And it's easy to find out if you're eligible to get more credit.

#### You can:

- › Call your ANZ Customer Service Consultant 24 hours a day, 7 days a week on **13 22 73**, enter your customer details and then press options 1 – 5 – 1.
- › Download a Limit Increase Request form at [www.anz.com](http://www.anz.com) and mail your request to ANZ.

#### Things you should know:

- › When you apply for a credit limit increase, your application is subject to standard ANZ credit assessment procedures.
- › When accepting a credit limit increase, you are also accepting responsibility for meeting repayment on a potentially higher level of credit card debt. Please don't apply for a credit limit increase if you feel that you might not be able to manage spending or repayments on a higher limit.
- › To apply, your account must have been open for at least twelve months.
- › Only Primary Cardholders can request a credit limit increase.
- › By accepting the credit limit increase you are confirming that you can repay this increase in credit without substantial hardship.
- › For a full copy of ANZ Credit Card Conditions of Use, please call ANZ Cards on **13 22 73**.
