Delinquency statistics have been prepared in accordance with APRA's view of sound practice for the reporting of delinquent loans, including the treatment of loans with hardship as described in APRA Prudential Practice
Guide APR 223 (dated February 2017). Reported delinquencies include accounts that are in the serviceability hold out period (i.e. loans in hardship which have commenced making their required monthly payments continue
to be reported as delinquent until the customer has maintained full recoverants for a period of all least 6 months).
