AUSTRALIAN DOLLAR DEBT ISSUANCE PROGRAMME

for the Issue of Medium Term Notes and Subordinated Medium Term Notes

Arranged by
Australia and New Zealand
Banking Group Limited

The date of this Information Memorandum is 17 September 2025.

IMPORTANT NOTICE

Introduction:

This Information Memorandum (the “**Information Memorandum**”) serves to amend an existing Australian Dollar Debt Issuance Programme (the “**Programme**”) of the Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) (the “**Issuer**”), the most recent Information Memorandum for which was dated 9 August 2023 (the “**Existing Programme**”) for the offering, sale and issuance of Medium Term Notes and Subordinated Medium Term Notes (“**Subordinated Notes**”). In this Information Memorandum, unless otherwise specified, the term “**Notes**” includes both Medium Term Notes and Subordinated Notes.

The Issuer is an indirect subsidiary of ANZ Group Holdings Limited (ACN 659 510 791) (“**ANZGHL**”) and in this Information Memorandum references to the “**ANZ Group**” are references to ANZGHL and its subsidiaries. The Notes are not guaranteed by any person, including ANZGHL. In particular, ANZGHL does not (i) issue Notes under this Programme; (ii) guarantee the Issuer’s obligations generally or in connection with the Notes; (iii) have any obligations in respect of Medium Term Notes issued by the Issuer under this Programme; or (iv) have any obligations in respect of Subordinated Notes issued by the Issuer under this Programme, except to the extent that such Subordinated Notes are subject to Conversion into the ordinary shares of ANZGHL (“**ANZGHL Ordinary Shares**”) as provided in the terms of the Subordinated Notes.

Notes issued under the Existing Programme:

Notes issued by the Issuer under the Existing Programme prior to the date of this Information Memorandum and any additional tranches of Notes of existing series of Notes will continue to have the benefit of the deed poll dated 26 February 2007, 28 November 2008, 10 August 2010, 14 February 2012, 8 April 2014, 3 August 2015, 21 February 2017, 15 October 2018, 11 March 2021, 7 December 2022 or 9 August 2023 (or such other relevant deed poll as applicable), and any agreements relating to such Notes entered into on or about the date of the applicable deed poll (as supplemented, amended, modified or replaced by the applicable Pricing Supplement for those Notes (“**Pricing Supplement**”)).

Issuer’s responsibility:

This Information Memorandum has been prepared by and issued with the authority of the Issuer. The Issuer accepts responsibility for the information contained in this Information Memorandum.

No independent advice:

This Information Memorandum has been prepared for distribution to professional investors whose ordinary business includes buying and selling debt securities as principal or agent.

Each potential investor in or purchaser of Notes should determine (and will be taken to have determined) for itself the financial condition and affairs of the Issuer and the relevance and sufficiency of the information contained in this Information Memorandum or the documents and information incorporated by reference or any other financial statements. Such purchase or acquisition of Notes should be (and will be deemed as having been) based upon the investor’s own independent investigation of the financial condition and affairs and their own appraisal of the creditworthiness of the Issuer, after taking all appropriate advice from qualified professional persons. Any investment decision should be based on that decision, investigation and appraisal and not on this Information Memorandum.

None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Information Memorandum nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

No advice is given in respect of the taxation treatment of potential investors or purchasers in connection with investment in any Notes or the legal consequences of such an acquisition and each investor or purchaser should consult its own professional adviser.

No authorisation:

No person has been authorised to give any information or to make any representation other than those contained in this Information Memorandum in connection with the Issuer or the ANZ Group, the issue

or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (each as defined below in the **"Summary of Programme"**).

Currency of information:

Neither the delivery of this Information Memorandum nor any offer, issue or sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the ANZ Group since the date hereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the ANZ Group since the date hereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that any other information supplied in connection with this Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Distribution arrangements:

The distribution of this Information Memorandum and the issuance, offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Information Memorandum or interests in or rights in respect of the Notes come are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restrictions.

No action has been taken by the Issuer, the Arranger or the Dealers which would permit a public offering of any Notes or distribution of this Information Memorandum in any jurisdiction where action for that purpose is required.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **"Securities Act"**). Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to U.S. persons. For a description of certain restrictions on acceptance, offers, issues and sales of the Notes and on distribution of this Information Memorandum, see **"Subscription and Sale"**.

Neither this Information Memorandum nor any Pricing Supplement constitutes an offer of, or an invitation by or on behalf of any of the Issuer, the Dealers or the Arranger to subscribe for, purchase or acquire any Notes and should not be considered as a recommendation by the Issuer, the Arranger, the relevant Dealers or any of them that any recipient of this Information Memorandum or any Pricing Supplement should subscribe for or purchase any Notes. Each recipient of this Information Memorandum or any Pricing Supplement shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer and the ANZ Group.

Notification under Section 309B(1) of the Securities and Futures Act 2001 of Singapore (the "SFA"):

In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (**"CMP Regulations 2018"**), unless otherwise specified in the Pricing Supplement, the Issuer has determined and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA) that the Notes issued or to be issued under this Programme shall be prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in the Monetary Authority of Singapore (the **"MAS"**) Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Prohibition of sales to EEA retail investors:

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (**"EEA"**). For these purposes, a "retail investor" means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **"MiFID II"**); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the **"Insurance Distribution Directive"**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the **"EU PRIIPs Regulation"**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or

otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

Prohibition of sales to UK retail investors:

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“UK”). For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law in the UK by virtue of the European Union (Withdrawal) Act 2018 (as amended, the “EUWA”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (as amended, the “FSMA”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the UK by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law in the UK by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

No retail product distribution conduct:

This Information Memorandum and the Notes are not for distribution to any person in Australia who is a retail client for the purposes of section 761G of the Corporations Act. No target market determination has been or will be made for the purposes of Part 7.8A of the Corporations Act.

Important notice to prospective investors - Hong Kong Code of Conduct for Persons Licensed by or Registered with the Securities and Futures Commission (paragraph 21 – bookbuilding and placing):

Prospective investors should be aware that certain intermediaries in the context of certain offerings of Notes pursuant to the program (each such offering, a “CMI Offering”), including certain Dealers, may be “capital market intermediaries” (“CMI”) subject to paragraph 21 of the Code of Conduct for Persons Licensed by or Registered with the Securities and Futures Commission (the “SFC Code”). This notice to prospective investors is a summary of certain obligations the SFC Code imposes on such CMIs, which require the attention and cooperation of prospective investors. Certain CMIs may also be acting as “overall coordinators” (“OCs”) for a CMI Offering and are subject to additional requirements under the SFC Code. The application of these obligations will depend on the role(s) undertaken by the relevant Dealer(s) in respect of each CMI Offering.

Prospective investors who are the directors, employees or major shareholders of the Issuer, a CMI or its group companies would be considered under the SFC Code as having an association (“Association”) with the Issuer, the CMI or the relevant group company. Prospective investors associated with the Issuer, or any CMI (including its group companies) should specifically disclose this when placing an order for the relevant Notes and should disclose, at the same time, if such orders may negatively impact the price discovery process in relation to the relevant CMI Offering. Prospective investors who do not disclose their Associations are hereby deemed not to be so associated. Where prospective investors disclose their Associations but do not disclose that such order may negatively impact the price discovery process in relation to the relevant CMI Offering, such order is hereby deemed not to negatively impact the price discovery process in relation to the relevant CMI Offering.

Prospective investors should ensure, and by placing an order prospective investors are deemed to confirm, that orders placed are bona fide, are not inflated and do not constitute duplicated orders (i.e., two or more corresponding or identical orders placed via two or more CMIs). A rebate may be offered by the Issuer to all private banks for orders they place (other than in relation to Notes subscribed by such private banks as principal whereby it is deploying its own balance sheet for onward selling to investors), payable upon closing of the relevant CMI Offering based on the principal amount of the Notes distributed by such private banks to investors. Private banks are deemed to be placing an order on a principal basis unless they inform the CMIs otherwise. As a result, private banks placing an order on a principal basis (including those deemed as placing an order as principal) will not be entitled to, and will not be paid, the rebate. Details of any such rebate will be set out in the applicable Pricing Supplement or otherwise notified to prospective investors.

If a prospective investor is an asset management arm affiliated with any relevant Dealer, such prospective investor should indicate when placing an order if it is for a fund or portfolio where the relevant Dealer or its group company has more than 50 per cent. interest, in which case it will be classified as a “proprietary order” and subject to appropriate handling by CMIs in accordance with the SFC Code and should disclose, at the same time, if such “proprietary order” may negatively impact the price discovery process in relation to the relevant CMI Offering. Prospective investors who do not indicate this information when placing an order are hereby deemed to confirm that their order is not a “proprietary order.” If a prospective investor is otherwise affiliated with any relevant Dealer, such that its order may be considered to be a “proprietary order” (pursuant to the SFC Code), such prospective investor should indicate to the relevant Dealer when placing such order. Prospective investors who do not indicate this information when placing an order are hereby deemed to confirm that their order is not a “proprietary order.” Where prospective investors disclose such information but do not disclose that such “proprietary order” may negatively impact the price discovery process in relation to the relevant CMI Offering, such “proprietary order” is hereby deemed not to negatively impact the price discovery process in relation to the relevant CMI Offering.

Prospective investors should be aware that certain information may be disclosed by CMIs (including private banks) which is personal and/or confidential in nature to the prospective investor. By placing an order, prospective investors are deemed to have understood and consented to the collection, disclosure, use and transfer of such information by the relevant Dealers and/or any other third parties as may be required by the SFC Code, including to the Issuer, OCs, relevant regulators and/or any other third parties as may be required by the SFC Code, it being understood and agreed that such information shall only be used for the purpose of complying with the SFC Code, during the bookbuilding process for the relevant CMI Offering. Failure to provide such information may result in that order being rejected.

No independent verification:

The Dealers and the Arranger have not separately verified the information contained in this Information Memorandum. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Information Memorandum. Neither this Information Memorandum nor any document or information incorporated by reference herein is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Dealers or the Arranger that any recipient of this Information Memorandum or any document or information incorporated by reference herein should purchase or acquire any Notes. The Dealer and the Arranger, if the same legal entity as the Issuer, act solely through a separate division of the Issuer in the context of this Information Memorandum and the Programme, without reference to any of its or its subsidiaries’ respective personnel or operations outside that division, and therefore, are not to be taken to be aware of any matters within the knowledge of such personnel or operations relating to the Issuer or the Programme.

Fees:

Each Dealer, its subsidiaries, directors and employees may receive fees, brokerage and commissions and may act as principal in dealing in any Notes.

Under the Programme, the Issuer may from time to time issue Notes as set out herein. A summary of the terms and conditions of the Programme and the Notes appears below. The applicable terms of any Note will be agreed between the Issuer and the relevant Dealer prior to the issuance of the Notes and will be set out in the Conditions of the Notes incorporated by reference into the Notes, as modified and supplemented by the relevant Pricing Supplement (as defined below) in respect of such Notes.

Unless otherwise defined in this Information Memorandum, words and expressions defined or used in the “Conditions of the Notes” below, as amended by any relevant Pricing Supplement in respect of a Series of Notes, or in that Pricing Supplement (as applicable), shall have the same meanings in this Information Memorandum.

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Information Memorandum and, in relation to the terms and conditions of any particular Tranche of Notes, the relevant Pricing Supplement. Words and expressions defined or used in the “Conditions of the Notes” below or any Pricing Supplement in respect of any Series of Notes (as applicable) shall have the same meanings in this summary. This summary must be read as an introduction to this Information Memorandum and any decision to invest in the Notes should be based on a consideration of this Information Memorandum as a whole, including the information and documents incorporated by reference.

Issuer:	Australia and New Zealand Banking Group Limited.
Description:	An Australian Dollar denominated Debt Issuance Programme allowing for the issuance of Medium Term Notes and Subordinated Notes.
Programme Size:	Unlimited.
Arranger:	Australia and New Zealand Banking Group Limited.
Dealers:	Australia and New Zealand Banking Group Limited. Additional Dealers may be appointed, from time to time, by the Issuer for any Tranche of Notes.
Direct Issues by Issuer:	The Issuer may also issue Notes directly to purchasers or investors (as applicable) procured by it. Such purchasers will be required to confirm and acknowledge to the Issuer in writing that the issue of the Notes resulted from the Notes being offered for issue as a result of negotiations being initiated publicly in electronic form (e.g. Thomson Reuters or Bloomberg), or in another form that was used by financial markets for dealing in debentures.
Method of Issue or Acceptance of Notes:	Notes will be issued on a syndicated or a non-syndicated basis. Notes may be issued by the Issuer in one or more Series having one or more Issue Dates and on terms otherwise identical (or identical other than in respect of the first payment of interest and related matters described below), with the Notes of each Series being intended to be interchangeable with all other Notes of those Series. Each Series of Notes may be issued in Tranches on the same or different Issue Dates. The specific terms of each Tranche (which will be supplemented, where necessary, with supplemental terms and conditions and, save in respect of the Issue Date, Issue Price, first payment of interest and principal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in a Pricing Supplement.
Issue Price:	Notes may be issued at their principal amount or at a discount or premium to their principal amount.
Form of Notes:	Notes will be issued in registered form. Notes will be constituted by a deed poll dated 20 June 2001 as last amended and restated on 17 September 2025 and as further amended and/or restated and/or supplemented from time to time (“ Deed Poll ”) made by the Issuer for the benefit of the Holders of those Notes from time to time and will take the form of entries on a Register maintained by the Registrar. A copy of the Deed Poll may be inspected during normal business hours at the offices of the Issuer or the Registrar or such other place

or places as may be determined from time to time and notified to the Holders.

The terms and conditions of the Notes ("**Conditions**") are contained in Schedule 1 to the Deed Poll and are modified and supplemented by the relevant Pricing Supplement.

Title:	Entry of the name of the person in the Register in respect of a Note constitutes the obtaining or passing of title and is conclusive evidence that the person so entered is the Holder of the Notes. No certificates or other evidence of title will be issued to Holders unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation. Notes that are held in the Austraclear System will be registered in the name of Austraclear Ltd and title to the Notes will be determined in accordance with the Austraclear Regulations.
Payments:	Payments will be made on the payment dates specified in the Pricing Supplement to the Holder whose name is entered in the Register as at 5.00pm local Registry Office time on the relevant Record Date. Payments in respect of Notes lodged within the Austraclear System will be made by crediting the amount due to the account of the Holder in accordance with the Austraclear Regulations. If Notes are not lodged in the Austraclear System, payments will be made to the account of the Holder noted on the Register. If no account is notified then payments will be made by cheque mailed on the Business Day immediately preceding the relevant Interest Payment Date or on the Maturity Date (as applicable) to the Holder at its address appearing on the Register as at 5.00pm local Registry Office time on the relevant Record Date.
Maturities:	Any maturity, subject to compliance with legal and regulatory requirements. The Maturity Date applicable to each Tranche of Notes will be specified in the relevant Pricing Supplement.
Denominations:	Notes will be issued in such denominations as may be specified as the Specified Denominations in the relevant Pricing Supplement subject to compliance with all applicable legal and/or regulatory and/or central bank requirements. Notes may only be issued in Australia if the aggregate consideration payable by the investor or purchaser is at least A\$500,000 (disregarding moneys lent by the Issuer or its associates) or if the Notes are otherwise issued in a manner that does not require disclosure to investors in accordance with Part 6D.2 (disregarding section 708(19)) or Chapter 7 of the Corporations Act 2001 (Cth) ("Corporations Act") and does not constitute an offer to a "retail client" as defined for the purposes of section 761G of the Corporations Act. Notes may only be issued by the Issuer in a jurisdiction or jurisdictions other than Australia if the issue is in compliance with the laws of the jurisdiction in which the issue is made and the Notes are otherwise issued in a manner that does not require disclosure to investors under the laws of that jurisdiction or those jurisdictions.
Transfer of Notes and issue of ANZGHL Ordinary Shares:	Notes may only be transferred in accordance with the Conditions. Transfers of Notes held in the Austraclear System or any other clearing system specified in the relevant Pricing Supplement will be

made in accordance with the Austraclear Regulations or the rules and regulations of the relevant clearing system (as appropriate).

In the case of Subordinated Notes, if a Non-Viability Trigger Event occurs and the Subordinated Notes are to be Converted into ANZGHL Ordinary Shares, such ANZGHL Ordinary Shares will be issued to the person who is a Participant (as defined in the Austraclear Regulations) in the Austraclear System (or, in certain circumstances, to another person nominated by the Issuer).

ANZGHL Ordinary Shares are not tradeable in the Austraclear System. Subordinated Notes must be Converted immediately on the occurrence of a Non-Viability Trigger Event (as described further below in “Additional Note Risks (Subordinated Notes)”) and this may affect or disrupt trading or other transactions in connection with the Subordinated Notes. Neither the Issuer nor ANZGHL is responsible for any such effects or disruptions and the consequences of any Conversion or Write-Off for persons interested in the Subordinated Notes in a clearing system are matters for the rules, regulations and procedures of Austraclear or other clearing system specified in the relevant Pricing Supplement and the terms of any dealings between persons interested in the Subordinated Notes.

In all other cases, applications for the transfer of Notes must be made by lodgement of a duly completed (if applicable) stamped transfer and acceptance form with the Registrar. Transfer and acceptance forms can be obtained from the Registrar. The transfer takes effect upon the transferee’s name being entered on the Register.

Notes are only transferable within, to or from Australia in the denominations specified in the relevant Pricing Supplement and Notes may only be transferred within, to or from Australia if the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (disregarding moneys lent by the transferor or its associates) or the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 (disregarding section 708(19)) or Chapter 7 of the Corporations Act, and provided in each case that the transfer does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act.

Notes may only be transferred between persons in a jurisdiction or jurisdictions other than Australia if the transfer is in compliance with the laws of the jurisdiction in which transfer takes place and the Notes are otherwise transferred in a manner that does not require disclosure to investors under the laws of that jurisdiction or jurisdictions.

Fixed Rate Notes:

Fixed Rate Notes will bear a fixed rate of interest payable in arrear on the Interest Payment Date or Dates in each year as specified in the relevant Pricing Supplement.

Floating Rate Notes:

Floating Rate Notes will bear interest set separately for each Series at a rate determined by reference to the reference rate as specified in the Pricing Supplement, as adjusted by any applicable Margin. Interest Periods and Interest Payment Dates will be specified in the relevant Pricing Supplement.

The Conditions contain provisions to replace the reference rate with a successor reference rate in certain circumstances, without a requirement for the consent of Holders.

In the case of Subordinated Notes, any successor reference rate and any terms and other relevant methodology for calculating such rate is subject to the prior written approval of the Australian Prudential Regulatory Authority (“APRA”). Subordinated Noteholders should note that APRA's approval may not be given for any successor reference rate, or any terms and other relevant methodology for calculating such rate it considers to have the effect of increasing the Rate of Interest contrary to applicable prudential standards.

Index Linked Notes: Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of, respectively, Index Linked Redemption Notes and Index Linked Interest Notes will be calculated by reference to such stock or commodity or other index, currency exchange rate and/or formula as the Issuer and the relevant Dealer or other investor may agree (as specified in the relevant Pricing Supplement). A Subordinated Note cannot be an Index Linked Note.

Zero Coupon Notes: Zero Coupon Notes may be issued at their Principal Amount or at a discount to it and will not bear interest. A Subordinated Note cannot be a Zero Coupon Note.

Interest Periods and Interest Rates: The length of the Interest Periods for the Notes and the applicable Rate of Interest or its method of calculation may differ from time to time or be constant for any Series. Notes may have a Maximum Rate of Interest, a Minimum Rate of Interest or both. The use of Interest Accrual Periods permits the Note to bear interest at different rates in the same Interest Period. All such information will be set out in the relevant Pricing Supplement. A Minimum Rate of Interest or Maximum Rate of Interest cannot be specified for a Subordinated Note.

Other Notes: The Issuer may from time to time issue Notes in a form not contemplated by the “Conditions of the Notes” herein. Terms applicable to any other type of Note that the Issuer may agree to issue and any relevant Dealer(s) or other investor may agree to purchase under the Programme will be set out in the relevant Pricing Supplement.

Note Risks: There are risks associated with an investment in the Notes. Prospective investors or purchasers should consult their own financial, tax and legal advisers about the risks associated with an investment in a particular Tranche of Notes and the suitability of investing in the Notes in light of their particular circumstances. Without limiting this statement, investors should consider particular risks associated with investing in Subordinated Notes described below.

Optional Redemption: The Pricing Supplement issued in respect of each Series of Notes will state whether such Notes may be redeemed (either in whole or in part) prior to their stated maturity at the option of the Issuer or the Holders, and if so the terms applicable to such redemption. Notwithstanding the foregoing, Holders will have no option to require redemption of any Subordinated Notes prior to their stated maturity.

In the case of Subordinated Notes, the Optional Redemption Date must not be earlier than 5 years from the Issue Date.

If Clean-Up Call is specified as being applicable in the relevant Pricing Supplement and 75 per cent. or more in aggregate principal amount of the relevant Series of Notes issued has been redeemed or purchased and cancelled, the Issuer may elect to redeem all (but not

some) of those Notes on the Residual Redemption Date (which must be an Interest Payment Date) in accordance with the Conditions. A Clean-Up Call cannot be specified for a Subordinated Note.

Redemption by instalments:

The Pricing Supplement in respect of each Series of Notes that are redeemable in two or more instalments will set out the Instalment Amounts in which and Instalment Dates on which the Notes may be redeemed. A Subordinated Note may not be redeemable by instalments.

Redemption for tax reasons:

In certain circumstances following notice by the Issuer, all of the Notes of a Series may be redeemed following any changes in tax law which give rise to an obligation of the Issuer to make a withholding or deduction and pay additional amounts, and in certain other circumstances (as provided in Condition 6.2).

Status of Notes:

The status of the Notes is as set out in Condition 3. In addition, a simplified diagram illustrating the expected ranking of the Notes compared to other creditors of the Issuer is set out in the section below titled "Ranking of Notes in a Winding-Up of the Issuer".

The Issuer is an "authorised deposit-taking institution" ("**ADI**") within the meaning of that term in the Banking Act 1959 of Australia (the "**Banking Act**").

The Notes will be direct, unsecured and general obligations of the Issuer and:

- in the case of Notes other than Subordinated Notes, will rank equally with all other present and future unsecured and unsubordinated obligations of the Issuer (other than certain debts of the Issuer required to be preferred by the relevant law, including without limitation amounts given priority under the Banking Act and the Reserve Bank Act 1959 of Australia (the "**Reserve Bank Act**")); and
- in the case of Subordinated Notes, will be subordinated obligations of the Issuer and will rank *pari passu* among themselves and rank *pari passu* with all Equal Ranking Securities.

Section 13A(3) of the Banking Act provides that, in the event an ADI (such as the Issuer) becomes unable to meet its obligations or suspends payment, the ADI's assets in Australia are available to meet specified liabilities of the ADI in priority to all other liabilities of the ADI (including the Notes). These specified liabilities include certain obligations of the ADI to APRA in respect of amounts payable by APRA to holders of protected accounts, other liabilities of the ADI in Australia in relation to protected accounts, debts to the Reserve Bank of Australia ("**RBA**") and certain other debts to APRA.

Under section 16(2) of the Banking Act and subject to section 13A(3) of the Banking Act, in a winding up of the Issuer certain other debts of the Issuer due to APRA shall have priority over all other unsecured debts of the Issuer. Further, section 86 of the Reserve Bank Act provides that in a winding-up of the Issuer, debts due by the Issuer to the RBA shall, subject to section 13A(3) of the Banking Act, have priority over all other debts of the Issuer.

The Notes will not be a deposit liability or protected account or otherwise benefit from a priority under the Banking Act or the Reserve Bank Act.

Medium Term Notes

Medium Term Notes will constitute direct, unconditional, senior, unsubordinated and unsecured obligations of the Issuer ranking *pari passu* among themselves and with all present and future unsubordinated and unsecured obligations of the Issuer (save for certain liabilities mandatorily preferred by law including, but not limited to, amounts given priority under the Banking Act and the Reserve Bank Act).

The Medium Term Notes do not constitute a deposit liability or a protected account for the purposes of the Banking Act.

Subordinated Notes

Subordinated Notes will constitute direct and unsecured subordinated obligations of the Issuer and rank *pari passu* among themselves and with all Equal Ranking Securities. Equal Ranking Securities include any other instruments that are Relevant Tier 2 Securities.

The Subordinated Notes will be mandatorily Converted into ANZGHL Ordinary Shares or Written-Off (as specified in the relevant Pricing Supplement) where this is determined by APRA to be necessary on the grounds that the Issuer would otherwise become non-viable.

A Non-Viability Trigger Event could occur before or after the Issuer is in a winding-up. Where the Subordinated Notes of a Subordinated Noteholder are Converted into ANZGHL Ordinary Shares, Subordinated Noteholders have the claims of a holder of ANZGHL Ordinary Shares. If, following a Non-Viability Trigger Event, Subordinated Notes are Written-Off, Subordinated Noteholders have no claim at all on the Issuer or ANZGHL, notwithstanding whether any ANZGHL Ordinary Shares or Junior Ranking Securities remain outstanding.

The terms of the Subordinated Notes provide that, prior to the winding-up of the Issuer, the obligation of the Issuer to make payments (including of any principal, additional amounts and interest) on the Subordinated Notes, will be conditional on the Issuer being Solvent at the time of, and immediately after, such payment by the Issuer. Any such failure to pay will not be considered an Event of Default for the purposes of the Subordinated Notes.

The Subordinated Notes do not constitute a deposit liability or a protected account for the purposes of the Banking Act, and are not insured or guaranteed by any government, governmental agency or compensation scheme of Australia or any other jurisdiction or by any party. The terms of the Subordinated Notes do not limit the amount of the liabilities ranking senior to or equally with any Subordinated Notes which may be incurred or assumed by the Issuer from time to time, whether before or after the date of issue of the relevant Subordinated Notes. See also "Additional Note Risks (Subordinated Notes)" below.

Cross Default:

Austraclear:

Unless otherwise specified in the relevant Pricing Supplement, application will be made to Austraclear Ltd (ABN 94 002 060 773) for approval for each Tranche of Notes to be traded on the settlement system operated by Austraclear Ltd (in accordance with the Regulations and Operating Manual of Austraclear Ltd).

Registrar:	Austraclear Services Limited (ABN 28 003 284 419).
Tax File Number:	The Issuer will deduct tax from payments of interest on the Notes at the highest marginal tax rate plus the highest Medicare levy if an Australian resident investor or a non-resident investor carrying on business in Australia at or through a permanent establishment of the non-resident in Australia has not supplied an appropriate tax file number, Australian Business Number or exemption details.
Withholding Tax:	All payments by the Issuer of principal and interest in respect of the Notes will be made free and clear of all Australian withholding taxes, subject to exceptions, all as described in Condition 13 (Taxation).
Public Offer Test:	The Issuer proposes to issue Notes and to make payments of interest in a manner which will satisfy the requirements of section 128F of the Income Tax Assessment Act 1936 (Cth) of Australia (unless otherwise specified in the applicable Pricing Supplement).
Stamp Duty:	Any stamp duty incurred at the time of the issue of the Notes will be for the account of the Issuer. Any stamp duty payable on the transfer of the Notes will be for the account of the investors. Investors are advised to seek independent advice regarding any stamp duty or other taxes imposed by any jurisdiction upon the transfer of, or interests in, Notes.
Governing Law:	State of Victoria and Commonwealth of Australia.
Listing:	Application may be made for one or more Tranches of Notes issued under the Programme to be listed on the Australian Securities Exchange or admitted to listing, trading and/or quotation on such other exchange, listing authority or quotation system specified in the relevant Pricing Supplement if agreed between the Issuer and the relevant Dealers and specified in the Pricing Supplement. Notes which are listed on the Australian Securities Exchange will not be transferred through or registered on the Clearing House Electronic Subregister System (“CHESS”) and will not be CHESS approved securities. In the event that an interface between the Register maintained by the Registrar and CHESS is established the documents relating to the Programme may be amended to facilitate settlement on CHESS and so the Notes will become CHESS approved securities. Notes may also be unlisted.
Selling Restrictions:	See the jurisdictions and restrictions set out in “Subscription and Sale”. The Issuer is “Category 2” for the purpose of Regulation S under the Securities Act.
Rating:	Notes may be rated. A rating is not a recommendation to buy, sell or hold Notes and is subject to variation, suspension or withdrawal at any time by the assigning organisation. Any credit rating in respect of any Notes or the Issuer is for distribution only to persons who are not a “retail client” within the meaning of section 761G of the Corporations Act and are also sophisticated investors, professional investors or other investors in

respect of whom disclosure is not required under Part 6D.2 or Chapter 7 of the Corporations Act and, in all cases, in such circumstances as may be permitted by applicable law in any jurisdiction in which an investor may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives it must not distribute it to any person who is not entitled to receive it.

Calculation Agent:

A Calculation Agent may be named in the Pricing Supplement in respect of each Tranche of Notes. In certain circumstances, the Issuer may terminate the appointment of the Calculation Agent and appoint additional calculation agents or appoint a leading bank or investment banking firm involved in the interbank market that is most closely connected with the calculation to act as a Calculation Agent. A Calculation Agent may not resign its duties without a successor having been appointed.

**Additional Note Risks
(Subordinated Notes):**

Without in any way limiting the section above titled "Note Risks", certain additional risks arise in respect of Subordinated Notes.

Conversion or Write-Off of Subordinated Notes on a Non-Viability Trigger Event

Subordinated Notes will be mandatorily Converted into ANZGHL Ordinary Shares or Written-Off (as specified in the relevant Pricing Supplement and as further described below) where APRA determines that (1) such Conversion or Write-Off is necessary because, without it, the Issuer would become non-viable; or (2) without a public sector injection of capital or equivalent support, the Issuer would become non-viable.

If the Pricing Supplement specifies Conversion but, for any reason, the Subordinated Notes have not been Converted within five Business Days after the Trigger Event Date, the principal amount of such Subordinated Note will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date.

If a Subordinated Note of a Subordinated Noteholder is Written-Off, the Subordinated Noteholder's rights under that Subordinated Note are immediately and irrevocably terminated for no consideration and the Subordinated Noteholder will suffer a total loss of their investment as a consequence.

In the event that a Non-Viability Trigger Event occurs, the Deed of Undertaking governs the obligations of ANZGHL to issue any ANZGHL Ordinary Shares to be issued by ANZGHL upon Conversion of Subordinated Notes.

The circumstances under which APRA would determine that the Issuer is non-viable are uncertain

A Non-Viability Trigger Event could occur at any time.

It is a requirement under APRA's prudential standards that any term subordinated debt, in order to be eligible for inclusion as regulatory capital, contain provisions for conversion or write-off in the event of non-viability. Whether the Issuer is non-viable is determined by APRA. The prudential standards do not define non-viability and APRA has not provided specific guidance on how it would determine non-viability. Non-viability could be expected to include a serious impairment of the Issuer's financial position. However, it is possible that APRA's view of non-viability may not be confined to solvency or capital measures and APRA's position on these matters may change over time. APRA has indicated that non-viability is likely to arise prior

to the insolvency of an authorised deposit-taking institution. Non-viability may be significantly impacted by a number of factors, including factors which impact the business, operation and financial condition of the Issuer, such as systemic and non-systemic macro-economic, environmental and operational factors.

In certain circumstances ANZGHL Ordinary Shares issued on Conversion may be issued to a nominee for sale

In certain circumstances, the ANZGHL Ordinary Shares that an investor would receive on Conversion will be issued to a nominee, who will sell the shares on behalf of that investor. None of the Issuer, ANZGHL or the nominee owes any obligations or duties in relation to the price at which ANZGHL Ordinary Shares are sold or has any liability for any loss suffered by a Subordinated Noteholder as a result of the sale of ANZGHL Ordinary Shares. The nominee will have no duty to obtain a fair market price in its sale of ANZGHL Ordinary Shares or to engage in an arm's length transaction in such sale, and market conditions are likely to have deteriorated following the Non-Viability Trigger Event that caused the Conversion. There is a risk that the nominee may be unable to sell the shares at all or that the sale may be delayed.

There are provisions of Australian law that are relevant to the ability of any person to acquire interests in the Issuer or ANZGHL beyond the limits prescribed by those laws. Subordinated Noteholders should take care to ensure that by acquiring any Subordinated Notes which provide for such Subordinated Notes to be Converted to ANZGHL Ordinary Shares, they do not breach any applicable restrictions on the ownership of interests in ANZGHL. If the acquisition or Conversion of such Subordinated Notes by the Subordinated Noteholder or a nominee would breach those restrictions, ANZGHL may be prevented from Converting such Subordinated Notes and where Conversion is required such Subordinated Notes may be required to be Written-Off.

Other Relevant Securities are likely to contain similar provisions for the issue of ANZGHL Ordinary Shares to a nominee on Conversion and for the nominee to sell the ANZGHL Ordinary Shares. The larger the volume of ANZGHL Ordinary Shares that is required to be issued to a nominee for sale on Conversion, the more difficult it may be for any nominee to sell such ANZGHL Ordinary Shares. There is a risk that the market price for ANZGHL Ordinary Shares may be adversely affected in such circumstances.

In addition, there is a risk that the Issuer may be unable to appoint a nominee to receive ANZGHL Ordinary Shares to be issued on Conversion within five Business Days of the Trigger Event Date.

If Subordinated Notes are Written-Off an investor may lose some or all of the value of its Subordinated Notes

If Subordinated Notes are Written-Off, investors will lose some or all of the value of their investment and will not receive any compensation.

An investor may receive ANZGHL Ordinary Shares worth significantly less than the principal amount of their Subordinated Notes and those ANZGHL Ordinary Shares may be subject to transfer restrictions

Where Subordinated Notes are Converted, investors may receive ANZGHL Ordinary Shares worth significantly less than the principal amount of their Subordinated Notes.

There may be no market in ANZGHL Ordinary Shares received on Conversion and investors may not be able to sell the ANZGHL Ordinary Shares at a price equal to the value of their investment and as a result may suffer loss. The sale of ANZGHL Ordinary Shares may also be restricted by applicable Australian law and as a result investors may suffer loss.

The Non-Viability Determination may require some or all Relevant Securities be converted. Where it requires only some be converted, in determining the number of Subordinated Notes that are Converted, the Issuer first takes into account the conversion of Relevant Tier 1 Securities and then treats Relevant Tier 2 Securities (including the Subordinated Notes) on an approximately pro-rata basis or as further described in the terms and conditions of the Subordinated Notes. Where all Relevant Securities are required to be converted, all Relevant Tier 2 Securities and Relevant Tier 1 Securities may be converted at the same time. In this circumstance, the effect is that the rights attaching to Relevant Tier 1 Securities would not be cancelled, limited or subject to loss absorption before Relevant Tier 2 Securities (including Subordinated Notes) are themselves subject to loss absorption. The Banking Act does not impose on APRA a requirement to ensure that, in the exercise of its powers, holders of regulatory capital securities (such as Subordinated Notes) are no worse off than they would be in an insolvency. The number of ANZGHL Ordinary Shares an investor will receive is determined by the conversion formula applicable to the Subordinated Notes and not by APRA or by their ranking in a winding up if APRA were not to issue a Non-Viability Determination.

Subordinated Noteholders should be aware that:

- There is no obligation on the Issuer to issue, or maintain on issue, any Relevant Securities that it has issued or may decide to issue in the future. As a result, if a Non-Viability Trigger Event requiring the Conversion of some but not all Subordinated Notes occurs, the relative impact on the Subordinated Notes will depend on the amount of Relevant Securities other than the Subordinated Notes (if any) that are on issue at that time and whether those Relevant Securities are Relevant Tier 1 Securities or Relevant Tier 2 Securities.
- As at the date of this Information Memorandum, Relevant Tier 1 Securities include the securities eligible for inclusion as Additional Tier 1 Capital (as defined by APRA from time to time). APRA has proposed that Additional Tier 1 Capital be phased out from 1 January 2027. This is likely to decrease the amount (if any) of Relevant Tier 1 Securities and increase the amount of Relevant Tier 2 Securities that are on issue from time to time, which could adversely affect the outcomes for holders of Subordinated Notes in the event of a Non-Viability Trigger Event. The transitional arrangements that will apply to Additional Tier 1 Capital instruments on issue on 1 January 2027 are subject to on-going consultation with APRA, however it is expected that no Additional Tier 1 Capital instruments of the Issuer would remain on issue after 1 January 2032. Accordingly, from that date, the only securities ranking junior to the Subordinated Notes in a winding-up would be ordinary shares in the Issuer, and if a Non-Viability Trigger Event were to occur there would be no Relevant

Tier 1 Securities to be Converted before the Subordinated Notes are required to be Converted.

- There is no requirement that the rights attaching to ANZGHL Ordinary Shares be cancelled or limited before Relevant Securities (including Subordinated Notes) are subject to loss absorption.

Subordinated Noteholders should also be aware that a Non-Viability Trigger Event may occur more than once. For example, as a result of a Non-Viability Trigger Event, a partial conversion of some Relevant Securities may occur and yet fail to restore the Issuer to viability. In that case, if a further Non-Viability Trigger Event occurs, the Relevant Securities that remain on issue (which may include Subordinated Notes) may be subject to loss absorption in circumstances where there has been a further deterioration in the financial position of the Issuer and holders of those Relevant Securities may have a worse outcome than holders of the Relevant Securities that were previously subject to loss absorption.

Limited remedies available for non-payment and breach

Depending upon its performance and financial position, there is a risk that the Issuer may default on payment of some or all of the interest or principal on a Subordinated Note. In this case, investors' rights are limited to certain specified remedies and, for example, investors do not have the right to require the Issuer to redeem the Subordinated Note early. Although the Conditions may specify certain remedies (for example, seeking an order for the winding-up of the Issuer) the grant of those remedies may be in the discretion of the court, and as such may not be granted.

Investors should note in particular Conditions 3.2, 7 to 10 (inclusive), 15.2 and 16 and the Schedule to the Conditions.

ANZGHL Ordinary Shares:	For a description of the rights and liabilities attaching to ANZGHL Ordinary Shares issued on Conversion of the Subordinated Notes, see the section "Description of ANZGHL Ordinary Shares" below.
Redemption for regulatory reasons (Subordinated Notes):	The Pricing Supplement issued in respect of each Series of Subordinated Notes will state whether those Subordinated Notes may be redeemed if a Regulatory Event occurs (as provided in Condition 6.3).
Approval of APRA for redemption (Subordinated Notes):	The Issuer may not redeem any Subordinated Notes or purchase, or procure that any of its Related Entities purchase, any Subordinated Notes without the prior written approval of APRA. Prospective purchasers of Subordinated Notes should not expect that APRA's consent will be given for any redemption of Subordinated Notes. Any redemption of Subordinated Notes does not imply or indicate that the Issuer will exercise any redemption right of other outstanding Subordinated Notes or any other Relevant Securities in the future. APRA has stated that, consistent with its prudential requirements, where it considers any replacement capital to be more expensive (including because of higher credit margins), APRA may not approve a redemption unless the issuer of the notes satisfies it as to the economic and prudential rationale for the redemption and that the redemption will not create an expectation that other regulatory capital instruments will be redeemed in similar circumstances. The matters

to which APRA may have regard in considering whether to give its approval are not limited and may change.

**Conditions to redemption
(Subordinated Notes):**

The Issuer will not be permitted to redeem any Subordinated Note unless (1) the Subordinated Note is replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Subordinated Note is done under conditions that are sustainable for the Issuer's income capacity or (2) APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 is well above its minimum capital requirements after the Issuer elects to redeem the Subordinated Note.

**Approved NOHC
(Subordinated Notes):**

The Issuer may, without the consent of Subordinated Noteholders (but with the prior written approval of APRA), amend the terms and conditions of the Subordinated Notes to enable substitution of an Approved NOHC as the issuer of ordinary shares on Conversion upon the occurrence of a Non-Viability Trigger Event. Investors should note Condition 10.

**No Set-Off (Subordinated
Notes):**

Neither the Issuer nor a Subordinated Noteholder has any contractual right to set off any sum at any time due and payable to a Subordinated Noteholder or the Issuer (as applicable) under or in relation to the Subordinated Notes against amounts owing by the Subordinated Noteholder to the Issuer or by the Issuer to the Subordinated Noteholder (as applicable).

RANKING OF NOTES IN A WINDING-UP OF THE ISSUER

The table¹ below illustrates how the Notes would rank upon a winding-up of the Issuer, if they are on issue at the time. In the table, a 'higher ranking' obligation is one which will be paid out of the Issuer's available assets in a winding-up before obligations with a lower ranking. It may be that lower ranking securityholders will only have part or none of their obligations paid, as there may be insufficient assets remaining to do so after higher ranking obligations have been paid.

	Type of obligation	Examples of obligations/securities
Higher ranking/earlier priority 	Secured debt and liabilities preferred by law	Senior ranking secured obligations (such as collateralised liabilities to central banks and clearing houses). Liabilities which the Banking Act provides are to be paid out of the Issuer's assets in Australia in priority to liabilities in respect of Notes, including protected accounts in Australia (such as current accounts, savings accounts and term deposit accounts and certain liabilities to APRA and debts to the RBA); other liabilities preferred in a winding-up, such as debts due to the RBA, costs of the winding-up and certain employee entitlements.
	Medium Term Notes	Unsubordinated unsecured debt The Medium Term Notes, other bonds and notes, trade and general creditors. (Note: covered bonds are an unsecured claim on the Issuer but are secured over certain assets).
	Subordinated Notes	Subordinated unsecured debt The Subordinated Notes and other Tier 2 Capital instruments issued by the Issuer. If a Subordinated Note is Converted, any ANZGHL Ordinary Shares that a Holder receives on Conversion will rank equally with other ANZGHL Ordinary Shares and the Holder will have no further claim on the Issuer. If a Subordinated Note is Written-Off, Subordinated Noteholders have no further claims on the Issuer or ANZGHL (even though ANZGHL Ordinary Shares will still be on issue) and they are likely to be worse off than holders of ANZGHL Ordinary Shares or of ordinary shares in the Issuer.
	Preference shares and other equally ranked instruments	Additional Tier 1 Capital instruments (such as capital notes and convertible preference shares) and other obligations ranking senior only to ordinary shares in the Issuer. ²
Lower ranking/later priority	Ordinary shares	Ordinary shares in the Issuer.

¹ This is a very simplified capital structure of the Issuer and does not include every type of security or other obligation issued by the Issuer. The Issuer has the right to issue further debt, deposits or other obligations or securities of any kind at any time. The Conditions of the Notes do not limit the amount of senior debt, deposits or other obligations or securities that may be incurred or issued by the Issuer at any time.

² APRA has proposed that Additional Tier 1 Capital be phased out from 1 January 2027. See "Additional Note Risks (Subordinated Notes)".

Where Austraclear is recorded in the Register as the Holder, each person in whose Security Record (as defined in the Austraclear Regulations) that Note is recorded is deemed to acknowledge in favour of the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of the Note does not constitute a recommendation or endorsement by the Registrar or Austraclear in relation to the Note but only indicates that such Note is considered by the Registrar to be compatible with the performance by it of its obligations as Registrar under its agreement with the Issuer to act as Registrar of the Note; and
- (b) the Holder does not rely on any fact, matter or circumstance contrary to Condition 2.8(a).

2.9 Australian Securities Exchange Listing

Notes which are listed on the Australian Securities Exchange will not be transferred through or registered on CHESS and will not be CHESS approved securities. In the event that an interface between the Register maintained by the Registrar and CHESS is established the Conditions and any other Programme documents may be amended to facilitate settlement on CHESS and so that the Notes will become CHESS approved securities.

3 Status

The Notes may be Medium Term Notes or Subordinated Notes as specified in the applicable Pricing Supplement.

The Notes are not a deposit liability or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

3.1 Medium Term Notes

The Medium Term Notes constitute senior, direct, unconditional and unsecured obligations of the Issuer and rank *pari passu* among themselves and *pari passu* with all other present and future unsubordinated and unsecured obligations of the Issuer (save for certain liabilities mandatorily preferred by law including, but not limited to, amounts given priority under the Banking Act and the Reserve Bank Act).

The Medium Term Notes rank senior to the Issuer's subordinated obligations, including the Subordinated Notes.

The Medium Term Notes are not a deposit liability or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

3.2 Subordinated Notes

The Subordinated Notes constitute direct and unsecured subordinated obligations of the Issuer and, unless otherwise specified in the applicable Pricing Supplement and subject to Conditions 7 to 9 (inclusive), rank *pari passu* among themselves and with Equal Ranking Securities. In the event of the winding-up of the Issuer (see Condition 16) and prior to the commencement of the winding-up of the Issuer (see Condition 5.16), the principal amount of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will rank behind all claims of Senior Creditors and subject to Conditions 7 to 9 (inclusive), *pari passu* with Equal Ranking Securities and ahead of Junior Ranking Securities.

Neither the Issuer nor a Subordinated Noteholder has any contractual right to set off any sum at any time due and payable to a Subordinated Noteholder or the Issuer (as applicable) under or in relation to the Subordinated Notes against amounts owing by the Subordinated Noteholder to the Issuer or by the Issuer to the Subordinated Noteholder (as applicable).

The Subordinated Notes do not limit the amount of liabilities ranking senior to the Subordinated Notes that may be hereafter incurred or assumed by the Issuer.

The Subordinated Notes are not a deposit liability of the Issuer or protected account for the purposes of the Banking Act and do not otherwise benefit from a priority under the Banking Act or other applicable law.

4 Interest and other calculations

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

If a Fixed Coupon Amount or a Broken Amount is specified in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the applicable Pricing Supplement.

5 Interest on Floating Rate Notes and Index Linked Interest Notes

5.1 Interest Payment Dates:

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding Principal Amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either specified in the Pricing Supplement as the Interest Payment Dates or, if no Interest Payment Date(s) are specified, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Pricing Supplement as the Interest Period after the preceding Interest Payment Date or, the case of the first Interest Payment Date, after the Interest Commencement Date.

5.2 Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined by the Calculation Agent in the manner specified in the Pricing Supplement and the provisions below relating to Screen Rate Determination, BBSW Rate Determination and or AONIA Rate Determination shall apply (as the case may be and as amended by the Pricing Supplement).

5.3 Screen Rate Determination

- (a) If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall (subject to Condition 5.4) be calculated (as determined by the Calculation Agent) on the following basis:
 - (i) if the Reference Rate is a composite quotation or a quotation customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page at the then prevailing Publication Time on the relevant Interest Determination Date; or
 - (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page at the then prevailing Publication Time on the relevant Interest Determination Date;
- (b) if paragraph (a)(i) above applies and no Reference Rate appears on the Relevant Screen Page at the then prevailing Publication Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Reference Rates appear on the Relevant Screen Page at the then prevailing Publication Time on the Interest Determination Date or if, in either case, the Relevant Screen Page is unavailable, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Reference Rates that each of the Reference Banks is quoting (or such of them, being at least two, as are so quoting) to leading banks in the Relevant Financial Centre at the Publication Time on the Interest Determination Date, as determined by the Calculation Agent; and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting the Reference Rate, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Reference Rate) that at least two out of five leading banks selected by the Calculation Agent (after consultation with the Issuer) in the Relevant

Financial Centre, are quoting at or about the then prevailing Publication Time for a period equivalent to the relative Interest Accrual Period to leading banks carrying on business in the Relevant Financial Centre; except that, if fewer than two of such banks are so quoting to such leading banks, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (in the case of the Medium Term Notes only, after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

5.4 Screen Rate Benchmark Replacement

If the Calculation Agent determines that the Reference Rate has been affected by a Reference Rate Disruption Event, then the following provisions shall apply:

- (a) the Calculation Agent shall use as the “Reference Rate” such Successor Reference Rate and such terms and other methodology described in paragraph (b) below that it has determined;
- (b) if the Calculation Agent has determined a Successor Reference Rate in accordance with paragraph (a) above, the Calculation Agent may determine the Business Day Convention, the definitions of Business Day, Day Count Fraction, Publication Time, Relevant Screen Page, Relevant Time, Reference Rate and Interest Determination Date and any other relevant methodology for calculating such Successor Reference Rate, including any adjustment factor it determines is needed to make such Successor Reference Rate comparable to the Reference Rate, subject to APRA's prior written approval in the case of Subordinated Notes; and
- (c) if, in respect of an Interest Period or an Interest Accrual Period, the Calculation Agent is unable to determine a Successor Reference Rate in accordance with paragraphs (a) and (b) above, the Reference Rate for:
 - (i) that Interest Period or Interest Accrual Period shall be the Reference Rate determined on the previous Interest Determination Date; and
 - (ii) any subsequent Interest Periods or Interest Accrual Periods shall be determined in accordance with paragraphs (a) and (b) above and, if necessary, this paragraph (c).

In the case of Subordinated Notes only, any Successor Reference Rate determined by the Calculation Agent in accordance with paragraph (a) above, and any terms and other relevant methodology for calculating such Successor Reference Rate (including any adjustment factor to the Successor Reference Rate) determined by the Calculation Agent in accordance with paragraph (b) above, will be subject to the prior written approval of APRA having been obtained in each case.

Subordinated Noteholders should note that APRA's approval may not be given for any Successor Reference Rate, and any terms and other relevant methodology for calculating such Successor Reference Rate (including any adjustment factor to the Successor Reference Rate) it considers to have the effect of increasing the Rate of Interest contrary to applicable prudential standards.

- (d) In making its determinations in accordance with Condition 5.4, the Calculation Agent:
 - (i) shall act in good faith and in a commercially reasonable manner; and
 - (ii) may consult with such sources of market practice as it considers appropriate,

but otherwise may make such determination in its discretion (subject, in the case of Subordinated Notes only, to the requirement for APRA's prior written approval as specified in this Condition 5.4 above).

- (e) For the purposes of this Condition 5.4:
 - (i) **“Reference Rate Disruption Event”** means that:
 - (A) the Reference Rate has been discontinued or otherwise ceased to be calculated or administered; or
 - (B) the Reference Rate is no longer generally accepted in the Australian market as a reference rate appropriate to floating rate debt securities of a tenor and interest period comparable to that of the Floating Rate Security; and
 - (ii) **“Successor Reference Rate”** means a rate that is generally accepted in the Australian market as the successor to the Reference Rate, or if there is no such rate, a reference rate appropriate to floating rate debt securities of a tenor and interest period most comparable to that of the Floating Rate Security.

5.5 BBSW Rate Determination and AONIA Rate Determination

- (a) Where BBSW Rate Determination or AONIA Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate of Interest is to be determined for each Interest Period, the Rate of Interest applicable to the Floating Rate Notes for each such Interest Period is the sum of the Margin and either (x) the BBSW Rate or (y) the AONIA Rate as specified in the relevant Pricing Supplement.
- (b) Each Holder shall be deemed to acknowledge, accept and agree to be bound by, and consents to, the determination of, substitution for and any adjustments made to the BBSW Rate or the AONIA Rate, as applicable, in each case as described in this Condition 5.5 and in Condition 5.6 below (in all cases without the need for any Holder consent). Any determination, decision or election (including a decision to take or refrain from taking any action or as to the occurrence or non-occurrence of any event or circumstance), and any substitution for and adjustments made to, the BBSW Rate or the AONIA Rate, as applicable, and in each case made in accordance with this Condition 5.5 and Condition 5.6, will, in the absence of manifest or proven error, be conclusive and binding on the Issuer, the holder of the relevant Notes and each Calculation Agent and, notwithstanding anything to the contrary in these Conditions or other documentation relating to the Notes, shall become effective without the consent of any person (except as expressly provided in Condition 5.6 in the case of Subordinated Notes).
- (c) If the Calculation Agent is a person other than the Issuer and that person is unwilling or unable to determine a necessary rate, adjustment, quantum, formula, methodology or other variable in order to calculate the applicable Rate of Interest, such rate, adjustment, quantum, formula, methodology or other variable will be determined by the Issuer (acting in good faith and in a commercially reasonable manner) or, an alternate financial institution (acting in good faith and in a commercially reasonable manner) appointed by the Issuer (in its sole discretion) to so determine.
- (d) All rates determined pursuant to this Condition 5.5 shall be expressed as a percentage rate per annum and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.00005 being rounded upwards.

5.6 BBSW and AONIA Benchmark Rate fallback

If:

- (a) a Temporary Disruption Trigger has occurred; or

- (b) a Permanent Discontinuation Trigger has occurred,

then, subject to APRA's prior written approval in the case of Subordinated Notes, the Benchmark Rate for an Interest Period, whilst such Temporary Disruption Trigger is continuing or after a Permanent Discontinuation Trigger has occurred, means (in the following order of application and precedence):

- (c) where BBSW Rate is the Applicable Benchmark Rate, if a Temporary Disruption Trigger has occurred with respect to the BBSW Rate, in the following order of precedence:
- (i) first, the Administrator Recommended Rate;
 - (ii) then the Supervisor Recommended Rate; and
 - (iii) lastly, the Final Fallback Rate;
- (d) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (a) above, if a Temporary Disruption Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required will be the last provided or published level of AONIA;
- (e) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (c) or (d) above, if a Temporary Disruption Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required will be the last rate provided or published by the Administrator of the RBA Recommended Rate (or if no such rate has been so provided or published, the last provided or published level of AONIA);
- (f) where BBSW Rate is the Applicable Benchmark Rate, if a Permanent Discontinuation Trigger has occurred with respect to the BBSW Rate, the rate for any day for which the BBSW Rate is required on or after the Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
- (i) first, if at the time of the BBSW Rate Permanent Fallback Effective Date, no AONIA Permanent Fallback Effective Date has occurred, the AONIA Rate;
 - (ii) then, if at the time of the BBSW Rate Permanent Fallback Effective Date, an AONIA Permanent Fallback Effective Date has occurred, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Fallback Rate; and
 - (iii) lastly, if neither paragraph (i) nor paragraph (ii) above apply, the Final Fallback Rate;
- (g) where the AONIA Rate is the Applicable Benchmark Rate or a determination of the AONIA Rate is required for the purposes of paragraph (f)(i) above, if a Permanent Discontinuation Trigger has occurred with respect to AONIA, the rate for any day for which AONIA is required on or after the AONIA Permanent Fallback Effective Date will be the first rate available in the following order of precedence:
- (i) first, if at the time of the AONIA Permanent Fallback Effective Date, an RBA Recommended Rate has been created but no RBA Recommended Rate Permanent Fallback Effective Date has occurred, the RBA Recommended Rate; and
 - (ii) lastly, if paragraph (i) above does not apply, the Final Fallback Rate; and

- (h) where a determination of the RBA Recommended Rate is required for the purposes of paragraph (f) or (g) above, respectively, if a Permanent Discontinuation Trigger has occurred with respect to the RBA Recommended Rate, the rate for any day for which the RBA Recommended Rate is required on or after that Permanent Fallback Effective Date will be the Final Fallback Rate.

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to the BBSW Rate or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

Subordinated Noteholders should note that APRA's approval may not be given for any Fallback Rate, and any terms and other relevant methodology for calculating such Fallback Rate (including any adjustment factor to the Fallback Rate) it considers to have the effect of increasing the Rate of Interest contrary to applicable prudential standards.

5.7 Rate of Interest for Index Linked Interest Notes

The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Pricing Supplement and interest will accrue by reference to an Index or formula as specified in the relevant Pricing Supplement.

5.8 Linear Interpolation

If the Pricing Supplement states that "Linear Interpolation" applies to an Interest Period, the Calculation Agent must determine the Rate of Interest for that Interest Period using straight line interpolation by reference to two rates determined using the Screen Rate Determination or other floating rates, in each case, as specified in the Pricing Supplement. The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement). The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

5.9 Zero Coupon Notes

Where a Note, the Interest Basis of which is specified in the Pricing Supplement to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note, unless otherwise specified in the Pricing Supplement. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield.

5.10 Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption unless payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) on the outstanding Principal Amount of the Note at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.

5.11 Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and rounding

- (a) If any Margin or Rate Multiplier is specified in the Pricing Supplement (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance

with 5 above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.

- (b) If any Maximum or Minimum Rate of Interest, Instalment Amount or Early, Final or Optional Redemption Amount is specified in the Pricing Supplement, then any Rate of Interest, Instalment Amount or Early, Final or Optional Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (c) Subject to the requirements of applicable law and, where the Notes are lodged in the Austraclear System, the Austraclear Regulations, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven decimal places (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest cent (with one half cent being rounded up).
- (d) The Pricing Supplement in respect of any Subordinated Notes must not specify a Rate Multiplier, Maximum Rate of Interest, Minimum Rate of Interest or Instalment Amount.

5.12 Calculations

The amount of interest payable in respect of any Note for any Interest Accrual Period shall, subject where that Note is lodged in the Austraclear System, to the Austraclear Regulations, be calculated by multiplying the product of the Rate of Interest and the outstanding Principal Amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in the Pricing Supplement in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

5.13 Determination and Publication of Rate of Interest, Interest Amounts, Early, Final or Optional Redemption Amounts and Instalment Amounts

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, the Calculation Agent shall:

- (a) determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period;
- (b) calculate the Final Redemption Amount, Early Redemption Amount, Instalment Amount or Optional Redemption Amount;
- (c) obtain such quotation or make such determination or calculation, as the case may be; and
- (d) cause:
 - (i) the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date; and
 - (ii) if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Instalment Amount or Optional Redemption Amount,

to be notified to:

- (A) the Issuer;
- (B) the Registrar (which will then notify the Holders of the calculation as required by the Issuer to the address of the Holders recorded in the Register);
- (C) any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information; and
- (D) if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange,

as soon as possible after their determination but in no event later than:

- (iii) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount; or
- (iv) in all other cases, the fourth Business Day after such determination.

Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to the application of a Business Day Convention, the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period.

If the Notes become due and payable under Condition 15, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

5.14 Calculation Agent

If the Conditions applicable to a Note contemplate the appointment of a Calculation Agent in respect of that Note:

- (a) the Issuer shall procure that, at all times, and for so long as any such Note is outstanding, one or more persons is appointed as Calculation Agent;
- (b) the Issuer may appoint itself as Calculation Agent;
- (c) the Issuer may appoint more than one Calculation Agent in respect of the Notes, and if it does so, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions; and
- (d) if the Calculation Agent is a person other than the Issuer and is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount or to comply with any other requirement in respect of a Note, except where the Conditions or Pricing Supplement applicable to the Note otherwise provide, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options

market) that is most closely connected with the calculation or determination to be made by the Calculation Agent to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

5.15 Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5 shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Calculation Agent, the Registrar and all Holders, and (in the absence of wilful default, bad faith or manifest error) no liability to the Issuer or the Holders, shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.16 Conditions of Payment – Subordinated Notes

Prior to the commencement of the winding-up of the Issuer (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency):

- (a) the obligations of the Issuer to make payments of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes will be conditional on the Issuer being Solvent at the time of payment by the Issuer; and
- (b) no payment of principal of, any interest on, and any other payments, including additional amounts, in respect of the Subordinated Notes shall be made unless the Issuer is Solvent immediately after making the payment,

and if, pursuant to this Condition, the Issuer fails to make any payment of principal of, or interest on, or any other payment, including additional amounts, in respect of any Subordinated Note when due, such failure will not constitute an Event of Default for the purposes of Condition 15.2(b).

A certificate signed by two authorised signatories, or an auditor, of the Issuer or, if the Issuer is being wound up, its liquidator as to whether the Issuer is Solvent at any time is (in the absence of wilful default, bad faith or manifest error) conclusive evidence of the information contained in the certificate and will be binding on the Subordinated Noteholders. In the absence of any such certificate, the Subordinated Noteholders are entitled to assume (unless the contrary is proved) that the Issuer is Solvent at the time of, and will be Solvent immediately after, any payment on or in respect of the Subordinated Notes.

6 Redemption, Purchase and Options

6.1 Redemption by Instalments and Final Redemption

- (a) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or unless the relevant Instalment Date (being one of the dates so specified in the Pricing Supplement) is extended pursuant to the Conditions or any provision of the relevant Pricing Supplement, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the Pricing Supplement. The outstanding Principal Amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the Principal Amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount. A Subordinated Note will not provide for redemption by instalments.
- (b) Unless previously redeemed, purchased and cancelled as provided below or Written-Off or Converted or its maturity is extended pursuant to the Conditions or any

provision of the relevant Pricing Supplement, each Note shall be finally redeemed on the Maturity Date specified in the Pricing Supplement at its Final Redemption Amount or, in the case of a Note falling within paragraph (a) above, its final Instalment Amount.

6.2 Redemption for taxation reasons

If, as a result of any change in or amendment to the laws or regulations of Australia or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective after the Issue Date (and in respect of any Subordinated Note, which the Issuer did not expect as at the Issue Date of that Subordinated Note) of any Note (as specified in the Pricing Supplement):

- (a) in the case of any Note, the Issuer has or will become obliged to pay any additional amounts as provided in Condition 13;
- (b) in the case of any Subordinated Note only and if specified in the Pricing Supplement, the Issuer or the consolidated tax group of which it is a member would be exposed to more than a *de minimis* amount of other taxes, levies, imposts, charges and duties (including stamp and transaction duties) imposed by any authority together with any related interest, penalties and expenses in connection with them, assessments or other governmental charges in connection with any Note; or
- (c) in the case of any Subordinated Note only and if specified in the Pricing Supplement, the Issuer determines that any interest payable on any Note is not, or may not be, allowed as a deduction for the purposes of Australian income tax,

the Issuer may at its option, at any time (if the Note is neither a Floating Rate Note nor an Index Linked Interest Note) or on any Interest Payment Date (in the case of Floating Rate Notes or Index Linked Interest Notes) and subject to Condition 6.10 in the case of any Subordinated Note, on giving not more than 60 nor less than 30 days' notice to the Holders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption, provided where Condition 6.2(a) applies that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay additional amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this Condition 6.2, the Issuer shall deliver to the Registrar a certificate signed by two persons each of whom is either a Director, a senior executive or an authorised representative (or equivalent status) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

6.3 Redemption of Subordinated Notes for regulatory reasons

If specified in the relevant Pricing Supplement, if a Regulatory Event occurs, the Issuer may at its option, at any time (if the Subordinated Note is not a Floating Rate Note) or on any Interest Payment Date (in the case of a Subordinated Note that is a Floating Rate Note) and subject to Condition 6.10 on giving not more than 60 nor less than 30 days' notice to the Subordinated Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Subordinated Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 6.3, the Issuer shall deliver to the Registrar a certificate signed by two persons each of whom is either a Director, a senior executive or an authorised representative (or equivalent status) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

For the purposes of this Condition, "*Regulatory Event*" means the receipt by the directors of the Issuer of:

- (a) an opinion from a reputable legal counsel that as a result of any amendment to, clarification of or change (including any announcement of a change that has been or will be introduced) in, any law or regulation of Australia, or any official administrative pronouncement or action or judicial decision interpreting or applying such laws or regulations, which amendment, clarification or change is effective, or pronouncement, action or decision is announced, after the Issue Date; or
- (b) an official written statement from APRA,

that, in each case, the Issuer is not or will not be entitled to treat all Subordinated Notes of a Series as Tier 2 Capital, provided that, in each case, on the Issue Date of the Subordinated Notes, the Issuer did not expect that matters giving rise to the Regulatory Event would occur.

6.4 Early Redemption of Zero Coupon Notes

- (a) The Early Redemption Amount payable in respect of any Zero Coupon Note that does not bear interest prior to the Maturity Date, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6.2, 6.5 or 6.6 or upon it becoming due and payable as provided in Condition 15, shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified in the Pricing Supplement.
- (b) Subject to the provisions of sub-paragraph (c) below, the “**Amortised Face Amount**” of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted to the date of its early redemption at a rate per annum (expressed as a percentage) equal to the “**Amortisation Yield**” (which, if none is set out in the Pricing Supplement, shall be such rate as would produce an Amortised Face Amount equal to the Issue Price of the Notes if such Notes were discounted back from the Maturity Date to the relevant Issue Date) compounded annually. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction set out in the Pricing Supplement.
- (c) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6.2, 6.5 or 6.6 or upon it becoming due and payable as provided in Condition 15, is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (b) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (after, as well as before, judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5.10.

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction.

6.5 Redemption at the option of the Issuer and exercise of the Issuer's options

If a Call Option is included in the Pricing Supplement and subject to Condition 6.10 in the case of any Subordinated Note, the Issuer may, on giving not less than five or more than 30 days' irrevocable notice (subject to such other notice period as may be specified in the Pricing Supplement under “Option Exercise Date”) to the Holders redeem or exercise any Issuer's option (as may be described in the Pricing Supplement) in relation to all or, if so provided, some of the Notes on any Optional Redemption Date (which, in the case of a Subordinated Note, may not be before the fifth anniversary of the Issue Date of that Subordinated Note). Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption

or exercise of the Issuer's option shall just relate to Notes of a Principal Amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Pricing Supplement and no greater than the Maximum Redemption Amount to be redeemed specified in the Pricing Supplement.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Holders shall also contain details of the Principal Amount of Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements.

6.6 Clean-Up Redemption at the option of the Issuer (Clean-Up Call)

If a Clean-Up Call is specified as being applicable in the relevant Pricing Supplement and 75 per cent or more in aggregate Principal Amount of the relevant Series of Notes issued has been redeemed or purchased and cancelled, the Issuer may, at its option, on giving not less than five or more than 30 days' irrevocable notice to the Holders of the relevant Series, redeem all, but not some only, of those Notes outstanding on the Residual Redemption Date, at their Residual Redemption Amount together with any accrued but unpaid interest to, but excluding, the Residual Redemption Date.

A Clean-up Call may not be specified in the Pricing Supplement in respect of Subordinated Notes.

6.7 Redemption at the Option of Holders and Exercise of Holders' Options

If a Put Option is specified in the Pricing Supplement, the Issuer shall, at the option of the Holder of such Note, upon the Holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (subject to such other notice period as may be specified in the Pricing Supplement under "Option Exercise Date"), redeem such Note on the Optional Redemption Date(s) so provided at its Optional Redemption Amount together with interest accrued to the date fixed for redemption. No such notice may be withdrawn without the prior consent of the Issuer or if, prior to the due date for its redemption or the exercise of the option, the relevant Note becomes immediately due and payable.

To exercise such option or any other Holder's option that may be set out in the Pricing Supplement, the Holder must complete, sign and deliver to the Registrar within the notice period, a redemption notice (in the form obtainable from the Registrar) together with any Certificate held by the Holder relating to the Notes to be transferred and such evidence as the Registrar may require to establish the rights of that Holder to the relevant Notes.

A Put Option may not be specified in the Pricing Supplement in respect of Subordinated Notes.

6.8 Purchases

The Issuer is taken to represent as at the date of issue of each Note, that it does not know or have any reasonable grounds to suspect that that Note or any interest in or right in respect of that Note is being or will later be, acquired either directly or indirectly by an Offshore Associate of the Issuer acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act.

The Issuer and:

- (a) in the case of the Subordinated Notes, any of its Related Entities; and

- (b) in any other case, any of its subsidiaries,

may, to the extent permitted by applicable laws and regulations and subject to Condition 6.10 in the case of any Subordinated Note, at any time purchase Notes in the open market or otherwise. Notes purchased by the Issuer, any of its Related Entities or any of its subsidiaries may be surrendered by the purchaser through the Issuer to the Registrar for cancellation or, may be held or resold, in each case at the option of the Issuer, the relevant Related Entity or the relevant subsidiary. In the event that Notes are purchased by the Issuer, any of its Related Entities or any of its subsidiaries but not cancelled the Issuer, the relevant Related Entity or the relevant subsidiary will relinquish any voting rights in respect of those purchased Notes.

6.9 Cancellation

All Notes redeemed by the Issuer or surrendered by the purchaser through the Issuer for cancellation shall be surrendered for cancellation by the Issuer or purchaser notifying the Registrar and surrendering to the Registrar any Certificates held by the Holder relating to the Notes to be cancelled by the Registrar and if so surrendered, the Notes will be cancelled forthwith. Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

6.10 Consent of APRA

Notwithstanding anything to the contrary in this Condition 6, the Issuer may not:

- (a) redeem any Subordinated Notes under Conditions 6.2, 6.3 or 6.5 above; or
- (b) prior to the Maturity Date purchase, or procure that any of its Related Entities purchase, any Subordinated Notes under Condition 6.8 above,

without the prior written approval of APRA. In addition, the prior written approval of APRA is required to modify, abrogate, amend, waive, vary or compromise the terms of any Series of Subordinated Notes where such action may affect the eligibility of such Subordinated Notes as Tier 2 Capital.

Subordinated Noteholders should not expect that APRA's approval will be given for any redemption or purchase of Subordinated Notes.

6.11 Conditions to redemption for Subordinated Notes

Without limiting Condition 6.10, the Issuer will not be permitted to redeem any Subordinated Note unless the Subordinated Note is replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Subordinated Note is done under conditions that are sustainable for the Issuer's income capacity or APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 is well above its minimum capital requirements after the Issuer elects to redeem the Subordinated Note.

7 Conversion or Write-Off of Subordinated Notes on Non-Viability Trigger Event

7.1 Application to Subordinated Notes only

Conditions 7, 8 and 9 apply only to Subordinated Notes.

7.2 Non-Viability Trigger Event

A ***"Non-Viability Trigger Event"*** means the earlier of:

- (a) the issuance to the Issuer of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that the Issuer would become non-viable; or

- (b) a determination by APRA, notified to the Issuer in writing, that without a public sector injection of capital, or equivalent support, the Issuer would become non-viable,

each such determination being a “**Non-Viability Determination**”.

7.3 Conversion or Write-Off of Subordinated Notes on Trigger Event Date

If a Non-Viability Trigger Event occurs:

- (a) on the Trigger Event Date, subject only to Condition 8.5, such Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is required by the Non-Viability Determination provided that:
 - (i) where the Non-Viability Trigger Event occurs under Condition 7.2(a) and such Non-Viability Determination does not require all Relevant Securities to be converted into ANZGHL Ordinary Shares or written-off, such Principal Amount of the Subordinated Notes shall Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement) as is sufficient (determined by the Issuer in accordance with Condition 7.3(b)) to satisfy APRA that the Issuer is viable without further conversion or write-off; and
 - (ii) where the Non-Viability Trigger Event occurs under Condition 7.2(b), all the Principal Amount of the Subordinated Notes will immediately Convert or be Written-Off (whichever is applicable as specified in the Pricing Supplement).
- (b) the Issuer will determine the Principal Amount of Subordinated Notes which must be Converted or Written-Off (as applicable) in accordance with Condition 7.3(a)(i), on the following basis:
 - (i) first, convert into ANZGHL Ordinary Shares or write-off all Relevant Tier 1 Securities; and
 - (ii) secondly, if conversion into ANZGHL Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of Condition 7.3(a)(i) (and provided that as a result of the conversion or write-off of Relevant Tier 1 Securities APRA has not withdrawn the Non-Viability Determination), Convert or Write-Off (as applicable) a Principal Amount of Subordinated Notes and convert into ANZGHL Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of the Issuer, fair and reasonable (subject to such adjustment as the Issuer may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of ANZGHL Ordinary Shares and the authorised denominations of the Principal Amount of any Subordinated Note or the number or principal amount of other Relevant Tier 2 Securities remaining on issue, and the need to effect the conversion immediately) and, for the purposes of this Condition 7.3(b)(ii), where the specified currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, the Issuer may treat them as if converted into a single currency of the Issuer's choice at such rate of exchange as the Issuer in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;

- (c) on the Trigger Event Date, the Issuer shall determine the Subordinated Notes or portions thereof as to which the Conversion or Write-Off (as applicable) is to take effect and in making that determination may make any decisions with respect to the identity of the Subordinated Noteholders at that time as may be necessary or desirable to ensure Conversion or Write-Off (as applicable) occurs in an orderly manner, including disregarding any transfers of Subordinated Notes that have not been settled or registered at that time provided that such determination does not impede or delay the immediate Conversion or Write-Off (as applicable) of the relevant Principal Amount of Subordinated Notes;
- (d) the Issuer must give notice of its determination pursuant to Condition 7.3(c) (a **"Trigger Event Notice"**) as soon as practicable to the Subordinated Noteholders, which must specify:
 - (i) the Trigger Event Date;
 - (ii) the Principal Amount of the Subordinated Notes Converted or Written-Off (as applicable); and
 - (iii) the relevant number or principal amount of other Relevant Securities converted or written-off;
- (e) none of the following events shall prevent, impede or delay the Conversion or Write-Off (as applicable) of Subordinated Notes as required by Condition 7.3(a):
 - (i) any failure or delay in the conversion or write-off of other Relevant Securities;
 - (ii) any failure or delay in giving a Trigger Event Notice;
 - (iii) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 7.4;
 - (iv) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted or Written-Off (as applicable) in accordance with Condition 7.3(b)(ii) or 7.3(c); and
 - (v) in the case of Conversion only, any failure or delay in quotation of ANZGHL Ordinary Shares to be issued on Conversion.

If a Non-Viability Determination takes effect, the Issuer must perform the obligations in respect of the determination immediately on the day it is received by the Issuer, whether or not such day is a Business Day.

7.4 Conversion or Write-Off of a whole or of a portion of a Subordinated Note

If a Principal Amount of a Subordinated Note is required to be Converted or Written-Off, the following provisions apply:

- (a) The Issuer shall notify the Registrar of the Principal Amount of such Subordinated Note that has been Converted or Written-Off (whether in whole or in part) and instruct the Registrar to reflect this Conversion or Write-Off (as applicable) in the Register so that the Principal Amount of such Subordinated Note is reduced, in the case of a Subordinated Note Converted or Written-Off in whole, to zero, or, in the case of a Subordinated Note which is Converted or Written-Off in part, to an amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note;
- (b) in the case of a Subordinated Note which is Converted or Written-Off only in part:

- (i) the Principal Amount of the Subordinated Note will be reduced to an amount equal to the non-Converted or non-Written-Off portion (as applicable) of the Principal Amount of such Subordinated Note;
 - (ii) ANZGHL will be taken to hold (as a result of the transfer in accordance with the Schedule to these Conditions) a new Subordinated Note with a principal amount equal to the Converted or Written-Off portion (as applicable) of the Principal Amount of the original Subordinated Note, and on terms otherwise identical to the terms of such Subordinated Note (the "**Affected Subordinated Note**");
 - (iii) where the date of the Conversion or Write-Off is not an Interest Payment Date, the amount of interest payable in respect of that Subordinated Note on each Interest Payment Date falling after that date will be reduced and calculated on the Principal Amount of that Subordinated Note as reduced on that date;
 - (iv) for the purposes of any interest calculation, the Interest Amount, the Fixed Coupon Amount, Broken Amount, the Calculation Amount and any related amount in respect of that Subordinated Note shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off; and
 - (v) the Early Redemption Amount, the Final Redemption Amount, the Optional Redemption Amount, the Specified Denomination and Principal Amount or any related amount shall be reduced in the same proportion as the Principal Amount Converted or Written-Off in respect of that Subordinated Note bears to the Principal Amount of that Subordinated Note before such Conversion or Write-Off;
- (c) if a Certificate has been issued to the relevant Subordinated Noteholder in respect of such Subordinated Note, then, if the Issuer so requires, such Subordinated Noteholder shall surrender such Certificate to the Issuer (or, if the Issuer so directs, to the Registrar) and, in the case of a Subordinated Note which is Converted or Written-Off only in part, the Issuer shall deliver to the Subordinated Noteholder, a Certificate for a Subordinated Note with a Principal Amount equal to the non-Converted or non-Written-Off (as applicable) portion of the Principal Amount of such Subordinated Note; and
 - (d) each Subordinated Noteholder irrevocably authorises the Issuer to sign any document or transfer or do any other thing as may in the Issuer's opinion be necessary or desirable to effect any transfer of the Subordinated Notes the subject of the Conversion.

8 Conversion of Subordinated Notes

8.1 Conversion of Subordinated Notes on Trigger Event Date

Unless "Write-Off – Applicable" is specified in the relevant Pricing Supplement, Condition 8 shall apply to the Subordinated Notes and, notwithstanding any other provision in these Conditions, on the Trigger Event Date the relevant Principal Amount (as determined under Condition 7.3) of the Subordinated Notes will Convert immediately and irrevocably.

On and from the Trigger Event Date, subject to Conditions 8.5 and 8.6(c)(iii), the Issuer and ANZGHL shall treat any Subordinated Noteholder of any Subordinated Note or portion thereof which is required to be Converted as the holder of the relevant number of ANZGHL Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion and the issuance of such ANZGHL Ordinary Shares.

8.2 Provision of information

Where a Principal Amount of Subordinated Notes is required to be Converted under Condition 8, a Subordinated Noteholder of Subordinated Notes or portion thereof that are subject to Conversion wishing to receive ANZGHL Ordinary Shares must, no later than the Trigger Event Date (or, in the case where Condition 8.4(f) applies, within 30 days of the date on which ANZGHL Ordinary Shares are issued upon such Conversion), have provided to the Issuer:

- (a) its name and address (or the name and address of any person in whose name it directs the ANZGHL Ordinary Shares to be issued) for entry into any register of title and receipt of any certificate or holding statement in respect of any ANZGHL Ordinary Shares;
- (b) the security account details of such Subordinated Noteholder in CHESS or such other account to which the ANZGHL Ordinary Shares may be credited; and
- (c) such other information as is reasonably requested by the Issuer for the purposes of enabling ANZGHL to issue the Conversion Number of ANZGHL Ordinary Shares to such Subordinated Noteholder,

and the Issuer has no duty to seek or obtain such information.

8.3 Failure to Convert

Subject to Condition 8.4 and Condition 8.5, if, in respect of a Conversion of Subordinated Notes, ANZGHL fails to issue, on the Trigger Event Date, the Conversion Number of ANZGHL Ordinary Shares in respect of the relevant Principal Amount of such Subordinated Notes to, or in accordance with the instructions of, the relevant Subordinated Noteholder on the Trigger Event Date or any other nominee where Condition 8.4 applies, the Principal Amount of such Subordinated Notes which would otherwise be subject to Conversion shall remain on issue and outstanding until:

- (a) the ANZGHL Ordinary Shares are issued to, or in accordance with the instructions of, the Subordinated Noteholder of such Subordinated Notes; or
- (b) such Subordinated Notes are Written-Off in accordance with these Conditions,

provided that the sole right of the Subordinated Noteholder in respect of Subordinated Notes or portion thereof that are subject to Conversion is its right to be issued ANZGHL Ordinary Shares upon Conversion (subject to its compliance with Condition 8.2 or to receive the proceeds from their sale pursuant to Condition 8.4, as applicable) and the remedy of such Subordinated Noteholder in respect of ANZGHL's failure to issue the ANZGHL Ordinary Shares is limited (subject always to Condition 8.5) to seeking an order for specific performance of ANZGHL's obligation to issue the ANZGHL Ordinary Shares to the Subordinated Noteholder or where Condition 8.4 applies to the nominee and to receive such proceeds of sale, in each case, in accordance with the terms of the Subordinated Notes. This Condition 8.3 does not affect the obligation of ANZGHL to issue the ANZGHL Ordinary Shares when required in accordance with these Conditions.

8.4 Issue to nominee

If, in respect of a Subordinated Note and a Subordinated Noteholder of that Subordinated Note, the Subordinated Note or portion thereof is required to be Converted and:

- (a) the Subordinated Noteholder has notified the Issuer that it does not wish to receive ANZGHL Ordinary Shares as a result of the Conversion (whether entirely or to the extent specified in the notice), which notice may be given at any time prior to the Trigger Event Date;

- (b) the Subordinated Notes are held by a Subordinated Noteholder whose address in the register is a place outside Australia or who the Issuer otherwise believes may not be a resident of Australia (a “**Foreign Holder**”);
- (c) for any reason (whether or not due to the fault of the Subordinated Noteholder) the Issuer has not received the information required by Condition 8.2 prior to the Trigger Event Date and the lack of such information would prevent ANZGHL from issuing the ANZGHL Ordinary Shares to the Subordinated Noteholder on the Trigger Event Date; or
- (d) a FATCA Withholding is required to be made in respect of the ANZGHL Ordinary Shares issued on Conversion,

then, on the Trigger Event Date:

- (e) where Condition 8.4(a), 8.4(b) or 8.4(d) applies, ANZGHL shall issue the ANZGHL Ordinary Shares to the Subordinated Noteholder only to the extent (if at all) that:
 - (i) where Condition 8.4(a) applies, the Subordinated Noteholder has notified the Issuer that it wishes to receive them;
 - (ii) where Condition 8.4(b) applies, the Issuer is satisfied that the laws of both Australia and the Foreign Holder’s country of residence permit the issue of ANZGHL Ordinary Shares to the Foreign Holder (but as to which the Issuer is not bound to enquire), either unconditionally or after compliance with conditions which the Issuer in its absolute discretion regards as acceptable and not unduly onerous; and
 - (iii) where Condition 8.4(d) applies, the issue is net of the FATCA Withholding;

and, to the extent ANZGHL is not obliged to issue ANZGHL Ordinary Shares to the Subordinated Noteholder, ANZGHL will issue the balance of the ANZGHL Ordinary Shares to the nominee in accordance with Condition 8.4(f); and
- (f) otherwise, subject to applicable law, ANZGHL will issue the balance of ANZGHL Ordinary Shares in respect of the Subordinated Noteholder to a competent nominee (which may not be the Issuer or any of its Related Entities) and will promptly notify such Subordinated Noteholder of the name of and contact information for the nominee and the number of ANZGHL Ordinary Shares issued to the nominee on its behalf and, subject to applicable law and:
 - (i) subject to Condition 8.4(f)(ii), the nominee will as soon as reasonably possible and no later than 35 days after issue of the ANZGHL Ordinary Shares sell those ANZGHL Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Subordinated Noteholder;
 - (ii) where Condition 8.4(c) applies, the nominee will hold such ANZGHL Ordinary Shares and will transfer ANZGHL Ordinary Shares to such Subordinated Noteholder promptly after such Subordinated Noteholder provides the nominee with the information required to be provided by such Subordinated Noteholder under Condition 8.2 (as if a reference in Condition 8.2 to the Issuer is a reference to the nominee and a reference to the issue of ANZGHL Ordinary Shares is a reference to the transfer of ANZGHL Ordinary Shares) but only where such information is provided to the nominee within 30 days of the date on which ANZGHL Ordinary Shares are issued to the nominee upon Conversion of such Subordinated Note and failing which the nominee will sell the ANZGHL Ordinary Shares and pay the proceeds to such Subordinated Noteholder in accordance with Condition 8.4(f)(i); and

- (iii) where Condition 8.4(d) applies, the nominee shall deal with ANZGHL Ordinary Shares the subject of a FATCA Withholding and any proceeds of their disposal in accordance with FATCA;
- (g) nothing in this Condition 8.4 shall affect the Conversion of the Subordinated Notes of a Subordinated Noteholder who is not a person to which any of Condition 8.4(a) to 8.4(d) (inclusive) applies; and
- (h) for the purposes of this Condition 8.4, none of the Issuer, ANZGHL or the nominee owes any obligations or duties to the Subordinated Noteholders in relation to the price at which ANZGHL Ordinary Shares are sold or has any liability for any loss suffered by a Subordinated Noteholder as a result of the sale of ANZGHL Ordinary Shares.

8.5 Write-Off of Subordinated Notes if Conversion is not effected within 5 Business Days after a Trigger Event Date

Notwithstanding any other provision of Condition 8 and provided that "Write-Off – Applicable" is not specified in the relevant Pricing Supplement, where Subordinated Notes are required to be Converted on the Trigger Event Date and Conversion of the relevant Principal Amount of the Subordinated Notes that are subject to Conversion has not been effected within five Business Days after the relevant Trigger Event Date for any reason (including an Inability Event):

- (a) the relevant Principal Amount of each Subordinated Note which, but for this Condition 8.5, would be Converted, will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date; and
- (b) the Issuer shall notify the Subordinated Noteholders as promptly as practically possible that Conversion of the relevant Principal Amount of the Subordinated Notes has not occurred and that such Principal Amount of the Subordinated Notes has been Written-Off.

8.6 Subordinated Noteholder acknowledgements

Each Subordinated Noteholder irrevocably:

- (a) consents to becoming a member of ANZGHL upon the Conversion of the relevant Principal Amount of Subordinated Notes as required by this Condition 8 and agrees to be bound by the constitution of ANZGHL, in each case in respect of the ANZGHL Ordinary Shares issued to such Subordinated Noteholder on Conversion;
- (b) acknowledges and agrees that it is obliged to accept ANZGHL Ordinary Shares upon a Conversion of the Principal Amount of Subordinated Notes it holds notwithstanding anything that might otherwise affect a Conversion of such Principal Amount of Subordinated Notes including:
 - (i) any change in the financial position of the Issuer or ANZGHL, since the issue of such Subordinated Notes;
 - (ii) any disruption to the market or potential market for the ANZGHL Ordinary Shares or to capital markets generally; or
 - (iii) any breach by the Issuer or ANZGHL of any obligation in connection with such Subordinated Notes;
- (c) acknowledges and agrees that where Condition 7.3 applies:
 - (i) there are no other conditions to a Non-Viability Trigger Event occurring as and when provided in Condition 7.2;

- (ii) Conversion must occur immediately on the occurrence of a Non-Viability Trigger Event and that may result in disruption or failures in trading or dealings in the Subordinated Notes;
 - (iii) it will not have any rights to vote in respect of any Conversion and that the Subordinated Note does not confer a right to vote at any meeting of members of the Issuer or ANZGHL; and
 - (iv) the ANZGHL Ordinary Shares issued on Conversion may not be quoted at the time of issue, or at all;
- (d) acknowledges and agrees that where Condition 8.5 applies, no conditions or events will affect the operation of that Condition and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under that Condition and has no claim against the Issuer or ANZGHL, arising in connection with the application of that Condition;
- (e) acknowledges and agrees that such Subordinated Noteholder has no right to request a Conversion of any Principal Amount of any Subordinated Notes or to determine whether (or in what circumstances) the Principal Amount of Subordinated Notes it holds is Converted;
- (f) acknowledges and agrees that none of the following shall prevent, impede or delay the Conversion or (where relevant) Write-Off of the Principal Amount of Subordinated Notes:
 - (i) any failure to or delay in the conversion or write-off of other Relevant Securities;
 - (ii) any failure or delay in giving a Trigger Event Notice or other notice required by this Condition 8;
 - (iii) any failure or delay in quotation of the ANZGHL Ordinary Shares to be issued on Conversion;
 - (iv) any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 7.4; and
 - (v) any requirement to select or adjust the number or Principal Amount of Subordinated Notes to be Converted in accordance with Condition 7.3(b)(ii) or 7.3(c); and
- (g) acknowledges and agrees that if, in respect of a Conversion, ANZGHL has issued the Conversion Number of ANZGHL Ordinary Shares to the holder of Subordinated Notes but the Subordinated Note or portion thereof has not been transferred free from encumbrance to or as directed by ANZGHL, the Subordinated Note or such portion shall be Written-Off in accordance with Condition 8.7 without prejudice to the issue of the ANZGHL Ordinary Shares.

8.7 Meaning of “Written-Off”

For the purposes of Condition 8, “Written-Off” shall mean that, in respect of a Subordinated Note or portion thereof that is otherwise subject to Conversion and a Trigger Event Date:

- (a) the Subordinated Note or portion thereof that is otherwise subject to Conversion will not be Converted on that date and will not be Converted or redeemed under these Conditions on any subsequent date; and
- (b) with effect on and from the Trigger Event Date, the rights of the relevant Subordinated Noteholder of the Subordinated Note or portion thereof (including any

right to receive any payment thereunder including payments of principal and interest both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Subordinated Note or portion thereof are immediately and irrevocably terminated and written-off; and

“Write-Off” has a corresponding meaning.

9 Write-Off of Subordinated Notes

9.1 Write-Off of Subordinated Notes on Trigger Event Date

If “Write-Off – Applicable” is specified in the relevant Pricing Supplement, Condition 9 shall apply to the Subordinated Notes and on the Trigger Event Date the rights of the Subordinated Noteholder of the relevant Subordinated Notes in relation to the relevant Principal Amount (as determined under Condition 7.3) of the Subordinated Notes are Written-Off (as that term is defined for the purposes of Condition 9).

Each Subordinated Noteholder irrevocably acknowledges and agrees that no conditions or events will affect the operation of this Condition 9 and such Subordinated Noteholder will not have any rights to vote in respect of any Write-Off under this Condition 9.1.

9.2 Meaning of “Written-Off”

For the purposes of this Condition 9, “Written-Off” shall mean that, in respect of a Subordinated Note or portion thereof and a Trigger Event Date, the rights of the relevant Subordinated Noteholder (including any right to receive any payment thereunder including payments of principal and interest both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Subordinated Note or portion thereof are immediately and irrevocably terminated and written-off, and “Write-Off” has a corresponding meaning.

10 Substitution of Issuer

10.1 Application of this Conditions

Unless “Write-Off – Applicable” is specified in the relevant Pricing Supplement, this Condition 10 shall apply to the Subordinated Notes.

10.2 Substitution of Approved NOHC

Where:

- (a) either of the following occurs:
 - (i) a takeover bid is made to acquire all or some of the ANZGHL Ordinary Shares and such offer is, or becomes, unconditional and either:
 - (A) the bidder has at any time during the offer period, a relevant interest in more than 50 per cent. of the ANZGHL Ordinary Shares on issue; or
 - (B) the directors of the ANZGHL, acting as a board, issue a statement that at least a majority of its directors who are eligible to do so have recommended acceptance of such offer (in the absence of a higher offer); or
 - (ii) a court orders the holding of meetings to approve a scheme of arrangement under Part 5.1 of the Corporations Act, which scheme would result in a person having a relevant interest in more than 50 per cent. of the ANZGHL Ordinary Shares that will be on issue after the scheme is implemented and:

- (A) all classes of members of ANZGHL pass all resolutions required to approve the scheme by the majorities required under the Corporations Act, to approve the scheme; and
 - (B) an independent expert issues a report that the proposals in connection with the scheme are in the best interests of the holders of ANZGHL Ordinary Shares; and
- (b) the bidder or the person having a relevant interest in the ANZGHL Ordinary Shares in the ANZGHL after the scheme is implemented (or any entity that Controls the bidder or the person having the relevant interest) is an Approved NOHC,

then the Issuer without further authority, assent or approval of the Subordinated Noteholders may (but with the prior written approval of APRA):

- (c) amend these Conditions such that, unless APRA otherwise agrees, on the date the Principal Amount of Subordinated Notes is to be Converted:
 - (i) each Subordinated Note that is being Converted in whole will be automatically transferred by each holder of such Subordinated Note free from encumbrance to the Approved NOHC (or another member of the ANZ Group which is a holding company of the Issuer) (the "**Transferee**") on the date the Conversion is to occur;
 - (ii) in respect of each Subordinated Note that is being Converted only in part, on the date the Conversion is to occur:
 - (A) the Principal Amount of the Subordinated Note that is being Converted shall be reduced to an amount equal to the non-Converted portion of the Principal Amount of such Subordinated Note in accordance with Condition 7.4; and
 - (B) the Approved NOHC will be taken to hold a new Subordinated Note with a Principal Amount equal to the Converted portion of the Principal Amount of the Subordinated Note being Converted,

provided that any failure or delay by a Subordinated Noteholder or any other party in complying with the provisions of Condition 10.2(c)(ii) shall not prevent, impede or delay the Conversion or Write-Off of Subordinated Notes;

- (iii) each holder (or a nominee in accordance with Condition 8.2 or 8.4 (as applicable), which provisions shall apply, mutatis mutandis, to such Approved NOHC Ordinary Shares) of the Subordinated Note or portion thereof being Converted will be issued a number of Approved NOHC Ordinary Shares equal to the Conversion Number and the provisions of the Schedule to these Conditions shall apply (with any necessary changes) to the determination of the number of such Approved NOHC Ordinary Shares;
- (iv) as between the Issuer and the Transferee, each Subordinated Note held by the Transferee as a result of Condition 10.2(c)(i) will be automatically Converted into a number of ANZBGL Ordinary Shares in a number and at a price such that the issued share capital held by the Transferee (or a wholly owned subsidiary of the Transferee) increases by the amount by which the issued ordinary share capital of the Approved NOHC increases on Conversion; and
- (v) make such other amendments as in the Issuer's reasonable opinion are necessary or appropriate to effect the substitution of an Approved NOHC as the provider of the ordinary shares on Conversion in the manner contemplated by these Conditions, including, where the terms upon which

the Approved NOHC acquires the Issuer are such that the number of Approved NOHC Ordinary Shares on issue immediately after the substitution differs from the number of ANZGHL Ordinary Shares on issue immediately before that substitution (not involving any cash payment or other distribution to or by the holders of any such shares), an adjustment to any relevant VWAP or Issue Date VWAP consistent with the principles of adjustment set out in the Schedule to these Conditions.

10.3 Notice of substitution of Approved NOHC

The Issuer shall give a notice to the Subordinated Noteholders as soon as practicable after the substitution in accordance with Condition 10.2 specifying the amendments to these Conditions which will be made in accordance with Condition 10.2 to effect the substitution of an Approved NOHC as issuer of ordinary shares on Conversion.

10.4 Further substitutions

After a substitution under Condition 10.2, the Approved NOHC may without the authority, approval or assent of the holder of Subordinated Notes, effect a further substitution in accordance with Condition 10.2 (with necessary changes).

- (b) When a Note is recorded in the Register as being held jointly, payment of interest or principal (as the case may be) by the Issuer will be made to the Holders in their joint names unless requested otherwise (and in a form satisfactory to the Issuer) by 5:00 pm local Registry Office time on the relevant Record Date.

11.2 Method of Payment

Payments in respect of each Note will be made:

- (b) if the relevant Notes have not been lodged or are removed from the Austraclear System, by crediting on the relevant Interest Payment Date, in the case of payments of interest, or the Maturity Date, in the case of payments of principal, the amount then due to a bank account in Australia previously notified by the Holder to the Registrar. Each Interest Payment Date and Maturity Date shall be determined in accordance with the Business Day Convention specified in the relevant Pricing Supplement. If the Holder has not notified the Registrar of such an account by 5.00pm local Registry Office time on the relevant Record Date or upon application by the Holder to the Registrar no later than 5.00pm local Registry Office time on the relevant Record Date, payments in respect of the relevant Note will be made by cheque mailed on the Business Day immediately preceding the relevant Interest Payment Date in the case of payments of interest or on the Maturity Date, in the case of payments of principal, at the Holder's risk to the Holder (or to the first named of joint Holders) of such Note at the address appearing in the Register as at 5.00pm local Registry Office time on the relevant Record Date. Cheques to be despatched to the nominated address of a Holder will in such case be deemed to have been received by the Holder on the relevant Interest Payment Date, in the case of payments of interest, or the Maturity

No payment of interest will be mailed to an address in the United States or transferred to an account maintained by the Holder in the United States.

11.3 Payments Subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 13. No commission or expenses shall be charged to the Holders in respect of such payments.

11.4 Appointment of Agents

The Registrar and (if appointed) the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Holder. The Issuer reserves the right at any time to vary or terminate the appointment of the Registrar or (if appointed) the Calculation Agent, provided that the Issuer shall at all times maintain (i) a Registrar, (ii) one or more Calculation Agent(s) where the Conditions so require, and (iii) such other agents as may be required by the rules of any stock exchange, listing authority and/or quotation system on which the Notes may be admitted to listing, trading and/or quotation. Notice of any change to the specified office of the Registrar or the Calculation Agent shall promptly be given to the Holders in accordance with Condition 19.

12 Transfer

12.1 Transfer

- (a) Unless Notes are lodged in the Austraclear System, and subject to Condition 12.2, all applications to transfer Notes must be made by lodging with the Registrar a properly completed transfer and acceptance form in the form approved by the Issuer and the Registrar. Any Certificate relating to the Notes to be transferred must also be surrendered to the Registrar. Transfer and acceptance forms are available from any Registry Office. Each Registry Office will provide prompt marking and transfer services. Each transfer form must be accompanied by such evidence (if any) as the Registrar may require to prove the title of the transferor or the transferor's right to transfer the Note, and be signed by both the transferor and the transferee. The transfer takes effect upon the transferee's name being entered on the Register.
- (b) Notes lodged in the Austraclear System will be transferable only in accordance with the Austraclear Regulations.

12.2 Limit on Transfer

- (a) Notes may only be transferred within, to or from Australia in the denominations specified in the Pricing Supplement and if the consideration payable at the time of transfer is a minimum amount of A\$500,000 (in either case, disregarding moneys lent by the transferor or its associates) or the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 and Chapter 7 of the Corporations Act.
- (b) Notes may only be transferred between persons in a jurisdiction or jurisdictions other than Australia if the transfer is in compliance with the laws of the jurisdiction in which the transfer takes place and the transfer of the Notes otherwise does not require disclosure to investors in accordance with the laws of the jurisdiction in which the transfer takes place.

12.3 Partial Transfers

Where a transferor executes a transfer of less than all Notes registered in its name, and the identity of the specific Notes to be transferred are not identified, the Registrar may register

the transfer in respect of such of the Notes registered in the name of the transferor as the Registrar thinks fit, provided the total Principal Amount of the Notes registered as having been transferred equals the total Principal Amount of the Notes expressed to be transferred in the transfer.

12.4 Closed Period

A transfer of a Note shall not be effective unless and until entered on the Register. The Register will be closed for the purpose of determining entitlements to payments of interest and repayments of any Principal Amount at 5:00 pm local Registry Office time on the Record Date prior to the relevant Interest Payment Date, the relevant Maturity Date and any relevant redemption date. Therefore, transfers must be received by the Registrar at the relevant Registry Office prior to that time.

12.5 Stamp Duty

The Holder is responsible for any stamp duties or other similar taxes which are payable in any jurisdiction in connection with any transfer, assignment or other dealing with the Notes.

12.6 Transmission

The Registrar must register a transfer of a Note to or by a person who is entitled to make or receive the transfer in consequence of:

- (a) death, bankruptcy, liquidation or winding-up of a Holder; or
- (b) the making of a vesting order by a court or other body with power to make the order, on receiving the evidence of entitlement that the Registrar or the Issuer requires.

12.7 Austraclear Services Limited as Registrar

If Austraclear Services Limited is the Registrar and Notes are lodged in the Austraclear System, despite any other provision of those Conditions, these Notes are not transferable on the Register, and the Issuer may not, and must procure that the Registrar does not, register any transfer of those Notes issued by it and no member of the Austraclear System has the right to request any registration of any transfer of the relevant Notes, except:

- (a) for the purposes of any Conversion, Write-Off, repurchase, redemption or cancellation (whether on or before the Maturity Date of the relevant Note) of the relevant Note, a transfer of the relevant Note from Austraclear to the Issuer (or if applicable, to an Approved NOHC in accordance with Condition 10) may be entered in the Register; and
- (b) if Austraclear exercises or purports to exercise any power it may have under the Austraclear Regulations from time to time for the Austraclear System or these Conditions, to require the relevant Note to be transferred on the Register to a member of the Austraclear System, the relevant Note may be transferred on the Register from Austraclear to the member of the Austraclear System.

In any of these cases, the relevant Note will cease to be held in the Austraclear System.

13 Taxation

13.1 General

Subject as provided below, all payments of principal and interest in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within Australia or by any authority therein or thereof having power to tax (together, “**Taxes**”), unless such withholding or deduction is required by law.

13.2 Issuer to pay additional amounts

Where such withholding or deduction is required by law, the Issuer shall pay such additional amounts to Holders as shall result in receipt by those Holders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note:

- (a) in respect of which the Holder thereof is liable to such Taxes, duties, assessments or governmental charges in respect of such Note by reason of its having some connection with Australia, other than the mere holding of such Note or the receipt of the relevant payment in respect thereof; or
- (b) to the extent that the relevant Tax is imposed or levied by virtue of the Holder, or the beneficial owner, of the Note not complying with any statutory requirements or not having made a declaration of non-residence in, or lack of connection with, a relevant jurisdiction or any similar claim for exemption; or
- (c) in respect of which the Holder thereof is an Offshore Associate of the Issuer (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act); or
- (d) in respect of which the Taxes have been imposed or levied as a result of the Holder of such Note being party to or participating in a scheme to avoid such Taxes, being a scheme which the Issuer was neither a party to nor participated in; or
- (e) to, or to a third party on behalf of, an Australian resident Holder or a non-resident Holder who is engaged in carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details; or
- (f) to a Holder that is not the beneficial owner of such Note to the extent that the beneficial owner thereof would not have been entitled to the payment of such additional amounts had such beneficial owner been the Holder of such Note.

13.3 Tax File Number

The Issuer will deduct tax from payments of interest on the Notes at the highest marginal tax rate plus the highest Medicare levy if an Australian resident investor or a non-resident investor carrying on business in Australia at or through a permanent establishment of the non-resident in Australia has not supplied an appropriate tax file number, Australian Business Number or exemption details.

13.4 References

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes (other than Subordinated Notes for which there is no premium payable), all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6, or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4, or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or substitution for it under the Deed Poll. Any additional amounts due in respect of the Subordinated Notes will be subordinated in right of payment as described in Condition 3.2, Condition 5.16 and Condition 16.

If the Issuer is or becomes subject at any time to any taxing jurisdiction other than or in addition to Australia, references in Condition 6.2 and Condition 13 shall be read and construed as including references to such other taxing jurisdiction(s).

13.5 FATCA

The Issuer or ANZGHL may withhold or make deductions from payments or from the issue of ANZGHL Ordinary Shares to a Noteholder where it is required to do so under or in connection with FATCA, or where it has reasonable grounds to suspect that the Noteholder or a beneficial owner of the Notes may be subject to FATCA, and may deal with such payment, and any ANZGHL Ordinary Shares in accordance with FATCA. If any withholding or deduction arises under or in connection with FATCA, neither the Issuer nor ANZGHL will be required to pay any further amounts or issue any further ANZGHL Ordinary Shares on account of such withholding or deduction or otherwise reimburse or compensate, or make any payment to, a Noteholder or a beneficial owner of the Notes for or in respect of any such withholding or deduction. A dealing with such payment and any ANZGHL Ordinary Shares in accordance with FATCA satisfies the obligations of the Issuer (and, as applicable, ANZGHL) to that Noteholder to the extent of the amount of that payment or issue of ANZGHL Ordinary Shares.

14 Prescription

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

15 Events of Default

15.1 Medium Term Notes

If any one of the following events ("**Events of Default**") occurs and is continuing, the Holder of any Medium Term Note of any Series may give written notice to the Registrar at its Registry Office that such Medium Term Note is immediately repayable, whereupon it shall immediately become due and repayable at its Early Redemption Amount together with accrued interest to the date of payment unless, prior to the date that such written notice is received by the Registrar, the Issuer shall have cured or otherwise made good all Events of Default in respect of the Medium Term Notes of such Series:

- (a) default is made in the payment of:
 - (i) any principal or Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount, Instalment Amount or Amortised Face Amount (in the case of a Zero Coupon Note) (whether becoming due upon redemption or otherwise) when due, in respect of any Medium Term Note of such Series, and such default continues for a period of 15 days; or
 - (ii) any interest when due, in respect of any Medium Term Note of such Series, and such default continues for a period of 30 days; or
- (b) the Issuer fails to perform or observe any of its obligations under any Medium Term Note of such Series other than those specified in paragraph (a) above and in such case (except where such failure is incapable of remedy) such failure continues for a period of 30 days next following the service by any Holder of any Medium Term Note of such Series on the Issuer of written notice requiring the same to be remedied; or
- (c) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of Australia, a resolution is passed that the Issuer be wound up or dissolved; or
- (d) the Issuer stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (e) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer and any such event is continuing for 45 days after its occurrence and would materially prejudice the

performance by the Issuer of its obligations under the Medium Term Notes of such Series or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer which would materially prejudice the performance of the Issuer of its obligations under the Medium Term Notes of such Series and is not discharged within 60 days thereof; or

- (f) proceedings shall have been initiated against the Issuer under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (g) the Issuer shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of Australia)) and such proceedings would materially prejudice the performance by the Issuer of its obligations under the Medium Term Notes of such Series.

Notwithstanding any other provision of this Condition 15.1, no Event of Default in respect of any Medium Term Note shall occur solely on account of any failure by the Issuer to perform or observe its obligations in relation to, or the taking of any process or proceeding in respect of any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital.

15.2 Subordinated Notes

The following are Events of Default with respect to Subordinated Notes:

- (a) The:
 - (i) making of an order by a court of the State of Victoria, Australia or a court with appellate jurisdiction from such court which is not successfully appealed or permanently stayed within 60 days of the entry of such order; or
 - (ii) valid passing by the Issuer's shareholders of an effective resolution,in each case for the winding-up of the Issuer (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency); and
- (b) Subject to Condition 5.16:
 - (i) default in the payment of interest on any Subordinated Note when due, continued for 30 days; or
 - (ii) default in the payment of principal of any Subordinated Note when due.

Upon the occurrence of an Event of Default specified in paragraph (a) above, subject to the subordination provisions, the Principal Amount of, and all accrued and unpaid interest on, the Subordinated Notes will automatically become due and payable.

If an Event of Default contemplated by paragraph (b) above with respect to any Subordinated Notes occurs and is continuing, a Subordinated Noteholder may only, in order to enforce the obligations of the Issuer under such Subordinated Notes:

- (A) notwithstanding the provisions of paragraph (B) below, institute proceedings in the State of Victoria, Australia (but not elsewhere) for the winding-up of the Issuer (all subject to, and in accordance with, the terms of Condition 16); or
- (B) institute proceedings for recovery of the money then due, provided that the Issuer will not, by virtue of the institution of any such

proceedings (other than proceedings for the winding-up of the Issuer) be obliged to pay any sums representing principal or interest in respect of the Subordinated Notes sooner than the same would otherwise have been payable by it and provided that the Issuer is Solvent at the time of, and will be Solvent immediately after, any such payment.

No remedy against the Issuer other than those referred to in this Condition 15.2, shall be available to the Subordinated Noteholders, whether for the recovery of amounts owing in respect of the Subordinated Notes or in respect of any breach by the issuer of any of its other obligations under or in respect of the Subordinated Notes.

15.3 Notification

If an Event of Default occurs under Conditions 15.1 or 15.2 above, the Issuer will promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default specifying details of it and use its reasonable endeavours to procure that the Registrar promptly notifies the Holders of the occurrence of the Event of Default by registered post to the address of the Holders recorded in the Register.

16 Subordination

In the event of the winding-up of the Issuer constituting an Event of Default with respect to the Subordinated Notes, there shall be payable with respect to the Subordinated Notes, subject to the subordination provisions discussed above (see Condition 3.2 and Condition 5.16), an amount equal to the Principal Amount of the Subordinated Notes then outstanding, together with all accrued and unpaid interest thereon to the repayment date.

As a result of the subordination provisions, no amount will be payable in the winding-up of the Issuer in Australia in respect of the Subordinated Notes until all claims of Senior Creditors admitted in the winding-up proceeding have been satisfied in full. By subscription for, or transfer of, Subordinated Notes to a Subordinated Noteholder, that Subordinated Noteholder will be taken to have agreed that no amount in respect of the Subordinated Notes will be repaid until all the claims of the Senior Creditors admitted in the winding-up proceeding have been satisfied accordingly. Accordingly, if proceedings with respect to the winding-up of the Issuer in Australia were to occur, the Subordinated Noteholders could recover less relative to the holders of deposit liabilities, the holders of Medium Term Notes and the holders of prior ranking subordinated liabilities of the Issuer.

If in any such winding-up, the amount payable with respect to the Subordinated Notes and any claims ranking equally with those Subordinated Notes cannot be paid in full, those Subordinated Notes and other claims ranking equally with those Subordinated Notes will share relatively in any distribution of the Issuer's assets in a winding-up in proportion to the respective amounts to which they are entitled.

Any amount not paid due to Condition 5.16 or Condition 15.2, remains a debt owing to the Noteholder by the Issuer until it is paid and will be payable on the first date on which payment can be made in compliance with the relevant Condition.

17 Meetings of Holders, Modifications and Waiver

17.1 Meetings of Holders

Meetings of Holders may be convened in accordance with the Meeting Provisions contained in Schedule 2 to the Deed Poll. Any such meeting may consider any matters affecting the interests of Holders, including, without limitation, the variation of the terms of the Notes by the Issuer and the granting of approvals, consents and waivers, and the declaration of an Event of Default.

17.2 Modification of the Deed Poll

Subject to Condition 17.3:

- (a) the Deed Poll or the terms of any Series of Notes may be amended by the Issuer, without the consent of any Holder, if in the opinion of the Issuer, the amendment:
 - (i) is necessary or advisable to comply with any law;
 - (ii) is necessary to correct an obvious error or omission, or is otherwise of a formal, minor, technical or administrative nature only;
 - (iii) is made for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision;
 - (iv) is not materially prejudicial to the rights of Holders generally; or
 - (v) only applies to Notes issued by the Issuer after the date of the amendment; and
- (b) in all other circumstances, the Deed Poll or the terms of any Series of Notes may be amended with the approval of Holders by an Extraordinary Resolution. The Issuer will notify the Registrar of any amendments made pursuant to this Condition and will use its reasonable endeavours to procure that the Registrar notifies the Holders of the amendment by post to the address of the Holders recorded in the Register.

In the case of an amendment to the terms of any Series of Notes, reference in this Condition 17.2 to “Holders” are to be taken to refer to the Holders of that Series of Notes.

17.3 No changes which may affect Tier 2 Capital eligibility

The prior written approval of APRA is required in respect of any modification, abrogation, variation, amendment, waiver or compromise in respect of the terms of any Series of Subordinated Notes or the Deed Poll where such modification, abrogation, variation, amendment, waiver or compromise may affect the eligibility of any Series of Subordinated Notes as Tier 2 Capital.

18 Further Issues of Notes

The Issuer may from time to time without the consent of the Holders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the Issue Date or first payment of interest on them) and so that such further issue of securities shall be consolidated and form a single Series with the outstanding Notes of any Series or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Notes.

19 Notices

19.1 To Holders

All notices by the Issuer to Holders must be in writing and may be:

- (a) posted by ordinary mail to the relevant Holder at its address appearing on the Register (or in the case of joint Holders to the first named) and, if so, shall be deemed to have been given on the sixth Business Day after posting if posted to an address in Australia and on the tenth Business Day if posted to an address outside of Australia; or

- (b) given by the Issuer publishing the notice on its website and announcing the publication of the notice to ASX and shall be deemed to have been given when the announcement is made on ASX.

19.2 To the Issuer and Registrar

All notices by a Holder to the Issuer and Registrar will be valid if posted by ordinary mail to the Issuer and the Registrar at their addresses specified above. Unless a later time is specified in it, a notice by a Holder takes effect from the time it is received by the Issuer or Registrar except that if it is received after 5.00pm in the place of receipt or not on a Business Day, it is to be taken to be received at 9.00am on the next succeeding Business Day in that place.

20 Governing Law

The Notes are governed by the laws in force in the State of Victoria and Australia.

Schedule to the Conditions of the Notes

1 Conversion

If ANZGHL must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions, then, subject to this Schedule and Condition 10.2 and unless the Pricing Supplement specifies that the Alternative Conversion Number applies, the following provisions apply (provided, in all cases, that where a Subordinated Note is required to be Converted only in part, references in this Schedule to the "Subordinated Note" shall be taken to be references to the "Affected Subordinated Note" as defined in Condition 7.4(b)):

- (a) the Subordinated Note will be automatically transferred free from any encumbrance to ANZGHL on the Trigger Event Date;
- (b) ANZGHL will allot and issue on the Trigger Event Date a number of ANZGHL Ordinary Shares in respect of the Principal Amount of that Subordinated Note equal to the "**Conversion Number**", where the Conversion Number (but subject to the Conversion Number being no more than the Maximum Conversion Number) is a number calculated according to the following formula:

$$\text{Conversion Number} = \frac{\text{Principal Amount}}{((1 - \text{CD}) \times \text{VWAP})}$$

where:

"**CD**" means the conversion discount specified in the applicable Pricing Supplement;

"**VWAP**" (expressed in dollars and cents) means the VWAP during the VWAP Period and where the "**Maximum Conversion Number**" means a number calculated according to the following formula:

$$\text{Maximum Conversion Number} = \frac{\text{Principal Amount}}{\text{Issue Date VWAP} \times 0.2}$$

- (c) on the Trigger Event Date the rights of each Subordinated Noteholder (including to payment of interest with respect to such Principal Amount, both in the future and as accrued but unpaid as at the Trigger Event Date) in relation to each Subordinated Note or portion thereof that is being Converted will be automatically transferred for an amount equal to the Principal Amount of that Subordinated Note that is being Converted and that Principal Amount will be applied in accordance with the Deed of Undertaking by way of payment for subscription for the ANZGHL Ordinary Shares to be allotted and issued under Section 1(b) of this Schedule and the Deed of Undertaking. Each Subordinated Noteholder is taken to have irrevocably directed that any amount payable under Section 1 of this Schedule is to be applied as provided for in Section 1 of this Schedule and no Subordinated Noteholder has any right to payment in any other way;
- (d) any calculation under Section 1(b) of this Schedule shall be, unless the context requires otherwise, be rounded to four decimal places provided that if the total number of additional ANZGHL Ordinary Shares to be allotted to a Subordinated Noteholder in respect of the aggregate Principal Amount of the Subordinated Notes it holds which is being Converted includes a fraction of an ANZGHL Ordinary Share, that fraction of an ANZGHL Ordinary Share will be disregarded;
- (e) the rights attaching to ANZGHL Ordinary Shares issued as a result of Conversion do not take effect until 5.00pm (Melbourne, Australia time) on the Trigger Event Date (unless another time is required for Conversion on that date). At that time all other rights conferred or restrictions imposed on that Subordinated Note under the Conditions will no longer have effect to the extent of the Principal Amount of that Subordinated Note being Converted (except for the right to receive the ANZGHL

Ordinary Shares as set forth in Section 1 of this Schedule and Condition 8 and except for rights relating to interest which is payable but has not been paid on or before the Trigger Event Date which will continue); and

- (f) under the arrangements as agreed between, amongst others, ANZGHL and the Issuer and relevant members of the ANZ Group, deal with the Subordinated Notes being Converted so that they are converted into ANZBGL Ordinary Shares and terminated (the "**Related Conversion Steps**").

2 Adjustments to VWAP

For the purposes of calculating VWAP in the Conditions:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, ANZGHL Ordinary Shares have been quoted on the Australian Securities Exchange as cum dividend or cum any other distribution or entitlement and the relevant Principal Amount of Subordinated Notes will Convert into ANZGHL Ordinary Shares after the date those ANZGHL Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those ANZGHL Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount ("**Cum Value**") equal to:
 - (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
 - (ii) (in the case of any other entitlement that is not a dividend or other distribution under Section 2(a)(i) of this Schedule which is traded on the Australian Securities Exchange on any of those Business Days), the volume weighted average sale price of all such entitlements sold on the Australian Securities Exchange during the VWAP Period on the Business Days on which those entitlements were traded; or
 - (iii) (in the case of any other entitlement which is not traded on the Australian Securities Exchange during the VWAP Period), the value of the entitlement as reasonably determined by the directors of ANZGHL; and
- (b) where, on some or all of the Business Days in the VWAP Period, ANZGHL Ordinary Shares have been quoted on the Australian Securities Exchange as ex dividend or ex any other distribution or entitlement, and the relevant Principal Amount of Subordinated Notes will Convert into ANZGHL Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those ANZGHL Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

3 Adjustments to VWAP for divisions and similar transactions

- (a) Where during the relevant VWAP Period there is a change in the number of the ANZGHL Ordinary Shares on issue as a result of a division, consolidation or reclassification of ANZGHL's share capital (not involving any cash payment or other distribution (or compensation) to or by holders of ANZGHL Ordinary Shares) (a "**Reorganisation**"), in calculating the VWAP for that VWAP Period the daily VWAP applicable on each day in the relevant VWAP Period which falls before the date on which trading in ANZGHL Ordinary Shares is conducted on a post Reorganisation basis shall be adjusted by multiplying such daily VWAP by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of ANZGHL Ordinary Shares immediately before the Reorganisation; and

B means the aggregate number of ANZGHL Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made in accordance with Section 3(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly. Any such adjustment must be promptly notified to all Subordinated Noteholders.

4 Adjustments to Issue Date VWAP

For the purposes of determining the Issue Date VWAP, corresponding adjustments to VWAP will be made in accordance with Section 2 and Section 3 of this Schedule during the 20 Business Day period over which VWAP is calculated for the purposes of determining the Issue Date VWAP. On and from the Issue Date adjustments to the Issue Date VWAP:

- (a) may be made in accordance with Sections 5 to 7 of this Schedule (inclusive); and
- (b) if so made, will cause an adjustment to the Maximum Conversion Number.

5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to Section 5(b) of this Schedule below, if at any time after the Issue Date ANZGHL makes a pro rata bonus issue of ANZGHL Ordinary Shares to holders of ANZGHL Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_o \times \frac{RD}{RD + RN}$$

where:

V means the Issue Date VWAP applying immediately after the application of this formula;

V_o means the Issue Date VWAP applying immediately prior to the application of this formula;

RN means the number of ANZGHL Ordinary Shares issued pursuant to the bonus issue; and

RD means the number of ANZGHL Ordinary Shares on issue immediately prior to the allotment of new ANZGHL Ordinary Shares pursuant to the bonus issue.

- (b) Section 5(a) of this Schedule does not apply to ANZGHL Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purpose of Section 5(a) of this Schedule, an issue will be regarded as a pro rata issue notwithstanding that ANZGHL does not make offers to some or all holders of ANZGHL Ordinary Shares with registered addresses outside Australia, provided that in so doing ANZGHL is not in contravention of the ASX Listing Rules.

- (d) No adjustments to the Issue Date VWAP will be made under this Section 5 of this Schedule for any offer of ANZGHL Ordinary Shares not covered by Section 5(a) of this Schedule, including a rights issue or other essentially pro rata issue.
- (e) The fact that no adjustment is made for an issue of ANZGHL Ordinary Shares except as covered by Section 5(a) of this Schedule shall not in any way restrict ANZGHL from issuing ANZGHL Ordinary Shares at any time on such terms as it sees fit nor require any consent or concurrence of any Subordinated Noteholders.

6 Adjustment to Issue Date VWAP for divisions and similar transactions

- (a) If at any time after the Issue Date, a Reorganisation occurs, the Issuer shall adjust the Issue Date VWAP by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reorganisation by the following formula:

$$\frac{A}{B}$$

where:

A means the aggregate number of ANZGHL Ordinary Shares immediately before the Reorganisation; and

B means the aggregate number of ANZGHL Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by the Issuer in accordance with Section 6(a) of this Schedule will, absent manifest error, be effective and binding on Subordinated Noteholders under these Conditions and these Conditions will be construed accordingly.
- (c) Each Subordinated Noteholder acknowledges that the Issuer may, consolidate, divide or reclassify securities so that there is a lesser or greater number of ANZGHL Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any Subordinated Noteholders.

7 No adjustment to Issue Date VWAP in certain circumstances

Despite the provisions of Section 5 and Section 6 of this Schedule, no adjustment shall be made to the Issue Date VWAP where such adjustment (rounded if applicable) would be less than one per cent. of the Issue Date VWAP then in effect.

8 Announcement of adjustment to Issue Date VWAP

The Issuer will notify Subordinated Noteholders of any adjustment to the Issue Date VWAP under this Schedule within ten Business Days of the Issuer determining the adjustment and the adjustment set out in the announcement will be final and binding.

9 ANZGHL Ordinary Shares

Each ANZGHL Ordinary Share issued or arising upon Conversion ranks pari passu with all other fully paid ANZGHL Ordinary Shares. The Subordinated Noteholders agree not to trade ANZGHL Ordinary Shares issued on Conversion (except as permitted by the Corporations Act, other applicable laws and the ASX Listing Rules) until ANZGHL has taken such steps as are required by the Corporations Act, other applicable laws and the ASX Listing Rules for the ANZGHL Ordinary Shares to be freely tradeable without such further disclosure or other

action and agree to allow ANZGHL to impose a holding lock or to refuse to register a transfer in respect of ANZGHL Ordinary Shares until such time.

10 Listing ANZGHL Ordinary Shares issued on Conversion

ANZGHL shall use all reasonable endeavours to list the ANZGHL Ordinary Shares issued upon Conversion of the Subordinated Notes on the Australian Securities Exchange.

11 Alternative Conversion Number

If the Issuer must Convert a Principal Amount of a Subordinated Note in accordance with the Conditions and the Pricing Supplement specifies that the Alternative Conversion Number applies, then:

- (a) Section 1 of this Schedule applies on the basis that the Conversion Number for the purposes of Section 1(b) of this Schedule is the number of ANZGHL Ordinary Shares specified in the Pricing Supplement as the Alternative Conversion Number (subject to the Alternative Conversion Number being no more than the Maximum Conversion Number as determined in accordance with Section 1(b) of this Schedule); and
- (b) Sections 2 to 8 (inclusive) of this Schedule do not apply to the Alternative Conversion Number.

12 Definitions

For the purposes of this Schedule the following terms shall have the following meanings:

Affected Subordinated Note has the meaning given in Condition 7.4(b).

Cum Value has the meaning given in Section 2 of this Schedule.

Issue Date VWAP means, in respect of Subordinated Notes of a Series, the VWAP during the period of 20 Business Days on which trading in ANZGHL Ordinary Shares took place immediately preceding (but not including) the first date on which any Subordinated Notes of that Series were issued, as adjusted in accordance with Sections 4 to 7 (inclusive) of this Schedule.

Reorganisation has the meaning given in Section 3 of this Schedule.

Tax Act means:

- (a) the Income Tax Assessment Act 1936 of Australia or the Income Tax Assessment Act 1997 of Australia as the case may be and a reference to any section of the Income Tax Assessment Act 1936 of Australia includes a reference to that section as rewritten in the Income Tax Assessment Act 1997 of Australia; and
- (b) any other Act setting the rate of income tax payable and any regulation promulgated under it.

VWAP means, subject to any adjustments under this Schedule, the average of the daily volume weighted average sale prices (such average being rounded to the nearest full cent) of ANZGHL Ordinary Shares sold on the Australian Securities Exchange during the VWAP Period or on the relevant days and where the currency of the Principal Amount in respect of the Subordinated Note is not Australian Dollars, with each such daily price converted into the Specified Currency on the basis of the spot rate of exchange for the sale of Australian Dollars against the purchase of the relevant Specified Currency in the Sydney foreign exchange market quoted by any leading bank selected by the Issuer on the relevant calculation date, but does not include any Crossing transacted outside the Open Session State or any Special

Crossing transacted at any time, each as defined in the ASX Operating Rules, or any overseas trades or trades pursuant to the exercise of options over ANZGHL Ordinary Shares;

VWAP Period means the period of five Business Days or such other period specified in the applicable Pricing Supplement on which trading in ANZGHL Ordinary Shares took place immediately preceding (but not including) the Trigger Event Date.

13 Interpretation

DESCRIPTION OF THE ANZGHL ORDINARY SHARES TO BE ISSUED UPON CONVERSION OF SUBORDINATED NOTES THAT ARE SUBJECT TO CONVERSION

This section contains information relevant to the ANZGHL Ordinary Shares that are issuable upon Conversion of Subordinated Notes if a Non-Viability Trigger Event occurs.

The Subordinated Notes are not guaranteed by any person, including ANZGHL. In particular, ANZGHL does not (i) issue Subordinated Notes under this Programme; (ii) guarantee the Issuer's obligations generally or in connection with the Subordinated Notes; (iii) have any obligations in respect of Subordinated Notes issued by the Issuer under this Programme, except to the extent that such Subordinated Notes are subject to Conversion into ANZGHL Ordinary Shares as provided in the terms of the Subordinated Notes.

Description of ANZGHL Ordinary Shares and ANZGHL's Constitution

The rights and liabilities attaching to the ANZGHL Ordinary Shares are set out in the ANZGHL constitution ("**Constitution**") and are also regulated by the Corporations Act, the ASX Listing Rules and the general law.

A summary of the key rights attaching to the ANZGHL Ordinary Shares is set out below. Any ANZGHL Ordinary Shares issued upon Conversion of the Subordinated Notes will be fully paid ANZGHL Ordinary Shares.

Voting rights

Subject to any rights or restrictions attached to any shares or class of shares, registered holders of an ANZGHL Ordinary Share ("**ANZGHL Shareholders**") are entitled to attend and vote at a general meeting of ANZGHL. Any resolution being considered at a general meeting is decided on a show of hands unless a poll is held. On a show of hands, each ANZGHL Shareholder present has one vote.

On a poll, each ANZGHL Shareholder has one vote for each ANZGHL Ordinary Share. Partly paid ANZGHL Ordinary Shares confer that fraction of a vote which is equal to the proportion which the amount paid bears to the total issue price of the ANZGHL Ordinary Share.

General meetings

Notice of a general meeting must be given to each ANZGHL Shareholder in accordance with the Corporations Act. Each ANZGHL Shareholder is entitled to receive notices, financial statements and other documents required to be provided to ANZGHL Shareholders under the Constitution, Corporations Act and ASX Listing Rules.

Dividend entitlement

Subject to the Corporations Act, the Constitution and the terms of issue of ANZGHL Ordinary Shares, the board of directors of ANZGHL ("**ANZGHL Board**") may resolve to pay dividends on ANZGHL Ordinary Shares which are considered by the ANZGHL Board to be appropriate, in proportion to the capital paid up on the ANZGHL Ordinary Shares held by each ANZGHL Shareholder.

Payment of a dividend on ANZGHL Ordinary Shares may also be restricted by the terms of preference shares and other hybrid securities carrying a prior right to the payment of a dividend or distribution. Before paying any dividend, directors of ANZGHL must ensure that they are in compliance with APRA prudential standards.

Dividend reinvestment plan and bonus option plan

ANZGHL Shareholders who are eligible may participate in ANZGHL's dividend reinvestment plan or bonus option plan, as in force from time to time, in accordance with (and subject to) the rules of those plans. ANZGHL Shareholders who are subject to the laws of a country or place other than Australia may not be eligible to participate, because of legal requirements that apply in that country or place or in Australia. Until the ANZGHL Board otherwise determines, participation in ANZGHL's dividend

reinvestment plan and bonus option plan is not available directly or indirectly to any entity or person (including any legal or beneficial owner of ANZGHL Ordinary Shares) who is (or who is acting on behalf of or for the account or benefit of an entity or person who is) in or resident in the United States (including its territories or possessions) or Canada.

Rights of ANZGHL Shareholders on a winding-up of ANZGHL

If ANZGHL is wound up and its property is more than sufficient to pay all debts, share capital of ANZGHL and expenses of the winding-up, the excess must be divided among ANZGHL Shareholders in proportion to the capital paid up on the ANZGHL Ordinary Shares at the commencement of the winding-up (subject to the rights of holders of shares carrying preferred rights on winding-up). A partly paid ANZGHL Ordinary Share is counted as a fraction of a fully paid ANZGHL Ordinary Share equal to the proportion which the amount paid on it bears to the total issue price of the ANZGHL Ordinary Share.

However, with the sanction of a special resolution, the liquidator may divide among ANZGHL Shareholders the assets of ANZGHL in kind and decide how the division is to be carried out or vest assets in trustees of any trusts for the benefit of ANZGHL Shareholders as the liquidator thinks appropriate.

Transfer of ANZGHL Ordinary Shares

ANZGHL Ordinary Shares may be transferred by any means permitted by the Corporations Act or by law. The ANZGHL Board may decline to register a transfer where permitted to do so under the ASX Listing Rules or the settlement operating rules of the ASX ("**ASX Settlement Operating Rules**"), or where registration of the transfer is forbidden by the Corporations Act, ASX Listing Rules or ASX Settlement Operating Rules. In addition, subject to the Corporations Act, ASX Listing Rules and ASX Settlement Operating Rules, the ANZGHL Board may decline to register a transfer if registration would create a new holding of less than a marketable parcel under the ASX Listing Rules.

Issues of further shares

Subject to the Constitution, Corporations Act and ASX Listing Rules, the ANZGHL Board may issue or grant options in respect of ANZGHL Ordinary Shares on such terms as the ANZGHL Board decides. The ANZGHL Board may also issue preference shares, including redeemable preference shares, or convertible notes with preferred, deferred or special rights or restrictions in relation to dividends, voting, return of capital and participation in surplus on a winding-up of ANZGHL.

Variation of the Constitution

The Constitution can only be modified by a special resolution in accordance with the Corporations Act. Under the Corporations Act, for a resolution to be passed as a special resolution it must be passed by at least 75 per cent. of the votes cast by members entitled to vote on the resolution.

Variation of rights

ANZGHL may only modify or vary the rights attaching to any class of shares with the prior approval, by a special resolution, of the holders of shares in that class at a meeting of those holders, or with the written consent of the holders of at least 75 per. cent of the issued shares of that class.

Subject to the terms of issue, the rights attached to a class of shares are not treated as varied by the issue of further shares which rank equally with that existing class for participation in profits and assets of ANZGHL.

Arrangements for holding and transfers of ANZGHL Ordinary Shares

Holdings and transfers of legal title to ANZGHL Ordinary Shares are recorded and effected via CHESS. CHESS is used to facilitate the clearing and settlement of trades in shares and to provide an electronic subregister for shares in companies listed on ASX.

Deed of Undertaking

In respect of its obligations in connection with Conversion of Subordinated Notes, ANZGHL has entered into the Deed of Undertaking for the benefit of holders of Subordinated Notes which are subject to Conversion into ANZGHL Ordinary Shares. Under the Deed of Undertaking, ANZGHL undertakes to perform its obligations relating to a Conversion (including in connection with the issue and delivery of ANZGHL Ordinary Shares to Subordinated Noteholders upon a Conversion), to use all reasonable endeavours to list and procure quotation of the ANZGHL Ordinary Shares issued or arising from a Conversion on the ASX, to ensure that the ANZGHL Ordinary Shares issued or arising from a Conversion will rank equally with all other fully paid ANZGHL Ordinary Shares, and from the applicable Trigger Event Date (subject to the provisions of the Subordinated Notes relating to Write-Off), to treat each Subordinated Noteholder as the holder of the Conversion Number of ANZGHL Ordinary Shares to take all such steps, including updating any register, required to record the Conversion, and to otherwise comply with the terms of the Subordinated Notes.

ANZGHL has no other obligation or liability in respect of any Subordinated Note or portion thereof. The remedies of a Subordinated Noteholder in respect of any failure of ANZGHL to issue the ANZGHL Ordinary Shares upon a Conversion are limited in accordance with the terms of the Subordinated Notes and the Deed of Undertaking, which provide that Subordinated Noteholders have no rights against ANZGHL in respect of the Subordinated Notes other than (and subject always to where Write-Off applies) to seek specific performance of the obligation to issue the ANZGHL Ordinary Shares. The making of an order for specific performance is in the discretion of the court.

USE OF PROCEEDS

The net proceeds from the issue of any Notes will be used by the Issuer for its general corporate purposes.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in each relevant subscription agreement (each a “**Subscription Agreement**”) entered into between the Issuer and the relevant Dealers, the Notes will be offered from time to time by the Issuer to the Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to other intermediaries and purchasers procured by it.

The Issuer will agree to indemnify the Dealer(s) against certain liabilities in connection with the offer and sale of the Notes. Each Subscription Agreement will entitle the relevant Dealers to terminate any agreement that they may make to subscribe for Notes in certain circumstances prior to payment for such Notes being made to the Issuer. In the event of any inconsistency between the provisions of the relevant Subscription Agreement and the Information Memorandum or the Conditions, the provisions of the relevant Subscription Agreement shall apply.

The Issuer may pay each relevant Dealer a commission as agreed between the Issuer and that Dealer in respect of a Tranche of Notes, which commission may be deducted from the net proceeds payable to the Issuer on the closing of that Series. The Issuer may agree to reimburse the relevant Dealers for certain of their activities in connection with the issue of a Tranche of Notes.

- (ii) such action complies with all applicable laws, directives and regulations and does not require any document to be lodged with, or registered by, ASIC.

Each Dealer appointed under the Programme will be deemed to represent and to agree, that it will not sell any Notes in circumstances where employees of the Dealer aware of, or involved in, the sale know, or have reasonable grounds to suspect, that the Note or an interest in or right in respect of the Note, was being or would later be, acquired either directly or indirectly by an Offshore Associate of the Issuer acting other than in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act.

"Offshore Associate" means an associate (as defined in section 128F of the Income Tax Assessment Act 1936 (Cth) of Australia and any successor legislation) of the Issuer that is either a non-resident of the Commonwealth of Australia which does not acquire the Notes in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires the Notes in carrying on business at or through a permanent establishment outside of Australia.

Taiwan

The Notes may be made available for purchase from outside Taiwan by investors residing in Taiwan either directly or through a duly licensed Taiwan intermediary, but may not be offered or sold in Taiwan. Any subscriptions of Notes shall only become effective upon acceptance by the Issuer or the relevant Dealer outside Taiwan and shall be deemed a contract entered into in the jurisdiction of incorporation of the Issuer or relevant Dealer, as the case may be.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act. Each Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold, and will not offer or sell, Notes (a) (i) as part of its distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the Notes comprising the relevant Tranche and the completion of the distribution of the Notes comprising the relevant Tranche, as determined and certified to the Issuer by such Dealer (or, in the case of a sale

of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to the Notes of such Tranche purchased by or through it, in which case the Issuer shall notify each such Dealer when all such Dealers have so certified) and (b) within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Rule 903 of Regulation S under the Securities Act. Accordingly, each Dealer appointed under the Programme will be required to represent and agree, that none of it, its affiliates or any persons acting on its or their behalf have engaged or will engage in any directed selling efforts (as defined in Regulation S under the Securities Act) with respect to the Notes, and that it and they have complied and will comply with any applicable offering restrictions requirement of Regulation S under the Securities Act. "The Notes covered hereby have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the Notes comprising the relevant Tranche and the completion of the distribution of the Notes comprising the relevant Tranche, as determined and certified by *[Name of Dealer or Dealers, as the case may be]*, except, in either case, in accordance with Rule 903 of Regulation S under the Securities Act. Terms used above have the meaning given to them by Regulation S under the Securities Act."

Each Dealer appointed under the Programme will be required to agree to notify the Issuer when it has completed its distribution of the Notes of any Tranche. In addition, until 40 days after the later of the commencement of the offering of the Notes comprising the relevant Tranche and the completion of the distribution of the Notes comprising the relevant Tranche, any offer or sale of Notes within the United States by a Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Each issuance of index-, commodity- or currency-linked Notes may be subject to such additional U.S. selling restrictions as the relevant Dealer may agree with the Issuer as a term of the issuance, and purchase or, as the case may be, subscription of such Notes. Each Dealer appointed under the Programme will be required agree, that it shall offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers including following a change in a relevant law, regulation or directive.
