ENROLMENT AND REGISTRATION

If you have an employer plan and wish to use this service, you should read this PDS and contact Employer Services on 13 47 43 if you have any queries or would like to register. Before you start the registration process and in order to sign up for the service:

- 1) You must be:
 - a) An owner of the business being registered; or
 - b) A managing director or other executive of the business being registered; or
 - c) A person who has delegated authority from a person as described in 1a) and 1b) above to register the business and to provide the business nominated financial institution account details.

- 2) You will need the following information for the business you are registering:
- Australian Business Number (as issued by the Australian Business Register);
 - The business postal address;
 - Your full name and contact details, including mobile number;
 - Your nominated financial institution account (including where applicable Account Name, BSB and Account Number) which will be debited or to which any returns will be paid.

At the end of a successful registration process, you will be emailed a temporary password and a link to the Site, at which point you can login and commence using the service.

PAYMENT METHODS

PAYMENT BY DIRECT DEBIT

OPC and PayClear may agree that contribution payments can be made by Direct Debit to PayClear.

The simplest, most efficient and least time-consuming payment method is for you to enter into an Employer Initiated Direct Debit Service Agreement (see page 24).

This authorises PayClear to deduct money from your nominated financial institution account. The relevant amount for the contributions is deducted from that account and distributed to the various nominated Funds.

This method still allows you to control your cash flow because the debit cannot be made until you submit the superannuation contributions payment details to the Site.

This method allows you to pay from multiple payer accounts with a single submission.

When you contact our Employer Services team to register, you will be asked for pertinent information and to record your agreement to the Employer Initiated Direct Debit Service Agreement (see Employer Initiated Direct Debit Agreement on page 24).

If the payment is authorised on or before 4.00pm (AEST/AEDT) on a given Banking Day (i.e. any day that the Bulk Electronic Clearing System, BECS, is operating), the payment will be drawn from your account on that day. If a payment is authorised after 4.00pm (AEST/AEDT) or on a non-Banking Day, the payment will be drawn on the next Banking Day.

PAYMENT BY DIRECT CREDIT

OPC may agree that contribution payments can be made by Direct Credit to PayClear.

If you send a Direct Credit, you must ensure you pay the correct amount and provide the matching payment reference number submitted via the Site or the payment may be returned to you. When the relevant amount for the contributions is paid to the PayClear Bank Account, it is reconciled with the information you sent regarding the payment, and when successfully matched it is split and remitted to the various Funds.

TIMING OF PAYMENTS TO SUPERANNUATION FUNDS

The contributions data that you submit and your electronic payment can only be reconciled and matched on the later of the day you send the contributions information through the Site and the day that the matching payment is deposited into the PayClear Bank Account. Subject to clearance of your payment by your nominated financial institution, remittance to super funds occurs:

- If you paid by Direct Credit, within 1 Banking Day of matching by PayClear; or
- If you paid by Direct Debit, within 3 Banking Days of matching by PayClear.

Subject to your payment and data submission, the expected time frames from the time of your submission and payment to us sending the contribution payment to the recipient Fund are:

Direct Debit	<p>4 Banking Days after your nominated bank account is debited.</p> <ul style="list-style-type: none"> • Make sure you have sufficient funds in your bank account before submitting Data • Submit your Contribution Data by cut-off time (4.00 pm AEST/AEDT) for same day debit
Direct Credit	<p>2 Banking Days after you make/submit your electronic payment using EmployerPay.</p> <ul style="list-style-type: none"> • IMPORTANT: Contribution Data and money must match, otherwise a delay will occur

You need to take these timeframes into account to ensure that all payments are made by you and received by Funds in time to meet the legislative deadlines for payment of Superannuation Guarantee contributions.

RISK ASSOCIATED WITH THE USE OF EASYTRANSACT AND THE SUPER CLEARING SERVICE

Risk	Description	How we help mitigate the risk	What you need to do
Privacy and Security			
Privacy: Your employee(s) object to you sharing their details with a clearing house service	You should seek advice about whether you need to disclose to your employees that you are providing personal information so as to facilitate SuperStream compliant payment of superannuation contributions to their superannuation account.	SuperChoice's Privacy Policy sets out how they deal with personal information and can be viewed at www.superchoicetools.com/privacy-policy SuperChoice will not disclose any personal information to a third party unless the third party is the individual to whom the personal information relates or the third party is authorised by such individual to receive such personal information, or such disclosure is required by law.	Let employees know you are using a Clearing House to distribute the payments and that it is therefore necessary to provide their personal information (so that the contributions are allocated to their superannuation account).

Risk	Description	How we help mitigate the risk	What you need to do
<p>Security: Unauthorised Access</p>	<p>Access by an unauthorised party, including in circumstances where the User ID and password have been compromised, may lead to fraud, data corruption, defects in transmissions and viruses. An employer must ensure it does not facilitate unauthorised access to the Site.</p>	<p>The software provides for multi-level user access (e.g from view only through to submission authority and payment authority) for processing work and can accommodate dual payment authorisation. For example, only managerial access can authorise payments.</p> <p>You must notify us immediately if a Login or Password is lost or stolen or if you suspect that another person knows or has used your Login or Password.</p>	<p>Notify us immediately in the event of any unauthorised access.</p> <p>Structure user access so that each user has a level of access that matches their delegated authority; and make sure you maintain user permissions as changes in personnel and their responsibilities occur.</p> <p>In particular, make sure that users with permission to submit contributions for payment, alter payment methods or alter bank account details are authorised by your organisation to do so.</p>
<p>Privacy Data Breach (Data loss or theft)</p>	<p>The employer or Clearing House provider may cause or encounter an issue that results in an employee's personal information being exposed or made available to parties not entitled to such information.</p> <p>In most cases this is unlikely to result in actual damage to the persons affected, but in extreme cases this may expose individuals to problems such as identity theft.</p> <p>Note that this item does not cover Privacy issues that might occur subsequent to Funds rightfully receiving an employee's personal information, as these are not within the scope of the Clearing House service. Seek information from the relevant Fund(s).</p>	<p>See the preceding item about Security.</p> <p>We use security measures such as Firewalls and Data encryption, and comply with Australian Information Security Management Policy (ISO/IEC 27001: 2013).</p> <p>We comply with the ATO SuperStream regulations, which require that data is encrypted in transit, although we cannot guarantee that transmission over the internet is totally secure.</p> <p>If we become aware of a breach or potential breach of security relating to your employees which might reasonably be expected to lead to serious harm to that employee, we will notify the employee and we will also notify you as soon as is reasonably possible and take all steps available to stop the breach or prevent the breach from recurring.</p>	<p>See the preceding item about Security.</p> <p>Always ensure that when you use the Site that unauthorised persons are not able to read or use the data you are viewing or processing.</p> <p>If you become aware of a breach or potential breach of security relating to your employees, you must notify us as soon as is reasonably possible and take all steps available to stop the breach or prevent the breach from recurring.</p>

Risk	Description	How we help mitigate the risk	What you need to do
Fraud (change of fund bank account)	A Fund's bank account details might be changed in order to illegally divert superannuation contributions.	<p>See previous item about Security.</p> <p>We reference ATO fund registers to validate and remit data and contributions to super funds. The Site will inform you if a check against these registers identifies a problem.</p> <p>If we become aware of a suspected or actual fraud, we must take all steps available to stop the fraud or prevent the fraud from recurring.</p>	<p>See previous item about Security.</p> <p>You must satisfy yourself about Fund details provided by employees.</p> <p>When details change for Self-Managed Super Funds, it is good practice to obtain an authorisation signed by all trustees.</p> <p>If you become aware of a suspected or actual fraud, you must notify us as soon as is reasonably possible and take all steps available to stop the fraud or prevent the fraud from recurring.</p>
Employer Mistakes			
Dishonour: Insufficient money held in your nominated financial institution account to effect a Direct Debit transaction	If there is not enough money in your nominated financial institution account to enable a Direct Debit of the full payment, then the contribution will be cancelled and must be re-submitted which may result in additional charges from your financial institution and SuperChoice and potentially a Superannuation Guarantee charge if the subsequent contributions do not meet the Superannuation Guarantee deadlines.	You will be notified in the Site in the event of a payment failure, on the same Banking Day that SuperChoice becomes aware of the failed payment.	<p>Ensure you have sufficient money in your nominated financial institution account to cover the amount of the contribution, otherwise a dishonour will occur.</p> <p>With an Employer initiated Direct Debit process, you also control the timing of the Direct Debit because it cannot occur until you submit your payment instruction via the Site.</p>

Risk	Description	How we help mitigate the risk	What you need to do
<p>Payment Mismatch: Direct Credit payment amount does not match the contribution amount and / or Payment Reference Number (PRN) submitted to the Site</p>	<p>If you make a payment by Direct Credit payment and the amount and / or Payment Reference Number (PRN) does not match the contribution submitted to the Site (e.g. overpay or underpay), this can lead to delays in forwarding the contribution to the Funds.</p> <p>These delays can contribute to a failure to meet Superannuation Guarantee deadlines.</p>	<p>You will be contacted within 5 Business Days or sooner (by email or phone) to notify you of the error and seek instructions (e.g. correct the amount of the payment).</p> <p>If there has been an overpayment, the contributions will be distributed to the nominated Funds and the surplus will be returned to you.</p> <p>If you do not respond to correct the mismatch, the contribution will be returned to your nominated financial institution account after 15 Business Days.</p>	<p>Please respond promptly to our requests to correct the payment or the contribution information.</p> <p>You can avoid such risks by choosing to pay by Employer initiated Direct Debit.</p>
<p>Missing deadlines for</p> <ul style="list-style-type: none"> • Superannuation Guarantee or • End of Financial Year 	<p>A Fund must receive contributions that you make by the following dates:</p> <ul style="list-style-type: none"> • For Superannuation Guarantee (SG), on or before the 28th of the month following end of quarter; • For contributions cap purposes, on or before the 30th June. <p>If there is a delay caused by your late payment, payment mismatch (Direct Credit) or payment dishonour (Direct Debit),</p> <ul style="list-style-type: none"> • you might miss a SG deadline or • a contribution might not be included in the intended financial year and so cause an employee to exceed the 'contributions cap' in the next financial year. 	<p>We have provided this information to help you understand your obligations.</p> <p>It is our job to ensure that your contribution submissions and payments are matched and sent to Funds in accordance with our obligations in this agreement.</p> <p>This commitment assumes that your contributions submissions and payments have been made using matching amounts and payment reference numbers.</p>	<p>Make sure Funds receive all your contributions by the deadlines (see 'Description' column to the left).</p> <p>Make sure you understand your obligations in relation to the Superannuation Guarantee and the timing of employees' contributions that affect their tax calculations under the 'contributions cap'. You can find out more at www.ato.gov.au or by contacting a superannuation fund.</p> <p>To avoid issues, SuperChoice recommends making correct Contributions at least 5 Banking Days before the deadline (if paying by Direct Debit) or 2 Banking Days (if paying by Direct Credit).</p>

Risk	Description	How we help mitigate the risk	What you need to do
<p>Stopping Payments:</p> <p>In certain circumstances, you may seek to stop a payment (e.g. duplicate payment or overpayment)</p>	<p>Once contribution information has been lodged with a matching payment, it cannot be cancelled or reversed unless you notify SuperChoice before the cut-off time (see the Terms and Conditions).</p> <p>Once contributions have been sent to the Fund, you bear the responsibility for any attempts to recoup monies from any Fund. Usually, the Fund trustee or administrator will require the written consent of its member (i.e. your employee).</p>	<p>SuperChoice is able to lodge a stop payment, but these must be notified within the cut-off times specified in the Terms and Conditions set out later in this PDS.</p>	<p>It is imperative that if you wish to cancel or reverse a payment, you notify SuperChoice immediately, and before the cut-off time, upon realising that an incorrect contribution has been made, so payment can be stopped.</p>
Employer (Employee) Risks			
<p>Incorrect Data:</p> <p>It is your responsibility to ensure information about your employee and the contribution are complete and correct. Risk	Description	How we help mitigate the risk	What you need to do
Clearing House and Banking Risks			
Clearing House or Finance System Failure	<p>The Clearing House facility accesses the Bulk Electronic Clearing System (BECS) to receive contributions and payments to Funds. BECS co-ordinates and facilitates the exchange and settlement of bulk electronic transactions – in this case, for Direct Debits and Direct Credits between employers' financial institution accounts, the PayClear Bank Account and Fund accounts.</p> <p>In rare instances, the Clearing House facility or the Banking system may not be available.</p>	Banks and PayClear respectively have appropriate disaster recovery and business continuity plans to manage such events.	It is advisable to allow a few additional days to ensure contributions are received before the Superannuation Guarantee deadlines.
Receiving Fund Risks			
Fund is unable to accept contributions	<p>Certain Funds such as pensions, eligible rollover funds, certain government funds, closed or terminated funds and corporate funds (that do not operate retained divisions) are unable to accept contributions.</p> <p>In other circumstances, a Fund may have been declared non-compliant by APRA or the ATO.</p>	The Clearing House facility provides a warning system to block payments to those Funds.	<p>You will need to check and deal with any applicable warnings when making your submission on the Site. In certain circumstances, you may be able to contribute to a blocked Fund if you are an approved employer.</p> <p>Otherwise, you will need to direct the contribution to an alternative choice Fund selected by the employee or otherwise as required under legislation.</p>
Fund not SuperStream compliant	<p>Funds must be able to receive SuperStream compliant data (messages) and payments.</p> <p>If a Fund has not appointed a SuperStream Gateway or does not provide an alternative compliant service, it may not be able to receive the contributions that you remit.</p>	<p>SuperChoice sends contributions by reference to the ATO's Fund Validation Service, which is a register of all APRA-regulated Funds, their SuperStream status and account details.</p> <p>We also maintain and reference the details for Self-Managed Super Funds (SMSF).</p> <p>Any issues with Funds or their service providers are resolved through procedures to negotiate rectification of such issues.</p>	<p>By using this Clearing House facility, you ensure that you are insulated against SuperStream compliance issues experienced by Funds.</p> <p>In addition, you should encourage your employees wishing to pay into a SMSF to ensure that the SMSF has an established 'Electronic Service Address' (or ESA).</p>

- (e) SuperChoice will make all reasonable endeavours but has no responsibility if incorrect Contribution Data is submitted by Client.
- (f) Once there is an exact match between the Contribution Data and the Contribution payment including any transaction fees, and subject to legislative requirements, these Terms and Conditions and the clearance of your payment by the respective financial institutions, we will arrange payment of the Contribution to the account (by EFT) of each nominated Fund, accompanied with SuperStream compliant electronic remittance that sets out the Contribution Data to enable the Fund to reconcile the contributions.
- (g) From the time PayClear receives payment, and subject to legislative requirements, these Terms and Conditions and the clearance of your payment by the respective financial institutions, PayClear will use reasonable endeavours to arrange the payments described in clause 6.1(f) within 1 Banking Day, if Client has paid by Direct Credit, or 3 Banking Days, if Client has paid by Direct Debit.

(h) If Contribution Data has not been provided in full, or has an error or defect, or there is a mismatch between the Contribution Data and the Contribution payment including any transaction fees, we will endeavour to contact Client within 5 Business Days to resolve the error and either return the Contribution or prepare a re-submission of the Contribution.

This is a Fund that has elected to be regulated and complies with the *Superannuation Industry (Supervision) Act 1993* ('SIS Act'), or a Self-Managed Superannuation Fund as defined by the SIS Act.
- 6.3 Client may need to comply with certain other requirements of a Fund before it can make a Contribution to it. For example, it may be a requirement of some Funds that an employer be registered with that Fund before Contributions can be accepted. The Site will publish messages identifying Funds which require prior employer registration, but it is Client's responsibility to meet the registration requirements before making any Contribution.

If the technical error cannot be corrected, SuperChoice will notify Client immediately.
- (f) If any Contribution is not accepted or is returned by a Fund, and SuperChoice is unable to resolve the problem within 10 Business Days of receipt of the returned payment, it will refund the money to your financial institution account and notify you of the error by email, in which event you must resolve the issue with the Fund and re-submit the Contribution.
