential standards.*

If any Reference Bank (acting through its relevant offices) is unable or unwilling to continue to act as a Reference Bank, then the Issuer or, failing which and if applicable, the Guarantor shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount or Optional Redemption Amount or to comply with any other requirement, the Issuer or, failing which and if applicable, the Guarantor shall appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

(t) *Linear Interpolation*

Where Linear Interpolation is specified as being applicable in respect of an Interest Period in the applicable Pricing Supplement, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate or the relevant Floating Rate Option, as applicable, one of which shall be determined as if the Designated Maturity or Specified Maturity, as applicable, as specified in the applicable Pricing Supplement, were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period, provided, however, that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

(u) *Certificates to be final*

Subject, in the case of Subordinated Notes only, to the requirement for APRA's prior written approval as specified in Condition 4(o) (*Benchmark Replacement*), all certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4 (*Interest and other Calculations*) shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Calculation Agent, the Fiscal Agent, the other Paying Agents (if any), the Registrar, the VPS Agent, the VPS Trustee and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the

Calculation Agent, the VPS Agent or the VPS Trustee, as the case may be, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(v) *Conditions of Payment — Subordinated Notes*

Prior to the commencement of the winding-up of ANZBGL (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency):

- (i) the obligations of ANZBGL to make payments of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will be conditional on ANZBGL being Solvent at the time of such payment by ANZBGL; and
- (ii) no payment of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes shall be made unless ANZBGL is Solvent immediately after making such payment,

and if, pursuant to this Condition, ANZBGL fails to make any payment of principal of, or interest on, or any other payment, including additional amounts, in respect of any Subordinated Note when due, such failure will not constitute an Event of Default for the purposes of Condition 9(b)(ii).

A certificate signed by ANZBGL, two authorised signatories or an auditor of ANZBGL or, if ANZBGL is being wound up, its liquidator as to whether ANZBGL is Solvent at any time is (in the absence of wilful default, bad faith or manifest error) conclusive evidence of the information contained in the certificate and will be binding on the Subordinated Noteholders. In the absence of any such certificate, the Subordinated Noteholders are entitled to assume (unless the contrary is proved) that ANZBGL is Solvent at the time of, and will be Solvent immediately after, any payment on or in respect of the Subordinated Notes.

Any amount not paid on account of this Condition remains and accumulates as a debt owing and is payable on the first date on and to the extent to which the amount is able to be paid in compliance with this Condition.

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in respect of the VPS Notes and for so long as any such VPS Note is outstanding. Where more than one Calculation Agent is appointed in respect of the VPS Notes, references in these Terms and Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Terms and Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or to calculate any Interest Amount or to comply with any other requirement, the Issuer shall (with the prior approval of the VPS Trustee) appoint a leading bank or investment banking firm engaged in the inter-bank market that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

## 5. **Redemption, Purchase and Options**

(a) *Redemption by Instalments and Final Redemption*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 5 or unless the relevant Instalment Date (being one of the dates so specified in the Pricing Supplement) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5(e) or 5(f), each Note that provides for Instalment Dates and Instalment Amounts (each, an "**Instalment**

**Note**") shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the Pricing Supplement. The outstanding Principal Amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the Principal Amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount. A Subordinated Note will not provide for redemption by Instalments.

- (ii) Unless previously redeemed, purchased and cancelled, Converted or Written-Off as provided below or its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5(e) or 5(f), each Note shall be finally redeemed on the Maturity Date specified in the Pricing Supplement at its Final Redemption Amount or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) *Redemption for Taxation Reasons Applicable to all Notes*

If, as a result of any change in or amendment to the laws or regulations of the jurisdiction of incorporation of the Issuer and/or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor, or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations or any ruling, confirmation or advice from any taxing authority, which change or amendment or ruling becomes effective after the Issue Date (and in respect of any Subordinated Note, which ANZBGL did not expect as at the Issue Date of that Subordinated Note) shown on the face of any Note:

- (i) in the case of any Note, the Issuer or, if applicable, the Guarantor (if the Guarantor was or is obliged to make a payment under the Guarantee) has or will become obliged to pay additional amounts as provided in Condition 7 (*Taxation*);
- (ii) in the case of any Subordinated Note only and if specified in the Pricing Supplement, ANZBGL or the consolidated tax group of which it is a member would be exposed to more than a *de minimis* amount of other taxes, levies, imposts, charges and duties (including stamp and transaction duties) imposed by any authority together with any related interest, penalties and expenses in connection with them, assessments or other governmental charges in connection with any Note; or
- (iii) in the case of any Subordinated Note only and if specified in the Pricing Supplement, ANZBGL determines that any interest payable on any Note is not, or may not be, allowed as a deduction for the purposes of Australian income tax,

the Issuer may at its option, at any time (if this Note is neither a Floating Rate Note nor an Index Linked Interest Note) or on any Interest Payment Date (in the case of Floating Rate Notes or Index Linked Interest Notes) and subject to Condition 5(i) in the case of any Subordinated Note, on giving not more than 60 nor less than 30 days' notice to the Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, if applicable, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due or (as the case may be) an obligation to make a payment under the Guarantee were then made. Prior to the publication of any notice of redemption pursuant to this Condition 5(b), the Issuer shall deliver to the Fiscal Agent, and, with respect to VPS Notes, the VPS Trustee a certificate signed by two persons each of whom is either a Director, a Senior Executive, an authorised representative or of equivalent status of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

(c) *Redemption of Subordinated Notes for Regulatory Reasons*

If specified in the relevant Pricing Supplement, if a Regulatory Event occurs, ANZBGL may at its option, at any time (if the Subordinated Note is not a Floating Rate Note) or on any Interest Payment Date (in

the case of a Subordinated Note that is a Floating Rate Note) and subject to Condition 5(i) on giving not more than 60 nor less than 30 days' notice to the Subordinated Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Subordinated Notes of the relevant Series at the Early Redemption Amount together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5(c), ANZBGL shall deliver to the Fiscal Agent a certificate signed by two persons each of whom is either a Director, a Senior Executive, an authorised representative or of equivalent status of ANZBGL stating that ANZBGL is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of ANZBGL so to redeem have occurred.

For the purposes of this Condition 5(c):

**"Regulatory Event"** means ANZBGL determines, having received:

- (i) an opinion from a reputable legal counsel that as a result of any amendment to, clarification of or change (including any announcement of a change that has been or will be introduced) in, any law or regulation of the Commonwealth of Australia, or any official administrative pronouncement or action or judicial decision interpreting or applying such laws or regulations, which amendment, clarification or change is effective, or pronouncement, action or decision is announced, after the Issue Date; or
- (ii) a written statement from APRA after the Issue Date,

that, in each case, ANZBGL is not or will not be entitled to treat all Subordinated Notes of a Series as Tier 2 Capital, provided that, in each case, on the Issue Date of the Subordinated Notes, ANZBGL did not expect that matters giving rise to the Regulatory Event would occur.

(d) *Early Redemption of Zero Coupon Notes*

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note that does not bear interest prior to the Maturity Date, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5(b) or (c) or upon it becoming due and payable as provided in Condition 9 (*Events of Default*), shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified in the Pricing Supplement.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the **"Amortised Face Amount"** of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted to the date of its early redemption at a rate per annum (expressed as a percentage) equal to (A) where Compound Interest is specified in the Pricing Supplement, the **"Amortisation Yield"** (which, if none is set out in the Pricing Supplement, shall be such rate as would produce an Amortised Face Amount equal to the Issue Price of the Notes if such Notes were discounted back from the Maturity Date to the Issue Date) compounded annually, or (B) where Linear Interest is specified in the Pricing Supplement, an amount per Calculation Amount calculated in accordance with the following formula:

$$\text{Amortised Face Amount} = \text{Calculation Amount} + (\text{Accreting Payment Amount} \times A) + B$$

Where:

**"A"** means the aggregate number of Accreting Payment Periods that precede the Final Accreting Payment Period;

**"Accreting Payment Amount"** means the amount per Calculation Amount specified in the Pricing Supplement;

**"Accreting Payment Period"** means a period specified in the Pricing Supplement;

**"B"** means, in respect of the Final Accreting Payment Period, the Accreting Payment Amount multiplied by the Day Count Fraction;

**"Early Redemption Date"** means in respect of this Condition 5(d) the date on which the Notes are redeemed prior to the Maturity Date; and

**"Final Accreting Payment Period"** means a period specified in the Pricing Supplement.

Where such calculation referred to in sub-paragraph (A) of this sub-paragraph (ii) is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction set out in the Pricing Supplement.

- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(b) or (c) or upon it becoming due and payable as provided in Condition 9 (*Events of Default*) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein, in the case of sub-paragraph (A), to the date on which the Note becomes due and payable or, in the case of sub-paragraph (B), the Early Redemption Date, were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (after, as well as before, judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(k).

(e) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

If a Call Option is included in the Pricing Supplement and subject to Condition 5(i) in the case of any Subordinated Note, the Issuer may, on giving not less than five or more than 30 days' irrevocable notice (subject to such other notice period as may be specified in the Pricing Supplement under "Option Exercise Date(s)") to the Noteholders redeem, or exercise any Issuer's option (as may be described in the Pricing Supplement) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date (which, in the case of a Subordinated Note, may not be before the fifth anniversary of the Issue Date of that Subordinated Note). Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise of the Issuer's option shall only relate to Notes of a Principal Amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Pricing Supplement and no greater than the Maximum Redemption Amount to be redeemed specified in the Pricing Supplement.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements including in accordance with the rules of the VPS in the case of VPS Notes. So long as the Notes are admitted to listing, trading and/or quotation on any listing authority, stock exchange and/or quotation system and the rules of the relevant listing authority, stock exchange and/or quotation system so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in London (which is expected to be the *Financial Times*), or as specified by such other listing authority, stock exchange and/or quotation system, a notice specifying the aggregate principal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(f) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options*

If a Put Option is specified in the Pricing Supplement, the Issuer shall, at the option of the holder of such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (subject to such other notice period as may be specified in the Pricing Supplement, under "Option Exercise Date(s)"), redeem such Note on the Optional Redemption Date(s) so provided at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Noteholder's option that may be set out in the Pricing Supplement the holder (other than a holder of VPS Notes) must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. In the case of a VPS Note, within the notice period, a holder of any VPS Note may exercise its right to require redemption of its VPS Notes by giving written notice to its account manager for the VPS, who will notify the VPS Agent of the exercise of such option. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer, except that such Note or Certificate will be returned to the relevant Noteholder by the Paying Agent, the Registrar or Transfer Agent with which it has been deposited if, prior to the due date for its redemption or the exercise of the option, the Note becomes immediately due and payable or if upon due presentation payment of the redemption moneys is not made or exercise of the option is denied.

A Put Option may not be specified in the Pricing Supplement in respect of Subordinated Notes.

(g) *Purchases*

Where ANZBGL is the Issuer of this Note, ANZBGL is taken to represent as at the date of issue of this Note, that it does not know, or have any reasonable grounds to suspect, that this Note or any interest in this Note is being or will later be, acquired either directly or indirectly by an Offshore Associate of ANZBGL (acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of this Note or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia ("**Corporations Act**")).

"**Offshore Associate**" means an associate (as defined in section 128F of the Australian Tax Act) of ANZBGL that is either a non-resident of Australia which does not acquire the Notes in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires the Notes in carrying on business at or through a permanent establishment outside of Australia.

Except in the case of Subordinated Notes, the Issuer, the Guarantor and any of their respective subsidiaries may, to the extent permitted by applicable laws and regulations, at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise. Notes other than the VPS Notes so purchased by the Issuer, the Guarantor or any of their respective subsidiaries may be surrendered by the purchaser through the Issuer to the Fiscal Agent or any Paying Agent for cancellation or may at the option of the Issuer, the Guarantor or the relevant subsidiary be held or resold. VPS Notes purchased by the Issuer, the Guarantor or any of their respective subsidiaries may be cancelled in accordance with the procedures of the VPS if applicable and the VPS Agency Agreement or may at the option of the Issuer, the Guarantor or the relevant subsidiary be held or resold.

In the case of Subordinated Notes, subject to Condition 5(i), ANZBGL and any of its Related Entities may, to the extent permitted by applicable laws and regulations, at any time purchase Subordinated Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise. Subordinated Notes so purchased by ANZBGL or any of its Related Entities may be surrendered by the purchaser through ANZBGL to the Fiscal Agent or any Paying Agent for cancellation or may at the option of ANZBGL or the relevant Related Entity be held or resold.

VPS Notes purchased by ANZBGL or any of its Related Entities may be cancelled in accordance with the procedures of the VPS and the VPS Agency Agreement or may at the option of ANZBGL or any of its Related Entities be held or resold.

(h) *Cancellation*

All Notes other than VPS Notes redeemed by the Issuer or surrendered by the purchaser through the Issuer for cancellation pursuant to Condition 5(f) shall be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all

unexchanged Talons to, or to the order of, the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(i) *Approval of APRA*

Notwithstanding anything to the contrary in this Condition 5, ANZBGL may not (i) redeem any Subordinated Notes under paragraph (b), (c) or (e) above or (ii) prior to the Maturity Date purchase, or procure that any of its Related Entities purchase, any Subordinated Notes under paragraph (g) above, without the prior written approval of APRA and ANZBGL will not be permitted to redeem any Subordinated Notes unless:

- (a) the Subordinated Notes are replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Subordinated Notes is done under conditions that are sustainable for ANZBGL's income capacity; or
- (b) APRA is satisfied that ANZBGL's capital position at Level 1, Level 2 and, if applicable, Level 3 (each as defined in Condition 5E.1 below) is well above its minimum capital requirements after ANZBGL elects to redeem the Subordinated Notes.

*Subordinated Noteholders should not expect that APRA's approval will be given for any redemption or purchase of Subordinated Notes.*

**5A. Conversion or Write-Off of Subordinated Notes on Non-Viability Trigger Event**

**5A.1. Application to Subordinated Notes only**

Conditions 5A, 5B and 5C apply only to Subordinated Notes. The Schedule to these Conditions (including the defined terms therein) shall be deemed to form part of, and be incorporated in, Condition 5B.

**5A.2 Non-Viability Trigger Event**

A "Non-Viability Trigger Event" means the earlier of:

- (i) the issuance to ANZBGL of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that ANZBGL would become non-viable; or
- (ii) a determination by APRA, notified to ANZBGL in writing, that without a public sector injection of capital, or equivalent support, ANZBGL would become non-viable,

each such determination being a "Non-Viability Determination".

**5A.3 Conversion or Write-Off of Subordinated Notes on Trigger Event Date**

If a Non-Viability Trigger Event occurs:

- (i) on the Trigger Event Date, subject only to Condition 5B.5, such Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is required by the Non-Viability Determination provided that:
  - (a) where the Non-Viability Trigger Event occurs under Condition 5A.2(i) and such Non-Viability Determination does not require all Relevant Securities to be converted into Ordinary Shares or written-off, such Principal Amount of the Subordinated Notes shall Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is sufficient (determined by ANZBGL in accordance with Condition

5A.3(ii)) to satisfy APRA that ANZBGL is viable without further conversion or write-off; and

- (b) where the Non-Viability Trigger Event occurs under Condition 5A.2(ii), all the Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement);
- (ii) ANZBGL will determine the Principal Amount of Subordinated Notes which must be Converted or Written-Off (as applicable) in accordance with Condition 5A.3(i)(a), on the following basis:
- (a) first, convert into Ordinary Shares or write-off all Relevant Tier 1 Securities; and
  - (b) secondly, if conversion into Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of Condition 5A.3(i)(a) (and provided that as a result of the conversion or write-off of Relevant Tier 1 Capital Securities APRA has not withdrawn the Non-Viability Determination), Convert or Write-Off (as applicable) a Principal Amount of Subordinated Notes and convert into Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of ANZBGL, fair and reasonable (subject to such adjustment as ANZBGL may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of Ordinary Shares and the authorised denominations of the Principal Amount of any Subordinated Note or the number or principal amount of other Relevant Tier 2 Securities remaining on issue, and the need to effect the conversion immediately) and, for the purposes of this Condition 5A.3(ii)(b), where the Specified Currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, ANZBGL may treat them as if converted into a single currency of ANZBGL's choice at such rate of exchange as ANZBGL in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;

- (iii) on the Trigger Event Date, ANZBGL shall determine the Subordinated Notes or portions thereof as to which the Conversion or Write-Off (as applicable) is to take effect and in making that determination may make any decisions with respect to the identity of the Subordinated Noteholders at that time as may be necessary or desirable to ensure Conversion or Write-off (as applicable) occurs in an orderly manner, including disregarding any transfers of Subordinated Notes that have not been settled or registered at that time provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;
- (iv) ANZBGL must give notice of its determination pursuant to Condition 5A.3(iii) (a "**Trigger Event Notice**") as soon as practicable to the Subordinated Noteholders, which must specify:
  - (a) the Trigger Event Date;
  - (b) the Principal Amount of the Subordinated Notes Converted or Written-Off (as applicable); and
  - (c) the relevant number or principal amount of other Relevant Securities converted or written-off;
- (v) none of the following events shall prevent, impede or delay the Conversion or Write-Off (as applicable) of Subordinated Notes as required by Condition 5A.3(i):

- (e) in the case of Conversion only, any failure or delay in quotation of Ordinary Shares to be issued on Conversion.

If a Non-Viability Determination takes effect, ANZBGL must perform the obligations in respect of the determination immediately on the day it is received by ANZBGL, whether or not such day is a Business Day.

#### **5A.4 Conversion or Write-Off of a whole or of a portion of a Subordinated Note**

Subject to Condition 5D.2(iii)(b), in respect of any Subordinated Note which is Converted or Written-Off:

- (i) ANZBGL shall notify the Fiscal Agent (in the case of a Bearer Note) or the Registrar (in the case of a Registered Note) of the Principal Amount of such Subordinated Note that has been Converted or Written-Off (whether in whole or in part) and instruct the Fiscal Agent (in the case of a Bearer Note) or the Registrar (in the case of a Registered Note) to reflect this Conversion or Write-Off (as applicable) in any relevant form of note or certificate and the Register (as applicable) so that the Principal Amount of such Subordinated Note is reduced, in the case of a Subordinated Note Converted or Written-Off in whole, to zero, or, in the case of a Subordinated Note which is Converted or Written-Off in part, to an amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note;
- (ii) in the case of a Subordinated Note which is Converted or Written-Off only in part:
  - (a) where the date of the Conversion or Write-off is not an Interest Payment Date, the amount of interest payable in respect of that Subordinated Note on each Interest Payment Date falling after that date will be reduced and calculated on the Principal Amount of that Subordinated Note as reduced on that date;
  - (b) for the purposes of any interest calculation, the Interest Amount, the Fixed Coupon Amount, Broken Amount, the Calculation Amount and any related amount in respect of that Subordinated Note shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off;
  - (c) the Early Redemption Amount, the Final Redemption Amount, the Optional Redemption Amount, the Specified Denomination and Principal Amount or any related amount shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off; and
- (iii) if a definitive note or certificate has been issued to the relevant Subordinated Noteholder in respect of such Subordinated Note, then, if ANZBGL so requires, such Subordinated Noteholder shall surrender such definitive note or certificate to ANZBGL (or, if ANZBGL so directs, to the Registrar) and, in the case of a Subordinated Note which is Converted or Written-Off only in part, ANZBGL shall deliver to the Subordinated Noteholder, a new definitive note or certificate for a Subordinated Note with a Principal Amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note.

### **5B. Conversion of Subordinated Notes**

#### **5B.1 Conversion of Subordinated Notes on Trigger Event Date**

Unless "Write-Off Applicable" is specified in the relevant Pricing Supplement, Condition 5B shall apply to the Subordinated Notes and, notwithstanding any other provision in these Conditions, on the Trigger Event Date the relevant Principal Amount (as determined under Condition 5A.3) of the Subordinated Notes will Convert immediately and irrevocably.

On and from the Trigger Event Date, subject to Conditions 5B.5 and 5B.6(iii)(c) ANZBGL shall treat any Subordinated Noteholder of any Subordinated Note or portion thereof which is required to be Converted as the holder of the relevant number of Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion and the issuance of such Ordinary Shares.

#### **5B.2 Provision of information**

Where a Principal Amount of Subordinated Notes is required to be Converted under Condition 5B, a Subordinated Noteholder of Subordinated Notes or portion thereof that are subject to Conversion wishing to receive Ordinary Shares must, no later than the Trigger Event Date (or, in the case where Condition 5B.4(vii) applies, within 30 days of the date on which Ordinary Shares are issued upon such Conversion), have provided to ANZBGL:

- (i) its name and address (or the name and address of any person in whose name it directs the Ordinary Shares to be issued) for entry into any register of title and receipt of any certificate or holding statement in respect of any Ordinary Shares;
- (ii) the security account details of such Subordinated Noteholder in the clearing system or such other account to which the Ordinary Shares may be credited; and
- (iii) such other information as is reasonably requested by ANZBGL for the purposes of enabling it to issue the Conversion Number of Ordinary Shares to such Subordinated Noteholder,

and ANZBGL has no duty to seek or obtain such information.

#### **5B.3 Failure to Convert**

Subject to Condition 5B.4 and Condition 5B.5, if, in respect of a Conversion of Subordinated Notes, ANZBGL fails to issue, on the Trigger Event Date, the Conversion Number of Ordinary Shares in respect of the relevant Principal Amount of such Subordinated Notes to, or in accordance with the instructions of, the relevant Subordinated Noteholder on the Trigger Event Date or any other nominee where Condition 5B.4 applies, the Principal Amount of such Subordinated Notes which would otherwise be subject to Conversion shall remain on issue and outstanding until:

- (i) the Ordinary Shares are issued to, or in accordance with the instructions of, the Subordinated Noteholder of such Subordinated Notes; or
- (ii) such Subordinated Notes are Written-Off in accordance with these Conditions;

provided, that the sole right of the Subordinated Noteholder in respect of Subordinated Notes or portion thereof that are subject to Conversion is its right to be issued Ordinary Shares upon Conversion (subject to its compliance with Condition 5B.2 or to receive the proceeds from their sale pursuant to Condition 5B.4, as applicable) and the remedy of such Subordinated Noteholder in respect of ANZBGL's failure to issue the Ordinary Shares is limited (subject always to Condition 5B.5) to seeking an order for specific performance of ANZBGL's obligation to issue the Ordinary Shares to the Subordinated Noteholder or where Condition 5B.4 applies to the nominee and to receive such proceeds of sale, in each case, in accordance with the terms of the Subordinated Notes. This Condition 5B.3 does not affect the obligation of ANZBGL to issue the Ordinary Shares when required in accordance with these Conditions.

#### **5B.4 Issue to nominee**

If, in respect of a Subordinated Note and a Subordinated Noteholder of that Subordinated Note, the Subordinated Note or portion thereof is required to be Converted and:

- (i) the Subordinated Noteholder has notified ANZBGL that it does not wish to receive Ordinary Shares as a result of the Conversion (whether entirely or to the extent specified in the notice), which notice may be given at any time prior to the Trigger Event Date;
- (ii) the Subordinated Notes are held by a Subordinated Noteholder whose address in the register is a place outside Australia or who ANZBGL otherwise believes may not be a resident of Australia (a "**Foreign Holder**");

- (iii) the holder of that Subordinated Note is a Clearing System Holder;
- (iv) for any reason (whether or not due to the fault of the Subordinated Noteholder) ANZBGL has not received the information required by Condition 5B.2 prior to the Trigger Event Date and the lack of such information would prevent ANZBGL from issuing the Ordinary Shares to the Subordinated Noteholder on the Trigger Event Date; or
- (v) a FATCA Withholding is required to be made in respect of the Ordinary Shares issued on the Conversion,

then, on the Trigger Event Date:

- (vi) where Condition 5B.4(i), 5B.4(ii) or 5B.4(v) applies, ANZBGL shall issue the Ordinary Shares to the Subordinated Noteholder only to the extent (if at all) that:
  - (a) where Condition 5B.4(i) applies, the Subordinated Noteholder has notified ANZBGL that it wishes to receive them;
  - (b) where Condition 5B.4(ii) applies, ANZBGL is satisfied that the laws of both the Commonwealth of Australia and the Foreign Holder's country of residence permit the issue of Ordinary Shares to the Foreign Holder (but as to which ANZBGL is not bound to enquire), either unconditionally or after compliance with conditions which ANZBGL in its absolute discretion regards as acceptable and not unduly onerous; and
  - (c) where Condition 5B.4(v) applies, the issue is net of the FATCA Withholding;

and, to the extent ANZBGL is not obliged to issue Ordinary Shares to the Subordinated Noteholder, ANZBGL will issue the balance of the Ordinary Shares to the nominee in accordance with Condition 5B.4(vii); and

- (vii) otherwise, subject to applicable law, ANZBGL will issue the balance of Ordinary Shares in respect of the Subordinated Noteholder to a competent nominee (which may not be ANZBGL or any of its Related Entities) and will promptly notify such Subordinated Noteholder of the name of and contact information for the nominee and the number of Ordinary Shares issued to the nominee on its behalf and, subject to applicable law and:
  - (a) subject to Condition 5B.4(vii)(b), the nominee will as soon as reasonably possible and no later than 35 days after issue of the Ordinary Shares sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Subordinated Noteholder;
  - (b) where Condition 5B.4(iii) or 5B.4(iv) applies, the nominee will hold such Ordinary Shares and will transfer Ordinary Shares to such Subordinated Noteholder (or, where paragraph (iii) applies, the person for whom the Clearing System Holder holds the Subordinated Note) promptly after such Subordinated Noteholder provides the nominee with the information required to be provided by such Subordinated Noteholder under Condition 5B.2 (as if a reference in Condition 5B.2 to ANZBGL is a reference to the nominee and a reference to the issue of Ordinary Shares is a reference to the transfer of Ordinary Shares) but only where such information is provided to the nominee within 30 days of the date on which Ordinary Shares are issued to the nominee upon Conversion of such Subordinated Note and failing which the nominee will sell the Ordinary Shares and pay the proceeds to such Subordinated Noteholder in accordance with Condition 5B.4(vii)(a); and
  - (c) where Condition 5B.4(v) applies, the nominee shall deal with Ordinary Shares the subject of a FATCA Withholding and any proceeds of their disposal in accordance with FATCA;
- (viii) nothing in this Condition 5B.4 shall affect the Conversion of the Subordinated Notes of a Subordinated Noteholder who is not a person to which any of Condition 5B.4(i) to 5B.4(v) (inclusive) applies; and

- (ix) for the purposes of this Condition 5B.4, none of ANZBGL or the nominee owes any obligations or duties to the Subordinated Noteholders in relation to the price at which Ordinary Shares are sold or has any liability for any loss suffered by a Subordinated Noteholder as a result of the sale of Ordinary Shares.

**5B.5 Write-Off of Subordinated Notes if Conversion is not effected within 5 Business Days after a Trigger Event Date**

Notwithstanding any other provision of Condition 5B and provided that "Write-Off – Applicable" is not specified in the relevant Pricing Supplement, where Subordinated Notes are required to be Converted on the Trigger Event Date and Conversion of the relevant Principal Amount of the Subordinated Notes that are subject to Conversion has not been effected within five Business Days after the relevant Trigger Event Date for any reason (including an Inability Event):

- (i) the relevant Principal Amount of each Subordinated Note which, but for this Condition 5B.5, would be Converted, will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date; and
- (ii) ANZBGL shall notify the Subordinated Noteholders as promptly as practically possible that Conversion of the relevant Principal Amount of the Subordinated Notes has not occurred and that such Principal Amount of the Subordinated Notes has been Written-Off.

**5B.6 Subordinated Noteholder acknowledgements**

Each Subordinated Noteholder irrevocably:

- (i) consents to becoming a member of ANZBGL upon the Conversion of the relevant Principal Amount of Subordinated Notes as required by this Condition 5B and agrees to be bound by the constitution of ANZBGL, in each case in respect of the Ordinary Shares issued to such Subordinated Noteholder on Conversion;
- (ii) acknowledges and agrees that it is obliged to accept Ordinary Shares upon a Conversion of the Principal Amount of Subordinated Notes it holds notwithstanding anything that might otherwise affect a Conversion of such Principal Amount of Subordinated Notes including:
  - (a) any change in the financial position of ANZBGL since the issue of such Subordinated Notes;
  - (b) any disruption to the market or potential market for the Ordinary Shares or to capital markets generally; or
  - (c) any breach by ANZBGL of any obligation in connection with such Subordinated Notes;
- (iii) acknowledges and agrees that where Condition 5A.3 applies:
  - (a) there are no other conditions to a Non-Viability Trigger Event occurring as and when provided in Condition 5A.2;
  - (b) Conversion must occur immediately on the occurrence of a Non-Viability Trigger Event and that may result in disruption or failures in trading or dealings in the Subordinated Notes;
  - (c) it will not have any rights to vote in respect of any Conversion and that the Subordinated Note does not confer a right to vote at any meeting of members of ANZBGL; and
  - (d) the Ordinary Shares issued on Conversion may not be quoted at the time of issue, or at all;
- (iv) acknowledges and agrees that where Condition 5B.5 applies, no conditions or events will affect the operation of that Condition and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under that Condition and has no claim against ANZBGL arising in connection with the application of that Condition;

- (v) acknowledges and agrees that such Subordinated Noteholder has no right to request a Conversion of any Principal Amount of any Subordinated Notes or to determine whether (or in what circumstances) the Principal Amount of Subordinated Notes it holds is Converted; and
- (vi) acknowledges and agrees that none of the following shall prevent, impede or delay the Conversion or (where relevant) Write-Off of the Principal Amount of Subordinated Notes:
  - (a) any failure to or delay in the conversion or write-off of other Relevant Securities;
  - (b) any failure or delay in giving a Trigger Event Notice or other notice required by this Condition 5B;
  - (c) any failure or delay in quotation of the Ordinary Shares to be issued on Conversion;
  - (d) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 5A.4; and
  - (e) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted in accordance with Condition 5A.3(ii)(b) or 5A.3(iii).

#### **5B.7 Meaning of "Written-Off"**

For the purposes of Condition 5B, "*Written-Off*" shall mean that, in respect of a Subordinated Note or portion thereof that is otherwise subject to Conversion and a Trigger Event Date:

- (i) the Subordinated Note or portion thereof that is otherwise subject to Conversion will not be Converted on that date and will not be Converted or redeemed under these Conditions on any subsequent date; and
- (ii) with effect on and from the Trigger Event Date, the rights of the relevant Subordinated Noteholder of the Subordinated Note or portion thereof (including any right to receive any payment thereunder including payments of principal and interest both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Subordinated Note or portion thereof are immediately and irrevocably terminated and written-off; and

- (ii) Interest (which for the purpose of this Condition 6(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the 15th day before the due date for payment thereof (the "**Record Date**"). Payments of interest in respect of each Registered Note shall be made in the relevant Specified Currency by cheque drawn on a bank in the Principal Financial Centre of the country of such Specified Currency (which (A) if the Specified Currency is New Zealand dollars shall be Wellington and Auckland provided that where the London branch of ANZNIL is the Issuer (as specified in the Pricing Supplement) such account and bank shall be located outside of New Zealand, and (B) if the Specified Currency is Australian dollars, shall be Sydney and (C) if the Specified Currency is Renminbi, shall be Hong Kong), and mailed to the holder (or the first-named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph 6(a) above, such payment of interest may be made by transfer to an account in the Specified Currency maintained by the payee with a bank in the Principal Financial Centre of the country of such Specified Currency (which (x) if the Specified Currency is New Zealand dollars shall be Wellington and Auckland; provided that where the London branch of ANZNIL is the Issuer (as specified in the Pricing Supplement) such account and bank shall be located outside of New Zealand, and (y) if the Specified Currency is Australian dollars, shall be Sydney and (z) if the Specified Currency is Renminbi, shall be Hong Kong); provided, however, that in the case of euro, the transfer may be to, or the cheque drawn on, a euro account with a bank in the European Union.

*So long as the Notes are represented by a Registered Global Note, the "**Record Date**" shall be the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment where "**Clearing System Business Day**" means a day on which the relevant clearing system is open for business.*

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in US dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws*

All payments are subject in all cases to (i) any applicable fiscal or other laws regulations and directives, and (ii) any withholding or deduction made for or on account of FATCA but without prejudice to the provisions of Condition 7 (*Taxation*). No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. For the avoidance of doubt, any amounts to be paid in respect of the Notes will be paid and any Ordinary Shares to be issued to a holder on Conversion of a Subordinated Note will be issued to the holder, net of any deduction or withholding made for or on account of FATCA (a "**FATCA Withholding**") and, notwithstanding any other provision of these Conditions, no additional amounts will be required to be paid and no additional Ordinary Shares will be required to be issued on account of any such deduction or withholding. References to Specified Currency will include any successor currency under applicable law.

(e) *Appointment of Agents*

The Fiscal Agent, the other Paying Agents (if any), the Registrar, the Transfer Agents, the VPS Agent and the Calculation Agent initially appointed by the Issuer and the Guarantor and their respective specified offices are listed below. The Fiscal Agent, the other Paying Agents (if any), the Registrar, Transfer Agents, the VPS Agent and the Calculation Agent act solely as agents of the Issuer and, if applicable, the Guarantor and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer and, if applicable, the Guarantor reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar, any Transfer Agent, the VPS Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer and, if applicable, the Guarantor shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes (including a Transfer Agent having its specified office in London so long as any Registered Notes are listed on the Official List of the UK Financial Conduct Authority and admitted to trading on the London Stock Exchange), (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities (including London so long as the Notes are listed on the Official List of the UK Financial Conduct Authority and admitted to trading on the London Stock Exchange), (vi) such other agents as may be required by the rules of any other listing authority, stock exchange and/or quotation system on which the Notes may be admitted to listing, trading and/or quotation (vii) as long as any Notes are held in CMU Service, there will at all times be appointed a CMU lodging agent (the "**CMU Lodging Agent**") and a paying agent with a specified office in such place as required by the CMU Service (the "**CMU Paying Agent**") and (viii) a VPS Agent authorised to act as an account holding institution with the VPS and one or more Calculation Agent(s) where the Terms and Conditions of the relevant VPS Notes so require.

In addition, the Issuer and, if applicable, the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in US dollars in the circumstances described in Condition 6(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14 (*Notices*).

(f) *Unmatured Coupons and Receipts and Unexchanged Talons*

- (i) In the case of Fixed Rate Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8 (*Prescription*)).
- (ii) In the case of Floating Rate Notes or Range Accrual Notes, unless the Pricing Supplement provides otherwise, upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note which is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note which provides that the relative Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and any unexpired Talon relating to it, and where any Bearer Note is presented for redemption without any unexpired Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.

- (vi) If the due date for redemption of any Notes is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Note or Certificate representing it, as the case may be. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8 (*Prescription*)).

(h) *Non-Business Days*

Subject in the case of any Subordinated Notes to the Schedule to these Conditions, if any date for payment in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder shall not be entitled to payment until (i) if "Following" is specified as the Payment Business Day Convention in the applicable Pricing Supplement, the next following Payment Business Day or (ii), if "Modified Following" is specified as the Payment Business Day Convention in the applicable Pricing Supplement, the next following Payment Business Day unless that Payment Business Day falls in the next calendar month, in which case the first preceding Payment Business Day. In this paragraph, "**Payment Business Day**" means a day (other than a Saturday or a Sunday) on which:

- (i) commercial banks and foreign exchange markets settle payments generally in such jurisdictions as shall be specified as "**Additional Financial Centres**" in the Pricing Supplement, in London and Sydney where ANZBGL is the Issuer, in London, Auckland and Wellington where ANZ New Zealand or ANZNIL is the Issuer and, where relevant, in the relevant place of presentation; and
- (ii) (in the case of a payment in a currency other than euro or Australian dollars where ANZBGL is the Issuer, or New Zealand dollars where ANZ New Zealand or, as the case may be, ANZNIL is the Issuer, where payment is to be made by transfer in the relevant currency to an account maintained with a bank) foreign exchange transactions may be carried on in the relevant currency in the Principal Financial Centre of the country of such currency; or
- (iii) (in the case of a payment in euro) banks are open for business and carrying out transactions in euro in the jurisdiction in which the account specified by the payee is located and a day on which the TARGET2 System is open, unless otherwise specified in the Pricing Supplement.

(i) *Euro and Redenomination*

References to euro are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to Article 123 of the Treaty.

Unless otherwise specified in the Pricing Supplement, Notes denominated in the currency (the "**Relevant Currency**") of a Member State that does not participate in the third stage of European economic and monetary union prior to the Issue Date of the relevant Notes may, at the election of the Issuer, be subject to redenomination in the manner set out below. In relation to such Notes the Issuer may, without the consent of the Noteholders or Couponholders, on giving at least 30 days' prior notice to Noteholders, the Fiscal Agent and each of the Paying Agents and Transfer Agents, designate a "**Redenomination Date**" for the Notes, being a date for payment of interest under the Notes falling on or after the date on which the relevant Member State commences participation in such third stage.

With effect from the Redenomination Date, notwithstanding the other provisions of the Conditions:

- (i) the Notes shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated in euro in the denomination of euro 0.01 with a principal amount for each Note equal to the principal amount of that Note in the Relevant Currency, converted into euro at the rate for conversion of the Relevant Currency into euro established by the Council of the European Union pursuant to the Treaty (including compliance with rules relating to rounding in

accordance with European Community regulations) provided that, if the Issuer determines that the then market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, any listing authority, stock exchange and/or quotation system on which the Notes may be listed, the Fiscal Agent and each of the Paying Agents and Transfer Agents of such deemed amendment;

- (ii) if Notes in definitive form are required to be issued, they shall be issued at the expense of the Issuer in the denominations of euro 0.01, euro 1,000, euro 10,000, euro 100,000 and such other denominations as the Fiscal Agent shall determine and notify to Noteholders;
- (iii) if Notes in definitive form have been issued, all unmatured Receipts and Coupons denominated in the Relevant Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives the notice (the "**Exchange Notice**") that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New certificates in respect of euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Relevant Currency in such manner as the Fiscal Agent may specify and as shall be specified to Noteholders in the Exchange Notice;
- (iv) all payments in respect of the Notes (other than, unless the Redenomination Date is on or after such date as the Relevant Currency ceases to be a subdivision of the euro, payments of interest in respect of periods commencing before the Redenomination Date) will be made solely in euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or by cheque; and
- (v) the amount of interest in respect of Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Receipts or Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01.

In connection with such redenomination, the Issuer may, after consultation with the Fiscal Agent, make such other changes to the Conditions applicable to the relevant Notes as it may decide so as to conform them to the then market practice in respect of euro-denominated debt securities issued in the euromarkets which are held in international clearing systems. Any such changes will not take effect until the next following Interest Payment Date after they have been notified to the Noteholders in accordance with Condition 14 (*Notices*).

(j) *Payment of US Dollar Equivalent in respect of CNY Notes*

Notwithstanding the foregoing, if by reason of Inconvertibility, Non transferability or Illiquidity, the Issuer is not able to satisfy payments of principal or interest in respect of any Notes which are denominated in Renminbi ("**CNY Notes**") when due in Renminbi in Hong Kong, the Issuer may, on giving not less than five or more than 30 calendar days' irrevocable notice to the Noteholders prior to the due date for payment, settle any such payment in US dollars on the due date at the US Dollar Equivalent of any such Renminbi-denominated amount.

For the purposes of these Conditions, "**US Dollar Equivalent**" means the Renminbi amount converted into US dollars using the Spot Rate for the relevant Determination Date.

For this purpose:

"**CNY**" means the lawful currency of the PRC;

"**Determination Business Day**" means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, Beijing, London and in New York City;

**"Determination Date"** means the day which is two Determination Business Days before the due date for any payment of the relevant amount under these Conditions;

**"Governmental Authority"** means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong;

**"HKMA"** means the Hong Kong Monetary Authority, the government authority in Hong Kong with responsibility for maintaining currency and banking stability, or any lawful successor thereto;

**"Hong Kong"** means the Hong Kong Special Administrative Region of the PRC;

**"Illiquidity"** means that the general Renminbi exchange market in Hong Kong has become illiquid and, as a result of which, the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to pay interest and principal (in whole or in part) in respect of the CNY Notes, as determined by the Issuer in good faith and in a commercially reasonable manner following consultation (if practicable) with two Renminbi Dealers;

**"Inconvertibility"** means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of the CNY Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after 8 August 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation);

**"Non transferability"** means the occurrence of any event that makes it impossible for the Issuer to transfer Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong or from an account outside Hong Kong to an account inside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after 8 August 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation);

**"PRC"** means the People's Republic of China which, for the purpose of these Conditions, shall exclude Hong Kong, the Macau Special Administrative Region of the People's Republic of China and Taiwan;

If neither rate is available, the Calculation Agent will determine the Spot Rate at or around 11.00 a.m. (Hong Kong time) on the Determination Date as the most recently available CNY/US dollar official fixing rate for settlement in two Determination Business Days reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC.

(k) *Payment of US Dollar equivalent in respect of Exotic Currencies*

If Exotic Currency Payments is specified to be applicable in the relevant Pricing Supplement then, in the event that the Issuer is due to make a payment in an Exotic Currency in respect of any Note and the Exotic Currency is not available or it is impracticable to make the payment in the Exotic Currency due to circumstances beyond the Issuer's control as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner, the Issuer will be entitled to satisfy in full its obligations in respect of such payment by making payment as soon as practicable in US dollars on the basis of the spot exchange rate of US dollars against the Exotic Currency offered in the London foreign exchange market as determined by the Calculation Agent referencing the Exotic Currency Reuters Screen Page at or around the Exotic Currency Relevant Time on the fifth London Business Day prior to such payment or,

if such rate is not available on that day, the Calculation Agent will reference the rate most recently available prior to such day.

Any payment made in US dollars in accordance with the foregoing paragraph will not constitute an Event of Default (as defined in Condition 9 (*Events of Default*)). The communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained by the Calculation Agent hereunder shall be at its sole discretion and shall (in the absence of manifest error, wilful default or bad faith) be conclusive for all purposes and binding on the Issuer, the Paying Agents, and the holders of the Notes or Coupons.

For this purpose:

**"Exotic Currency"** means the Specified Currency, being either Mexican peso, Turkish lira or South African rand, as specified in the Pricing Supplement.

**"Exotic Currency Relevant Time"** means the time specified in the Pricing Supplement.

**"Exotic Currency Reuters Screen Page"** means the Reuters screen page specified in the Pricing Supplement.

**"London Business Day"** means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments generally in London.

(l) *VPS Notes*

Payments of principal and interest in respect of VPS Notes shall be made to the holders shown in the relevant records of the VPS in accordance with and subject to the VPS Act and the rules and regulations from time to time governing the VPS.

(m) *Discretion of Calculation Agent*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6 (*Payments and Talons*) by the Calculation Agent will (in the absence of a manifest error) be binding on the Issuer, the Paying Agents and the holders of the Notes or Coupons and (in the absence of negligence, wilful default, bad faith or fraud) no liability to any such person shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers and duties for such purposes.

## 7. **Taxation**

(a) *Withholding Tax*

Subject as provided below, all payments of principal and interest in respect of the Notes, the Receipts and the Coupons by or on behalf of the Issuer or, if applicable, the Guarantor shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the jurisdiction of incorporation of the Issuer and/or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located or, if applicable, the jurisdiction of incorporation of the Guarantor or by any authority therein or thereof having power to tax (together, "**Taxes**"), unless such withholding or deduction is required by law or made for or on account of FATCA. Any amounts withheld pursuant to an agreement with a taxing authority will be treated as required by law. In that event, the Issuer or (as the case may be) the Guarantor shall pay such additional amounts to the Noteholders, Couponholders and Receiptholders as shall result in receipt by those Noteholders, Couponholders and Receiptholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment by or on behalf of a holder which is liable to such Taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of its having some connection with the jurisdiction of incorporation of the Issuer or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory

in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor, other than the mere holding of such Note, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or

- (ii) where ANZBGL is the Issuer, held by or on behalf of a holder who is an Australian resident or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details; or
- (iii) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the 30<sup>th</sup> such day; or
- (iv) in respect of which the holder thereof is an Offshore Associate of ANZBGL (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act), where ANZBGL is the Issuer; or
- (v) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which ANZBGL, where ANZBGL is the Issuer, was neither a party to nor participated in; or
- (vi) in respect of Bearer Notes only, if the holder of such Note, Receipt or Coupon or any entity which directly or indirectly has an interest in or right in respect of such Note, Receipt or Coupon is a resident of Australia, or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions "**resident of Australia**", "**non-resident**" and "**permanent establishment**" having the meanings given to them by the Australian Tax Act) if, and to the extent that, section 126 of the Australian Tax Act (or any equivalent provisions) requires ANZBGL, where ANZBGL is the Issuer, to pay income tax in respect of interest payable on such Note, Receipt or Coupon and the income tax would not be payable were the holder or such entity not such a resident of Australia or non-resident; or
- (vii) where such withholding or deduction is for or on account of New Zealand resident withholding tax, where either ANZ New Zealand or ANZNIL is the Issuer or ANZ New Zealand is the Guarantor; or
- (viii) presented for payment by, or a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in New Zealand, unless the holder proves that he is not entitled so to comply or to make such declaration or claim, where either ANZ New Zealand or ANZNIL is the Issuer or ANZ New Zealand is the Guarantor; or
- (ix) presented for payment by, or a third party on behalf of, a holder that is a partnership, or a holder that is not the sole beneficial owner of the Note, Receipt or Coupon, or which holds the Note, Receipt or Coupon, in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or
- (x) presented for payment in New Zealand, where either ANZ New Zealand or ANZNIL is the Issuer or ANZ New Zealand is the Guarantor; or
- (xi) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which either ANZ New Zealand or ANZNIL, where ANZ New Zealand or ANZNIL is the Issuer, or ANZ New Zealand, where ANZ New Zealand is the Guarantor, was neither a party to nor participated in; or
- (xii) where such withholding or deduction is made for or on account of FATCA on payments to a Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or

control over a payment made by the Issuer, Guarantor or any agent in the chain of payment, including due to the failure of the Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or control over a payment to comply with any requests for tax certifications or other identifying information regarding such Noteholder, Couponholder, Receiptholder, beneficial owner, or agent, or due to the failure to provide a waiver of any laws prohibiting the disclosure of such certifications, identifying information and other information in respect of the Notes to a taxing authority.

As used in these Conditions, "**Relevant Date**" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "**principal**" shall be deemed to include all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (*Redemption, Purchase and Options*) or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 (*Interest and other Calculations*) or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or substitution for it under the Agency Agreement or, in respect of the VPS Notes, the VPS Agency Agreement and the VPS Trustee Agreement. Any additional amounts due in respect of the Subordinated Notes will be subordinated in right of payment as described in Condition 10 (*Subordination*).

The remaining provisions of this Condition only apply to ANZNIL where ANZNIL is the Issuer and to ANZ New Zealand where ANZ New Zealand is the Issuer or the Guarantor. Where used in the remaining provisions of this Condition, "**interest**" means interest (as defined under New Zealand taxation legislation) for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note as well as coupon interest paid on such Note.

Where (i) ANZNIL is the Issuer or (ii) ANZ New Zealand is the Issuer or the Guarantor, and ANZ New Zealand or ANZNIL, as the case may be, is required to deduct New Zealand non-resident withholding tax in the case of any payments of interest to a holder of a Note or Coupon, ANZ New Zealand or ANZNIL, as the case may be, may, and intend to (for so long as they do not incur any increased cost or detriment from so doing), relieve themselves of such obligation by using a procedure which permits borrowers such as ANZ New Zealand or ANZNIL, as the case may be, to reduce the applicable rate of non-resident withholding tax to zero per cent. Under the current law, that procedure involves ANZ New Zealand or ANZNIL, as the case may be, paying on their own respective accounts a levy to the New Zealand revenue authorities (which is currently equal to two per cent. of such payments of interest).

ANZ New Zealand and ANZNIL are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, where:

- (A) the Holder is (i) a resident of New Zealand for New Zealand income tax purposes, or (ii) the Holder holds the notes for the purposes of a business the Holder carries on in New Zealand, through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand) in New Zealand, or (iii) the Holder is a registered bank engaged in business in New Zealand through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand)) in New Zealand and is not associated with ANZ New Zealand or ANZNIL (as applicable) (each a "**New Zealand Holder**"); and
- (B) at the time of such payment the New Zealand Holder does not hold "RWT-exempt status" (as defined in the Income Tax Act 2007 (New Zealand)) in respect of New Zealand resident withholding tax.

Prior to any Interest Payment Date or the Maturity Date, any New Zealand Holder:

- (A) must notify ANZ New Zealand or ANZNIL, as the case may be, that the New Zealand Holder is the holder of a Note; and
- (B) must notify ANZ New Zealand or ANZNIL, as the case may be, of any circumstances, and provide ANZ New Zealand or ANZNIL, as the case may be, with any information that may enable ANZ New Zealand or ANZNIL, as the case may be, to make payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

The New Zealand Holder must notify ANZ New Zealand or ANZNIL, as the case may be, prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the payment or withholding obligations of ANZ New Zealand or ANZNIL, as the case may be, in respect of this Note. By accepting payment of the full face amount of a Note or any interest thereon on any Interest Payment Date or the Maturity Date, the New Zealand Holder indemnifies ANZ New Zealand or ANZNIL, as the case may be, for all purposes in respect of any liability ANZ New Zealand or ANZNIL, as the case may be, may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Only a New Zealand Holder will be obliged to make the notification referred to above.

(b) *Taxing Jurisdiction*

If the Issuer or, if applicable, the Guarantor is, or becomes, subject at any time to any taxing jurisdiction(s) other than or in addition to its own jurisdiction of incorporation or the jurisdiction, country or territory in which the branch (if any) specified in the relevant Pricing Supplement is located, references in Condition 5(b) and this Condition 7 shall be read and construed as including references to such other taxing jurisdiction(s).

8. **Prescription**

Claims against the Issuer and, if applicable, the Guarantor for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9. **Events of Default**

(a) *Unsubordinated Notes*

If any of the following events ("**Events of Default**") occurs and is continuing, the holder of any Unsubordinated Note of any Series issued by the Issuer (or, in the case of VPS Notes, the VPS Trustee) may give written notice to the Fiscal Agent at its specified office that such Unsubordinated Note is immediately repayable, whereupon it shall immediately become due and repayable at its Early Redemption Amount together with accrued interest to the date of payment unless, prior to the date that such written notice is received by the Fiscal Agent, the Issuer and/or, if applicable, the Guarantor shall have cured or otherwise made good all Events of Default in respect of the Unsubordinated Notes of such Series:

- (i) default is made in the payment of any principal or Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount, Instalment Amount or Amortised Face Amount (in the case of a Zero Coupon Note) (whether becoming due upon redemption or otherwise) or interest when due, in respect of any Unsubordinated Note of such Series, and such default continues for a period of seven days; or
- (ii) the Issuer fails to perform or observe any of its obligations under any Unsubordinated Note of such Series or, if applicable, the Guarantor fails to perform or observe any of its obligations under the Deed of Guarantee, in either case other than those specified in paragraph (i) above and in such case (except where such failure is incapable of remedy) such failure continues for a period of 30 days next following the service by any holder of any Unsubordinated Note of such Series (or, in the case of VPS Notes, the VPS Trustee) on the Issuer, the Guarantor (if applicable) and the Fiscal Agent of written notice requiring the same to be remedied; or

- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of the Issuer's or, if applicable, the Guarantor's country of incorporation or, if applicable, the laws of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located, a resolution is passed that the Issuer or, as the case may be, the Guarantor be wound up or dissolved; or
- (iv) the Issuer or, if applicable, the Guarantor stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer or, if applicable, the Guarantor and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer or, as the case may be, the Guarantor of its obligations under the Unsubordinated Notes of such Series or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer or, as the case may be, the Guarantor which would materially prejudice the performance of (i) the Issuer of its obligations under the Unsubordinated Notes of such Series or, (ii) if applicable, the Guarantor of its obligations under the Deed of Guarantee, and in each case is not discharged within 60 days thereof; or
- (vi) proceedings shall have been initiated against the Issuer or, if applicable, the Guarantor under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (vii) the Issuer or, if applicable, the Guarantor shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of the country of the Issuer's or, if applicable, the Guarantor's incorporation or, if applicable, the laws of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Pricing Supplement is located), and such proceedings would materially prejudice the performance by (A) the Issuer of its obligations under the Unsubordinated Notes of such Series or (B), if applicable, the Guarantor of its obligations under the Deed of Guarantee); or
- (viii) in respect of Notes issued by ANZNIL only, the Deed of Guarantee of the Notes is (A) not in full force and effect and, where capable of remedy, the Deed of Guarantee is not in full force and effect within seven days of the date the defect is first discovered or (B) claimed by the Guarantor not to be in full force and effect.

Any such notice by a holder of Unsubordinated Notes (or, in the case of VPS Notes, the VPS Trustee) to the Fiscal Agent shall specify the serial number(s) of the Unsubordinated Notes concerned.

Notwithstanding any other provision of this Condition 9(a) no Event of Default in respect of any Unsubordinated Notes shall occur solely on account of any failure by ANZBGL to perform or observe its obligations in relation to, or the taking of any process or proceeding in respect of any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (as defined by APRA from time to time).

(b) *Subordinated Notes Issued by ANZBGL*

The following are "**Events of Default**" with respect to Subordinated Notes:

- (i)
  - (a) the making of an order by a court of the State of Victoria, Commonwealth of Australia or a court with appellate jurisdiction from such court which is not successfully appealed or permanently stayed within 60 days of the entry of such order; or
  - (b) the valid adoption by ANZBGL's shareholders of an effective resolution,
    - in each case for the winding-up of ANZBGL (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency);
- (ii) subject to Condition 4(v):

- (a) default in the payment of interest on any Subordinated Note when due, continued for 30 days; or
- (b) default in the payment of principal of any Subordinated Note when due.

Upon the occurrence of an Event of Default specified in paragraph (i) above, subject to the subordination provisions, the Principal Amount of, and all accrued and unpaid interest, on the Subordinated Notes will automatically become due and payable.

If an Event of Default contemplated by paragraph (ii) above with respect to any of the Subordinated Notes occurs and is continuing, a Subordinated Noteholder may only, in order to enforce the obligations of ANZBGL under such Subordinated Notes:

- (y) notwithstanding the provisions of paragraph (z) below, institute proceedings in the State of Victoria, Commonwealth of Australia (but not elsewhere) for the winding-up of ANZBGL (all subject to, and in accordance with, the terms of Condition 10 (*Subordination*)); or
- (z) institute proceedings for recovery of the money then due, provided that ANZBGL will not, by virtue of the institution of any such proceedings (other than proceedings for the winding-up of ANZBGL), be obliged to pay any sums representing principal or interest in respect of such Subordinated Notes sooner than the same would otherwise have been payable by it and provided that ANZBGL is Solvent at the time of, and will be Solvent immediately after, the making of any such payment.

No remedy against ANZBGL, other than those referred to in this paragraph (b), shall be available to the Subordinated Noteholders or Couponholders or Receiptholders in respect of Subordinated Notes, whether for the recovery of amounts owing in respect of the Subordinated Notes or in respect of any breach by ANZBGL of any of its other obligations under or in respect of the Subordinated Notes.

#### 10. Subordination

In the event of the winding-up of ANZBGL constituting an Event of Default with respect to the Subordinated Notes, there shall be payable with respect to the Subordinated Notes, subject to the subordination provisions discussed above (see Condition 3 (*Status and Guarantee*)), an amount equal to the Principal Amount of the Subordinated Notes then outstanding, together with all accrued and unpaid interest thereon to the repayment date.

As a result of the subordination provisions, no amount will be payable in the winding-up of ANZBGL in Australia in respect of the Subordinated Notes until all claims of Senior Creditors admitted in the winding-up proceeding have been satisfied in full. By subscription for, or transfer of, Subordinated Notes to a Noteholder, that Subordinated Noteholder will be taken to have agreed that no amount in respect of the Subordinated Notes will be repaid until all the claims of the Senior Creditors admitted in the winding-up proceeding have been satisfied accordingly. Accordingly, if proceedings with respect to the winding-up of ANZBGL in Australia were to occur, the Subordinated Noteholders could recover less relatively than the holders of deposit liabilities or protected accounts, the Unsubordinated Noteholders, the holders of prior ranking subordinated liabilities of ANZBGL. For the avoidance of doubt, the Subordinated Notes do not constitute deposit liabilities or protected accounts of ANZBGL.

If, in any such winding-up, the amount payable with respect to the Subordinated Notes and any claims ranking equally with those Subordinated Notes cannot be paid in full, those Subordinated Notes and other claims ranking equally with those Subordinated Notes will share relatively in any distribution of ANZBGL's assets in a winding-up in proportion to the respective amounts to which they are entitled. To the extent that Subordinated Noteholders are entitled to any recovery with respect to the Subordinated Notes in any winding-up, such Subordinated Noteholders might not be entitled in such proceedings to a recovery in the Specified Currency in respect of such Subordinated Notes (if other than Australian dollars) and might be entitled only to a recovery in Australian dollars.

## 11. Meeting of Noteholders, Modifications and Waiver

### (a) *Meetings of Noteholders – other than VPS Notes*

The Agency Agreement contains provisions for convening meetings of Noteholders of a Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification or amendment of any of these Conditions. The quorum for any meeting of Noteholders shall be two or more persons holding or representing in the aggregate a clear majority in Principal Amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the Principal Amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes or the obligation of the Issuer to pay additional amounts pursuant to Condition 7 (*Taxation*), (ii) to reduce or cancel the Principal Amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is set out in the Pricing Supplement, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or Specified Denomination of the Notes, (vii) to take any steps that as specified in the Pricing Supplement may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, or (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum at any adjourned meeting shall be two or more persons holding or representing in the aggregate not less than one-third in Principal Amount of the Notes for the time being outstanding. However, the prior written approval of APRA is required to modify, amend or supplement the terms of any Series of Subordinated Notes, or to give any consents or waivers or take other actions in respect of any Series of Subordinated Notes, where such modification, amendment, supplement, consent, waiver or other action may affect the eligibility of the Subordinated Notes as Tier 2 Capital. Any resolution duly passed (including an Extraordinary Resolution) shall be binding on all Noteholders of the relevant Series (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders of the relevant Series. The expression "**Extraordinary Resolution**" means a resolution passed at a meeting of Noteholders duly convened by a majority consisting of not less than three-quarters of the votes cast. All other resolutions, except for written resolutions, shall be passed at a meeting of Noteholders duly convened by a clear majority of the votes cast.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

### (b) *Modification of the Agency Agreement, Deed of Covenant, Deed of Guarantee, Conditions and Pricing Supplement*

The Agency Agreement, the Deed of Covenant, the Deed of Guarantee, the Conditions and any applicable Pricing Supplement may be modified or amended by the Issuer and, in the case of the Deed of Guarantee, by ANZNIL and the Guarantor, in each case without the consent of the holders if, in the reasonable opinion of the Issuer (and in the case of the Deed of Guarantee, ANZNIL and the Guarantor), the modification or amendment is:

- (a) not materially prejudicial to the interests of the holders;
- (b) of a formal, minor or technical nature;
- (c) made to correct any manifest or proven error or omission;
- (d) made to comply with mandatory provisions of the law; or
- (e) made to cure, correct or supplement any defective provision or ambiguity,

provided that any such modification or amendment to the Agency Agreement, the Deed of Covenant, the Conditions and the Pricing Supplement which may affect the eligibility of Subordinated Notes as Tier 2 Capital has the prior written approval of APRA.

Any such modification or amendment shall be binding on the holders and any such modification or amendment shall be notified to the holders in accordance with Condition 14 as soon as practicable thereafter.

(c) *VPS Notes*

The VPS Trustee Agreement contains provisions for convening meetings of the holders of VPS Notes (including meetings to be held by written (or electronic) solution for decision making) to consider any matter affecting their interests, including sanctioning by a majority of votes (as more fully set out in the VPS Trustee Agreement) a modification of the VPS Notes or any of the provisions of the VPS Trustee Agreement (or, in certain cases, sanctioning by a majority of two thirds of votes). Such a meeting may be convened by the Issuer, the VPS Trustee, by the holders of not less than 10 per cent. of the Voting VPS Notes or, if the VPS Notes are listed, by the relevant securities exchange/market place. For the purpose of this Condition, "Voting VPS Notes" means the aggregate nominal amount of the total number of VPS Notes not redeemed or otherwise discharged, less the VPS Notes owned by the Issuer, any party who has decisive influence over the Issuer or any party over whom the Issuer has decisive influence.

The quorum at a meeting for passing a resolution is one or more persons holding at least one half of the Voting VPS Notes or at any adjourned meeting one or more persons being or representing holders of Voting VPS Notes whatever the nominal amount of the VPS Notes so held or represented. A resolution passed at any meeting of the holders of VPS Notes shall be binding on all the holders, whether or not they are present at such meeting.

The VPS Trustee Agreement provides that:

- (i) the VPS Trustee may in certain circumstances, without the consent of the holders of the VPS Notes, make decisions binding on all holders relating to the Terms and Conditions of the relevant VPS Notes and the VPS Trustee Agreement, including amendments which are not, in the VPS Trustee's opinion, detrimental to the rights and benefits of the affected holders of the VPS Notes; and
- (ii) the VPS Trustee may reach other decisions binding for all holders of VPS Notes.

**12. Replacement of Notes, Certificates, Receipts, Coupons and Talons**

If a Note other than a VPS Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and listing authority, stock exchange and/or quotation system regulations, at the specified office of the Fiscal Agent (in case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

**13. Further Issues**

Any Issuer may (and, in the instance of an issue of Subordinated Notes by ANZBGL, if ANZBGL has obtained the prior approval of APRA) from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single Series with the outstanding securities of any Series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. Notes of more than one Series may be consolidated into one Series denominated in euro, even if one or more such

Series was not originally denominated in euro, provided all such Series have been redenominated into euro and otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Notes.

#### 14. Notices

##### (a) *Notes other than VPS Notes*

Notices to the holders of Registered Notes shall be (a) mailed to them (or, in the case of joint holders, to the first named) at their respective addresses in the Register and (b) published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ New Zealand and ANZNIL.

Notices to the holders of Registered Notes shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the later of the date of mailing and the date of first publication online.

Notices to the holders of Bearer Notes shall be, save where another means of effective communication has been specified herein or in the Pricing Supplement, published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ New Zealand and ANZNIL.

Notices to the holders of Bearer Notes shall be deemed to have been given on the date of first publication online. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 14.

Notices to holders of all Notes which have been listed, admitted to trading on any stock exchange or listed on a quotation system will also be given in such manner and in such place as may be required by the rules and regulations of such listing authority stock exchange and/or quotation system.

##### (b) *VPS Notes*

Notices to holders of VPS Notes shall be valid if the relevant notice is given to the VPS for communication by it to the holders and, so long as the VPS Notes are listed on a stock exchange, the Issuer shall ensure that notices are duly published in a manner which complies with the rules of such exchange. Any such notice shall be deemed to have been given to the holders of the VPS Notes on the date of delivery of such notice by the VPS.

#### 15. Currency Indemnity

If any sum due from the Issuer in respect of the Notes, Receipts or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, Receipts or Coupons, the Issuer shall indemnify each holder, on the written demand of such holder addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such holder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof. For the purposes of this Condition 15, it shall be sufficient for the Noteholder, Receiptholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder, Receiptholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof

for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

## 16. **Governing Law, Jurisdiction and Service of Process**

### (a) *Governing Law*

The Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law, except for: (i) the subordination, Conversion and Write-Off provisions of the Subordinated Notes (including, without limitation, the provisions contained in Conditions 3(b), 4(v), 5A, 5B, 5C, 5D, 5E, 9(b) and 10 (*Subordination*)) which will be governed by, and construed in accordance with, the laws of the State of Victoria and the Commonwealth of Australia; and (ii) the registration of VPS Notes in the VPS as well as the recording and transfer of ownership to, and other interests in, VPS Notes and Condition 11(c) which will be governed by, and construed in accordance with, Norwegian law. The VPS Trustee Agreement is and the VPS Agency Agreement will be governed by, and construed in accordance with, Norwegian law.

VPS Notes must comply with the relevant regulations of the VPS and the holders of VPS Notes will be entitled to the rights and are subject to the obligations and liabilities which arise under the relevant Norwegian regulations and legislation.

### (b) *Jurisdiction*

The Issuer agrees for the benefit of the holders of Notes, Receipts, Coupons and Talons that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Notes and all matters connected with the Notes, Receipts, Coupons and Talons (including a dispute relating to any non-contractual obligation arising out of or in connection with them) (respectively, "**Proceedings**" and "**Disputes**") and, for such purposes, irrevocably submits to the jurisdiction of such courts.

### (c) *Appropriate Forum*

The Issuer irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.

### (d) *Service of Process*

The Issuer agrees that the process by which any Proceedings in England are begun may be served on it by being delivered to the officer in charge of the London Branch of Australia and New Zealand Banking Group Limited at 40 Bank Street, Canary Wharf, London E14 5EJ. If such person is not or ceases to be effectively appointed to accept service of process on the Issuer's behalf, the Issuer shall appoint a further person in England to accept service of process on the Issuer's behalf and, failing such appointment, within 15 days, any Noteholder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any holder of Notes, Receipts, Coupons or Talons to serve process in any other manner permitted by law.

### (e) *Non-exclusivity*

The submission to the jurisdiction of the courts of England shall not (and shall not be construed so as to) limit the right of any holder of Notes, Receipts, Coupons or Talons to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

### (f) *Consent to Enforcement etc.*

Subject to Condition 10 (*Subordination*), the Issuer consents generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without

limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

**17. Third Parties**

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

## SCHEDULE TO THE TERMS AND CONDITIONS OF THE NON PR NOTES

### 1. Conversion

If ANZBGL must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions, then, subject to this Schedule and Condition 5D.2 and unless the Pricing Supplement specifies that the Alternative Conversion Number applies, the following provisions apply:

- (a) ANZBGL will allot and issue on the Trigger Event Date a number of Ordinary Shares in respect of the Principal Amount of that Subordinated Note equal to the Conversion Number, where the Conversion Number (but subject to the Conversion Number being no more than the Maximum Conversion Number) is a number calculated according to the following formula:

$$\text{Conversion Number} = \frac{\text{Principal Amount}}{((1 - CD) \times VWAP)}$$

where:

"CD" means the conversion discount specified in the applicable Pricing Supplement;

"VWAP" (expressed in dollars and cents or equivalent in the case of a Specified Currency other than Australian dollars) means the VWAP during the VWAP Period and where the "Maximum Conversion Number" means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Principal Amount}}{\text{Issue Date VWAP} \times 0.2}$$

- (b) on the Trigger Event Date the rights of each Subordinated Noteholder (including to payment of interest with respect to such Principal Amount, both in the future and as accrued but unpaid as at the Trigger Event Date) in relation to each Subordinated Note or portion thereof that is being Converted will be immediately and irrevocably terminated for an amount equal to the Principal Amount of that Subordinated Note that is being Converted and ANZBGL will apply that Principal Amount by way of payment for subscription for the Ordinary Shares to be allotted and issued under Section 1(a) of this Schedule. Each Subordinated Noteholder is taken to have irrevocably directed that any amount payable under Section 1 of this Schedule is to be applied as provided for in Section 1 of this Schedule and no Subordinated Noteholder has any right to payment in any other way;
- (c) any calculation under Section 1(a) of this Schedule shall be, unless the context requires otherwise, be rounded to four decimal places provided that if the total number of additional Ordinary Shares to be allotted to a Subordinated Noteholder in respect of the aggregate Principal Amount of the Subordinated Notes it holds which is being Converted includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded; and
- (d) the rights attaching to Ordinary Shares issued as a result of Conversion do not take effect until 5.00pm (Melbourne, Australia time) on the Trigger Event Date (unless another time is required for Conversion on that date). At that time all other rights conferred or restrictions imposed on that Subordinated Note under the Conditions will no longer have effect to the extent of the Principal Amount of that Subordinated Note being Converted (except for the right to receive the Ordinary Shares as set forth in Section 1 of this Schedule and Condition 5B and except for rights relating to interest which is payable but has not been paid on or before the Trigger Event Date which will continue).

### 2. Adjustments to VWAP

For the purposes of calculating VWAP in the Conditions:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as cum dividend or cum any other distribution or entitlement and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares after the date those Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount ("**Cum Value**") equal to:
- (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
  - (ii) (in the case of any other entitlement that is not a dividend or other distribution under Section 2(a)(i) of this Schedule which is traded on the Australian Securities Exchange on any of those Business Days), the volume weighted average sale price of all such entitlements sold on the Australian Securities Exchange during the VWAP Period on the Business Days on which those entitlements were traded; or
  - (iii) (in the case of any other entitlement which is not traded on the Australian Securities Exchange during the VWAP Period), the value of the entitlement as reasonably determined by the directors of ANZBGL; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted on the Australian Securities Exchange as ex dividend or ex any other distribution or entitlement, and the relevant Principal Amount of Subordinated Notes will Convert into Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

### 3. **Adjustments to VWAP for divisions and similar transactions**

- (a) Where during the relevant VWAP Period there is a change in the number of the Ordinary Shares on issue as a result of a division, consolidation or reclassification of ANZBGL's share capital (not involving any cash payment or other distribution (or compensation) to or by holders of Ordinary Shares) (a "**Reorganisation**"), in calculating the VWAP for that VWAP Period the daily VWAP applicable on each day in the relevant VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reorganisation basis shall be adjusted by multiplying such daily VWAP by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

B means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by ANZBGL in accordance with Section 3(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly. Any such adjustment must be promptly notified to all Subordinated Noteholders.

### 4. **Adjustments to Issue Date VWAP**

For the purposes of determining the Issue Date VWAP, corresponding adjustments to VWAP will be made in accordance with Section 2 and Section 3 of this Schedule during the 20 Business Day period

over which VWAP is calculated for the purposes of determining the Issue Date VWAP. On and from the Issue Date adjustments to the Issue Date VWAP:

- (a) may be made in accordance with Sections 5 to 7 of this Schedule (inclusive); and
- (b) if so made, will cause an adjustment to the Maximum Conversion Number.

**5. Adjustments to Issue Date VWAP for bonus issues**

- (a) Subject to Section 5(b) of this Schedule below, if at any time after the Issue Date ANZBGL makes a pro rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_0 \times \frac{RD}{RD + RN}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V<sub>0</sub> means the Issue Date VWAP applying immediately prior to the application of this formula;

RN means the number of Ordinary Shares issued pursuant to the bonus issue; and

RD means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue.

- (b) Section 5(a) of this Schedule does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purpose of Section 5(a) of this Schedule, an issue will be regarded as a pro rata issue notwithstanding that ANZBGL does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing ANZBGL is not in contravention of the ASX Listing Rules.
- (d) No adjustments to the Issue Date VWAP will be made under this Section 5 of this Schedule for any offer of Ordinary Shares not covered by Section 5(a) of this Schedule, including a rights issue or other essentially pro rata issue.
- (e) The fact that no adjustment is made for an issue of Ordinary Shares except as covered by Section 5(a) of this Schedule shall not in any way restrict ANZBGL from issuing Ordinary Shares at any time on such terms as it sees fit nor require any consent or concurrence of any Subordinated Noteholders.

**6. Adjustment to Issue Date VWAP for divisions and similar transactions**

- (a) If at any time after the Issue Date, a Reorganisation occurs, ANZBGL shall adjust the Issue Date VWAP by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reorganisation by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

B means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by ANZBGL in accordance with Section 6(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly.
- (c) Each Subordinated Noteholder acknowledges that ANZBGL may, consolidate, divide or reclassify securities so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any Subordinated Noteholders.

**7. No Adjustment to Issue Date VWAP in certain circumstances**

Despite the provisions of Section 5 and Section 6 of this Schedule, no adjustment shall be made to the Issue Date VWAP where such adjustment (rounded if applicable) would be less than one per cent. of the Issue Date VWAP then in effect.

**8. Announcement of adjustment to Issue Date VWAP**

ANZBGL will notify Subordinated Noteholders (an "**Adjustment Notice**") of any adjustment to the Issue Date VWAP under this Schedule within ten Business Days of ANZBGL determining the adjustment and the adjustment set out in the announcement will be final and binding.

**9. Ordinary Shares**

Each Ordinary Share issued or arising upon Conversion ranks pari passu with all other fully paid Ordinary Shares.

**10. Listing Ordinary Shares issued on Conversion**

ANZBGL shall use all reasonable endeavours to list the Ordinary Shares issued upon Conversion of the Subordinated Notes on the Australian Securities Exchange.

**11. Alternative Conversion Number**

If ANZBGL must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions and the Pricing Supplement specifies that the Alternative Conversion Number applies, then:

- (a) Section 1 of this Schedule applies on the basis that the Conversion Number for the purposes of Section 1(a) of this Schedule is the number of Ordinary Shares specified in the Pricing Supplement as the Alternative Conversion Number (subject to the Alternative Conversion Number being no more than the Maximum Conversion Number as determined in accordance with Section 1(a) of this Schedule); and
- (b) Sections 2 to 8 (inclusive) of this Schedule do not apply to the Alternative Conversion Number.

**12. Definitions**

For the purposes of this Schedule the following terms shall have the following meanings:

**"ASX Operating Rules"** means the market operating rules of the Australian Securities Exchange as amended, varied or waived (whether in respect of ANZBGL or generally) from time to time.

**"Cum Value"** has the meaning given in Section 2 of this Schedule.

**"Issue Date VWAP"** means, in respect of Subordinated Notes of a Series, the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the first date on which any Subordinated Notes of that Series were issued, as adjusted in accordance with Sections 4 to 7 (inclusive) of this Schedule.

**"Reorganisation"** has the meaning given in Section 3 of this Schedule.

**"Tax Act"** means:

- (i) the Income Tax Assessment Act 1936 of Australia or the Income Tax Assessment Act 1997 of Australia as the case may be and a reference to any section of the Income Tax Assessment Act 1936 of Australia includes a reference to that section as rewritten in the Income Tax Assessment Act 1997 of Australia; and
- (ii) any other Act setting the rate of income tax payable and any regulation promulgated under it.

"**VWAP**" means, subject to any adjustments under this Schedule, the average of the daily volume weighted average sale prices (such average being rounded to the nearest full cent) of Ordinary Shares sold on the Australian Securities Exchange during the VWAP Period or on the relevant days and where the currency of the Principal Amount in respect of the Subordinated Note is not Australian dollars, with each such daily price converted into the Specified Currency on the basis of the spot rate of exchange for the sale of Australian Dollars against the purchase of the relevant Specified Currency in the Sydney foreign exchange market quoted by any leading bank selected by ANZBGL on the relevant calculation date, but does not include any "Crossing" transacted outside the "Open Session State" or any "Special Crossing" transacted at any time, each as defined in the ASX Operating Rules, or any overseas trades or trades pursuant to the exercise of options over Ordinary Shares;

"**VWAP Period**" means the period of five Business Days or such other period specified in the applicable Pricing Supplement on which trading in Ordinary Shares took place immediately preceding (but not including) the Trigger Event Date.

### 13. **Interpretation**

In respect of Ordinary Shares, if the principal securities exchange on which the Ordinary Shares are listed becomes other than the Australian Securities Exchange, unless the context otherwise requires a reference to the Australian Securities Exchange shall be read as a reference to that principal securities exchange and a reference to the ASX Listing Rules, the ASX Operating Rules or any term defined in any such rules, shall be read as a reference to the corresponding rules of that exchange or corresponding defined terms in such rules (as the case may be).

THE PRICING SUPPLEMENT HAS NOT BEEN REVIEWED OR APPROVED BY THE UK FINANCIAL CONDUCT AUTHORITY AND DOES NOT CONSTITUTE A PROSPECTUS FOR THE PURPOSES OF THE UK PROSPECTUS REGULATION.**

**PROHIBITION OF SALES TO EEA RETAIL INVESTORS** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "EU PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act 1947 (2020 Revised Edition) of Singapore (the "ITA"), shall not apply if such person acquires such Notes using the funds and profits of such person's operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax (including for the reasons described above) shall include such income in a return of income made under the ITA.

**"5.25 Year SORA OIS Rate"** means the rate which is calculated as a straight line interpolation (rounded to 3 decimal places) of:

## ANNEX A – ADDITIONAL DISCLOSURE

*This Annex A is deemed to be incorporated by reference in, and form part of, the Information Memorandum.*

On 4 May 2022, the Issuer announced it intends to lodge a formal application with APRA, the Federal Treasurer and other applicable regulators to establish a non-operating holding company ("**Approved NOHC**") and create distinct banking and non-banking groups within the organisation. Should the proposed restructure proceed, a new listed parent holding company will be created with two wholly-owned distinct groups of entities sitting directly beneath it, a 'Banking Group' which would comprise the Issuer and the majority of present-day subsidiaries, and a 'Non-Banking Group' which would allow banking-adjacent businesses to be developed or acquired.

APRA has advised after preliminary discussions that it has no in-principle objections to the proposed restructure. To date, the Issuer has not received any objections to the proposed restructure from other key Australian and New Zealand regulators.

The proposal is subject to final approval by the Board of the Issuer and regulatory approvals, and will require approval by the Federal Court and the Issuer's shareholders.

Should the proposed restructure proceed, the Issuer may (with the prior written approval of APRA) amend the terms of the issued Subordinated Notes in accordance with Condition 5D.2 to substitute the Approved NOHC as the provider of ordinary shares upon Conversion of the Subordinated Notes.

Such amendments may be made without the approval of Subordinated Noteholders.

Subordinated Noteholders will receive a notice specifying the amendments to the terms of the Subordinated Notes as soon as practicable after the proposed restructure takes place.

## ANNEX B – SINGAPORE TAXATION

*This Annex B is deemed to be incorporated by reference in, and form part of, the Information Memorandum.*

*The statements below are general in nature and are based on the laws (including certain aspects of current tax laws in Singapore and administrative guidelines and circulars issued by the Monetary Authority of Singapore ("MAS") and Inland Revenue Authority of Singapore ("IRAS")) in force as at the date of this Pricing Supplement and are subject to any changes in such laws, administrative guidelines or circulars, or the interpretation of those laws, guidelines or circulars, occurring after such date, which changes could be made on a retroactive basis. These laws, guidelines and circulars are also subject to various interpretations and the relevant tax authorities or the courts could later disagree with the explanations or conclusions set out below. Neither these statements nor any other statements in this Pricing Supplement are intended or are to be regarded as advice on the tax position of any holder of the Notes or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant financial sector incentive(s)) may be subject to special rules or tax rates. Prospective holders of the Notes are advised to consult their own professional tax advisers as to the Singapore or other tax consequences of the acquisition, ownership of or disposal of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasised that none of the Issuer, the Joint Lead Managers and any other persons involved in the Programme or the issuance of the Notes accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.*

### **Interest and Other Payments**

Generally, interest and other payments derived by a holder of the Notes who is not resident in Singapore and who does not have any permanent establishment in Singapore is not subject to tax, as such income is likely to be regarded as arising from a source outside Singapore, given that the Issuer is issuing the Notes outside Singapore and not through a branch or otherwise in Singapore. However, even if such interest and payments are regarded as sourced in Singapore, such interest and other payments may also be exempt from tax, including withholding of tax, if the Notes qualify as "qualifying debt securities" as discussed below.

Subject to the following paragraphs, under Section 12(6) of the Income Tax Act 1947 (2020 Revised Edition) of Singapore ("ITA"), the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld for such payments (other than those subject to the 15 per cent. final withholding tax described below) to non-resident persons (other than non-resident individuals) is currently 17 per cent. The applicable rate for non-resident individuals is currently 22 per cent., and is proposed to be increased to 24 per cent. from the year of assessment 2024 pursuant to the Singapore Budget Statement 2022. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15 per cent. The rate of 15 per cent. may be reduced by applicable tax treaties.

However, certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (i) interest from debt securities derived on or after 1 January 2004;
- (ii) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (iii) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession in Singapore.

The terms "break cost", "prepayment fee" and "redemption premium" are defined in the ITA as follows:

**"break cost"**, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

**"prepayment fee"**, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

**"redemption premium"**, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to "break cost", "prepayment fee" and "redemption premium" in this Singapore tax disclosure have the same meaning as defined in the ITA.

In addition, if more than half of the Notes are distributed by any or any combination of financial institutions in Singapore with the Financial Sector Incentive (Bond Market), Financial Sector Incentive (Standard Tier) or Financial Sector Incentive (Capital Market) tax incentives (as defined in the ITA), the Notes would be "qualifying debt securities" for the purposes of the ITA, to which the following treatments shall apply:

- (i) subject to certain prescribed conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the MAS may direct, to the MAS of a return on debt securities in respect of the Notes in the prescribed format within such period as the MAS may specify and such other particulars in connection with the Notes as the MAS may require, and the inclusion by the Issuer in all offering documents relating to the Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Notes using the funds and profits of such person's operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the **"Specified Income"**) from the Notes paid by the Issuer and derived by a holder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Notes are not obtained from such person's operation through a permanent establishment in Singapore, are exempt from Singapore income tax;
- (ii) subject to certain conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the MAS may direct, to the MAS of a return on debt securities in respect of the Notes in the prescribed format within such period as the MAS may specify and such other particulars in connection with the Notes as the MAS may require), Specified Income from the Notes derived by any company or body of persons (as defined in the ITA) in Singapore, other than any non-resident who qualifies for the tax exemption as described in paragraph (i) above, is subject to income tax at a concessionary rate of 10 per cent. (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and
- (iii) subject to:
  - (aa) the Issuer including in all offering documents relating to the Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption

premium or break cost (i.e. the Specified Income) derived from the Notes is not exempt from tax shall include such income in a return of income made under the ITA; and

- (bb) the Issuer, or such other person as the MAS may direct, furnishing to the MAS a return on debt securities in respect of the Notes in the prescribed format within such period as the MAS may specify and such other particulars in connection with the Notes as the MAS may require,

payments of Specified Income derived from the Notes are not subject to withholding of tax by the Issuer.

However, notwithstanding the foregoing:

- (A) if during the primary launch of any tranche of the Notes, the Notes are issued to fewer than four (4) persons and 50 per cent. or more of the issue of such Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Notes would not qualify as "qualifying debt securities"; and
- (B) even where the Notes are "qualifying debt securities", if, at any time during the tenure of such Notes, 50 per cent. or more of the issue of such Notes which are outstanding at any time during the life of their issue is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, Specified Income derived from such Notes held by:
  - (i) any related party of the Issuer; or
  - (ii) any other person where the funds used by such person to acquire such Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term "**related party**", in relation to a person (*A*), means any other person who, directly or indirectly, controls *A*, or is controlled, directly or indirectly, by *A*, or where *A* and that other person, directly or indirectly, are under the control of a common person.

Where interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Specified Income) is derived from the Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities under the ITA (as mentioned above) shall not apply if such person acquires such Notes using the funds and profits of such person's operations through a permanent establishment in Singapore.

Notwithstanding that the Issuer is permitted to make payments of Specified Income in respect of the Notes without deduction or withholding of tax under Section 45 or Section 45A of the ITA, any person whose Specified Income (whether it is interest, discount income, prepayment fee, redemption premium or break cost) derived from the Notes is not exempt from tax is required to include such income in a return of income made under the ITA.

### ***Capital Gains***

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or who are required to apply Singapore Financial Reporting Standard 39 – Financial Instruments: Recognition and Measurement ("**FRS 39**"), Singapore Financial Reporting Standard 109 – Financial Instruments ("**FRS 109**") or Singapore Financial Reporting Standard (International) 9 ("**SFRS(I) 9**") (as the case may be), may for Singapore income tax purposes be required to recognise gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal, for tax purposes in accordance with the provisions of FRS 39, FRS 109 or SFRS(I) 9 (as the case may be) (as modified by the applicable provisions of Singapore income tax law) even though no sale or disposal of the Notes is made. Please see the section below on "*Adoption of FRS 39, FRS 109 or SFRS(I) 9 Treatment for Singapore Income Tax Purposes*".

### ***Adoption of FRS 39, FRS 109 or SFRS(I) 9 Treatment for Singapore Income Tax Purposes***

Section 34A of the ITA provides for the tax treatment for financial instruments in accordance with FRS 39 (subject to certain exceptions and "opt-out" provisions) to taxpayers who are required to comply with

FRS 39 for financial reporting purposes. The IRAS has also issued an e-tax guide entitled "Income Tax Implications Arising from the Adoption of FRS 39 – Financial Instruments: Recognition & Measurement".

FRS 109 or SFRS(I) 9 (as the case may be) is mandatorily effective for annual periods beginning on or after 1 January 2018, replacing FRS 39. Section 34AA of the ITA requires taxpayers who comply or who are required to comply with FRS 109 or SFRS(I) 9 for financial reporting purposes to calculate their profit, loss or expense for Singapore income tax purposes in respect of financial instruments in accordance with FRS 109 or SFRS(I) 9 (as the case may be), subject to certain exceptions. The IRAS has also issued an e-tax guide entitled "Income Tax: Income Tax Treatment Arising from Adoption of FRS 109 - Financial Instruments".

Holders of the Notes who may be subject to the tax treatment under sections 34A or 34AA of the ITA should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

***Estate Duty***

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.

***Risks relating to Singapore Taxation***

The Notes are intended to be "qualifying debt securities" for the purposes of the ITA, subject to the fulfilment of certain conditions more particularly described above. However, should the relevant tax laws be amended or revoked at any time, there is a risk that the Notes will no longer benefit from the tax concessions in connection therewith which could have an adverse impact on the tax position of Noteholders.

### **Schedule 3 – Description of rights and liabilities attaching to Ordinary Shares**

The rights and liabilities attaching to Ordinary Shares are set out in the constitution of the Issuer ("**Constitution**") and are also regulated by the Corporations Act, ASX Listing Rules and the general law. A summary of the key rights attaching to the Ordinary Shares is set out below.

Eligible investors who wish to inspect the Constitution may do so during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted), at the offices of the Paying Agents, Deutsche Bank AG at Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom, at the registered office of the Issuer and at <https://www.anz.com/shareholder/centre/about/corporate-governance/>.

#### **Voting rights**

Subject to any rights or restrictions attached to any shares or class of shares, a registered holder of an Ordinary Share ("**Shareholder**") is entitled to attend and vote at a general meeting of the Issuer. Any resolution being considered at a general meeting is decided on a show of hands unless a poll is held. On a show of hands, each Shareholder present has one vote.

On a poll, each Shareholder has one vote for each Ordinary Share. Partly paid Ordinary Shares confer that fraction of a vote which is equal to the proportion which the amount paid bears to the total issue price of the Ordinary Share.

#### **General meetings**

Notice of a general meeting must be given to each Shareholder in accordance with the Corporations Act. Each Shareholder is entitled to receive notices, financial statements and other documents required to be provided to Shareholders under the Constitution, Corporations Act and ASX Listing Rules.

#### **Dividend entitlement**

Subject to the Corporations Act, the Constitution and the terms of issue of Ordinary Shares, the board of directors of the Issuer ("**Board**") may resolve to pay dividends on Ordinary Shares which are considered by the Board to be appropriate, in proportion to the capital paid up on the Ordinary Shares held by each Shareholder (subject to the rights of holders of shares carrying preferred rights including Subordinated Notes).

#### **Dividend reinvestment plan and bonus option plan**

Shareholders who are eligible may participate in the Issuer's dividend reinvestment plan or bonus option plan, as in force from time to time, in accordance with (and subject to) the rules of those plans. Shareholders who are subject to the laws of a country or place other than Australia may not be eligible to participate, because of legal requirements that apply in that country or place or in Australia. Until the Board otherwise determines, participation in the Issuer's dividend reinvestment plan and bonus option plan is not available directly or indirectly to any entity or person (including any legal or beneficial owner of Ordinary Shares) who is (or who is acting on behalf of or for the account or benefit of an entity or person who is) in or resident in the United States (including its territories or possessions) or Canada.

#### **Rights of shareholders on a winding-up of the Issuer**

If the Issuer is wound up and its property is more than sufficient to pay all debts, share capital of the Issuer and expenses of the winding-up, the excess must be divided among Shareholders in proportion to the capital paid up on the Ordinary Shares at the commencement of the winding-up (subject to the rights of holders of shares carrying preferred rights on winding-up including Subordinated Notes). A partly paid Ordinary Share is counted as a fraction of a fully paid Ordinary Share equal to the proportion which the amount paid on it bears to the total issue price of the Ordinary Share.

However, with the sanction of a special resolution, the liquidator may divide among Shareholders the assets of the Issuer in kind and decide how the division is to be carried out

or vest assets in trustees of any trusts for the benefit of Shareholders as the liquidator thinks appropriate.

### **Transfer of ordinary shares**

Ordinary Shares may be transferred by any means permitted by the Corporations Act or by law. The Board may decline to register a transfer where permitted to do so under the ASX Listing Rules or the settlement operating rules of the ASX ("**ASX Settlement Operating Rules**"), or where registration of the transfer is forbidden by the Corporations Act, ASX Listing Rules or ASX Settlement Operating Rules. In addition, subject to the Corporations Act, ASX Listing Rules and ASX Settlement Operating Rules, the Board may decline to register a transfer if registration would create a new holding of less than a marketable parcel under the ASX Listing Rules.

### **Issues of further shares**

Subject to the Constitution, Corporations Act and ASX Listing Rules, the Board may issue or grant options in respect of Ordinary Shares on such terms as the Board decides. The Board may also issue preference shares, including redeemable preference shares, or convertible notes with preferred, deferred or special rights or restrictions in relation to dividends, voting, return of capital and participation in surplus on a winding-up of the Issuer.

### **Variation of the Constitution**

The Constitution can only be modified by a special resolution in accordance with the Corporations Act. Under the Corporations Act, for a resolution to be passed as a special resolution it must be passed by at least 75 per cent. of the votes cast by members entitled to vote on the resolution.

### **Variation of rights**

The Issuer may only modify or vary the rights attaching to any class of shares with the prior approval, by a special resolution, of the holders of shares in that class at a meeting of those holders, or with the written consent of the holders of at least 75 per cent. of the issued shares of that class.

Subject to the terms of issue, the rights attached to a class of shares are not treated as varied by the issue of further shares which rank equally with that existing class for participation in profits and assets of the Issuer.

#### **Schedule 4 – Additional Disclosure**

On 4 May 2022, the Issuer announced it intends to lodge a formal application with APRA, the Federal Treasurer and other applicable regulators to establish a non-operating holding company ("**Approved NOHC**") and create distinct banking and non-banking groups within the organisation. Should the proposed restructure proceed, a new listed parent holding company will be created with two wholly-owned distinct groups of entities sitting directly beneath it, a 'Banking Group' which would comprise the Issuer and the majority of present-day subsidiaries, and a 'Non-Banking Group' which would allow banking-adjacent businesses to be developed or acquired.

APRA has advised after preliminary discussions that it has no in-principle objections to the proposed restructure. To date, the Issuer has not received any objections to the proposed restructure from other key Australian and New Zealand regulators.

The proposal is subject to final approval by the Board of the Issuer and regulatory approvals, and will require approval by the Federal Court and the Issuer's shareholders.

Should the proposed restructure proceed, the Issuer may (with the prior written approval of APRA) amend the terms of the issued Subordinated Notes in accordance with Condition 5D.2 to substitute the Approved NOHC as the provider of ordinary shares upon Conversion of the Subordinated Notes.

Such amendments may be made without the approval of Subordinated Noteholders.

Subordinated Noteholders will receive a notice specifying the amendments to the terms of the Subordinated Notes as soon as practicable after the proposed restructure takes place.
