

# Merlon Australian Shares and OnePath Select Leaders funds – distribution frequency update

JANUARY 2013

Detailed below is updated information regarding the distribution frequency for two investment funds.

## What does this mean for investors?

### Merlon Australian Shares – will distribute monthly

The manager of the underlying fund, Merlon Capital Partners, has announced it will be tailoring its distributions to provide investors with a more regular income stream through monthly instead of quarterly distributions.

As a result of this change, starting from January 2013 the frequency of distributions from the Merlon Australian Shares fund will change to monthly.

Investors can now expect to receive an annual income across 12 distribution periods rather than four.

### OnePath Select Leaders\* – will distribute half-yearly

Distributions for the fund are currently made half-yearly. Although this is not changing, we are updating the ANZ OneAnswer Investment Portfolio Product Disclosure Statement dated 27 February 2012 to reflect that distributions are made half-yearly.

Investors will continue to receive their distributions on a half-yearly basis.

\*The OnePath Wholesale Select Leaders fund distributes quarterly.

## Distribution dates are as follows:

Merlon Australian Shares

- Monthly (distributions are normally paid within two weeks of the end of the month)

OnePath Select Leaders

- Half yearly at the end of June and December (distributions are normally paid in mid-July and mid-January)

## Further information
