The applicable laws include (but are not limited to) sections 13A and 16 of the **Australian Banking Act** and section 86 of the Reserve Bank Act 1959 of the Commonwealth of Australia (**Australian Reserve Bank Act**). These provisions provide that in the event that the Issuer becomes unable to meet its obligations or suspends payment, its assets in Australia are to be available to meet its liabilities to, among others, the Australian Prudential Regulation Authority, the Reserve Bank of Australia and holders of protected accounts held in Australia, in priority to all other liabilities, including the Covered Bonds.

4. **Interest and other Calculations**

(a) ***Interest on Fixed Rate Covered Bonds***

(i) Each Covered Bond where the Interest Basis in the applicable Final Terms is specified to be a Fixed Rate (a **Fixed Rate Covered Bond**) bears interest on its Principal Amount Outstanding from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such

interest being payable in arrear on each Interest Payment Date. (iii) *Calculation of Interest Amount:*

The Interest Amount payable in respect of each Covered Bond for any period for which a Fixed Coupon Amount or Broken Amount is not specified in the applicable Final Terms shall be calculated by applying the Rate of Interest to the Calculation Amount for such Covered Bond, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest unit of the Specified Currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen, and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Covered Bond divided by the Calculation Amount. For this purpose, a "unit" means, in the case of any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of Euro, means 0.01 Euro, as the case may be.

(iv) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then that date will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms.

(b) ***Interest on Floating Rate Covered Bonds and Index Linked Interest Covered Bonds***

(i) *Interest Payment Dates:* Each Covered Bond where the Interest Basis in the applicable Final Terms is specified to be Floating Rate (a **Floating Rate Covered Bond**) and each Covered Bond where the Interest Basis in the applicable Final Terms is specified to be Index Linked (an **Index Linked Interest Covered Bond**) bears interest on its outstanding Principal Amount Outstanding from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the applicable Final Terms as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the applicable Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the applicable Final Terms as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Rate of Interest for Floating Rate Covered Bonds:* The Rate of Interest in respect of Floating Rate Covered Bonds, other than in the case of BBSW Covered Bonds (unless the relevant Final Terms specify otherwise), provisions in respect of which are set out in Condition 4(b)(v) below, for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and the provisions

below relating to either ISDA Determination or Screen Rate Determination shall apply (as amended by the applicable Final Terms), depending upon which is specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Covered Bonds

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Principal Paying Agent as a rate equal to the relevant ISDA Rate. For the purposes of this subparagraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent or other person specified in the applicable Final Terms under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Final Terms;
- (y) the Designated Maturity is a period specified in the applicable Final Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**", and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate/Reference Bank Determination for Floating Rate Covered Bonds

- (x) If Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be (as determined by the Principal Paying Agent), either:
 - (I) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
 - (II) the arithmetic mean of the offered quotations,

for the Reference Rate in each case appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date;

- (y) if sub-paragraph (x)(I) applies and no Reference Rate appears on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two offered quotations appear on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the offered quotations that each of the Reference Banks is quoting (or such of them, being at least two, as are so quoting) to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date for deposits of the Specified Currency for a term

equal to the relevant Interest Accrual Period as determined by the Principal Paying Agent; and

- (z) if paragraph (y) above applies and the Principal Paying Agent determines that fewer than two Reference Banks are so quoting the Reference Rate, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage), which the Principal Paying Agent determines to be the nearest equivalent to the Reference Rate, in respect of deposits of the Specified Currency that at least two out of five leading banks selected by the Principal Paying Agent (after consultation with the Issuer) in the Principal Financial Centre of the country of the Specified Currency, in each case as selected by the Principal Paying Agent (after consultation with the Issuer), are quoting at or about the Relevant Time for a period commencing on the Effective Date equivalent to the relevant Interest Accrual Period to leading banks carrying on business in (i) Europe, or (ii) (if the Principal Paying Agent determines that fewer than two of such banks are so quoting to such leading banks in Europe) the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to such leading banks, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iii) *Rate of Interest for Index Linked Interest Covered Bonds:* The Rate of Interest in respect of Index Linked Interest Covered Bonds for each Interest Accrual Period shall be determined by the Calculation Agent in the manner specified in the applicable Final Terms and interest will accrue by reference to the index or formula as specified in the applicable Final Terms.
- (iv) *Rate of Interest on BBSW Covered Bonds:* If a Covered Bond is specified to be a BBSW Covered Bond, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:
 - (A) the Rate of Interest shall be the stated average (expressed as an interest rate per annum and rounded up, if necessary, to the fourth decimal place) of the mean buying and selling rates (for the purposes of this Condition 4(b)(iv), each such rate a "quotation") of each BBSW Reference Bank (as defined below) excluding the highest and lowest quotations for bank bills having a tenor approximately equal to the relevant Interest Accrual Period as set forth on the display page designated on page "BBSW" on the Reuters screen service ("**BBSW Reuters Page**") or such other information service as may replace the BBSW Reuters Page for the purpose of displaying Australian dollar bank bill rates of leading financial institutions in Australia at or about the Relevant Time on the relevant Interest Determination Date in respect of such Interest Accrual Period, converted by the Calculation Agent (by dividing such Interest Rate by 365 and then multiplying it by 360) into a rate expressed on a 360-day year basis, or as otherwise specified in the Final Terms;
 - (B) if, at or about the Relevant Time on any Interest Determination Date, the quotations of only two BBSW Reference Banks are available, or no such

quotations are available, on the BBSW Reuters Page or if the BBSW Reuters Page is unavailable, the Calculation Agent shall at or about the Relevant Time on such Interest Determination Date request the principal office of each of the BBSW Reference Banks to provide the Calculation Agent with its quotation (expressed as an interest rate per annum) for the Australian dollar bank bills having a tenor approximately equal to the relevant Interest Accrual Period. The Rate of Interest for such Interest Accrual Period shall be the arithmetic mean (rounded up as aforesaid) of such quotations excluding the highest and lowest quotations, as determined by the Calculation Agent and converted by the Calculation Agent (by dividing such Rate of Interest by 365 and then multiplying it by 360) into a rate expressed on a 360-day year basis, or as otherwise specified in the Final Terms;

- (C) if, at or about the Relevant Time on any Interest Determination Date only two or less quotations are available under sub-paragraph (A) above, but at least three but fewer than all the BBSW Reference Banks provide the Calculation Agent with quotations as referred to in sub-paragraph (B) above, the Rate of Interest for the relevant Interest Accrual Period shall be determined in accordance with sub-paragraph (B) above, on the basis of the quotations of those BBSW Reference Banks providing such quotations; and
- (D) if, at or about the Relevant Time on any Interest Determination Date, the Rate of Interest cannot be determined by reference to any of sub-paragraphs (A), (B) and (C) above, the Rate of Interest for the relevant Interest Accrual Period shall, subject as provided below, be the rate per annum converted by the Calculation Agent (by dividing such Rate of Interest by 365 and then multiplying it by 360) into a rate expressed on a 360-day basis, which the Calculation Agent determines to be either (x) the arithmetic mean (rounded upwards as aforesaid) of the offered rates (excluding the highest and lowest of such offered rates) which leading financial institutions selected by the Calculation Agent (after consultation with the Issuer) are quoting at or about the Relevant Time on such Interest Determination Date for bank bills for such Interest Accrual Period to the principal office of each of the BBSW Reference Banks or those of them (being at least three in number) to which such offered rates are, in the opinion of the Calculation Agent, being so quoted, or (y) in the event that the Calculation Agent can determine no such arithmetic mean, the arithmetic mean (rounded upwards as aforesaid) of the offered rates (excluding the highest and lowest of such offered rates) which leading financial institutions selected by the Calculation Agent (after consultation with the Issuer) are quoting on such date to leading financial institutions which have their head offices in Europe for bank bills for such Interest Accrual Period; provided that if the financial institutions selected as referred to in (y) above by the Calculation Agent are not quoting as mentioned above, the Rate of Interest for the relevant Interest Accrual Period shall be the Rate of Interest in effect for the last preceding Interest Accrual Period (after readjustment for any difference between any Margin or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (E) In relation to BBSW Covered Bonds, unless stated to the contrary on the face thereof, "**BBSW Reference Banks**" shall mean the financial institutions appearing on the BBSW Reuters Page, (or any replacement page thereof) at or about the Relevant Time on the relevant Interest Determination Date provided that if on such Interest Determination Date there are less than three financial institutions appearing on the BBSW Reuters Page, (or any

replacement page thereof) or the BBSW Reuters Page is unavailable, the "**BBSW Reference Banks**" shall be the financial institutions appearing on the BBSW Reuters Page, (or any replacement page thereof) at or about the Relevant Time on the last preceding date on which two or more financial institutions so appeared.

- (v) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then that date will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms.

(c) ***Zero Coupon Covered Bonds***

Where a Covered Bond, the Interest Basis of which is specified in the applicable Final Terms to be Zero Coupon (a **Zero Coupon Covered Bond**), is repayable prior to the Final Maturity Date and is not paid when due, the amount due and payable prior to the Final Maturity Date shall be the Early Redemption Amount of such Covered Bond, unless otherwise specified in the applicable Final Terms. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield.

(d) ***Dual Currency Covered Bonds***

In the case of Dual Currency Covered Bonds, if the rate or amount of interest is to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(e) ***Partly Paid Covered Bonds***

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up Principal Amount Outstanding of such Covered Bonds and otherwise as specified in the applicable Final Terms.

(f) ***Accrual of Interest***

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (after, as well as before, judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date.

(g) ***Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding***

- (i) If any Margin is specified in the applicable Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 4(b) above, by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph;
- (ii) If any Maximum or Minimum Interest Rate, Instalment Amount or Redemption Amount is specified in the applicable Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or

minimum, as the case may be. Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero;

- (iii) Subject to the requirements of applicable law, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven decimal places (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "**unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means 0.01 euro, as the case may be.

(h) ***Calculations***

Unless otherwise specified in the applicable Final Terms, the amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding Principal Amount Outstanding of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in the applicable Final Terms in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) ***Determination and Publication of Rate of Interest, Interest Amounts, Final Redemption Amounts and Instalment Amounts***

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Principal Paying Agent or the Calculation Agent (in the case of Index Linked Interest Covered Bonds) may be required to calculate any rate or amount or Instalment Amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Bond Trustee, the Issuer, each of the Paying Agents, the Covered Bondholders in accordance with Condition 14 (Notices), the Registrar, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are listed on a stock exchange (and/or admitted to listing, trading and/or quotation on any other listing authority, stock exchange and/or quotation system) and the rules of such listing authority, stock exchange and/or quotation system so require, such listing authority, stock exchange and/or quotation system as soon as possible after their determination but in no event later than (y) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (z) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to Condition 4(a)(iv)

(*Interest on Fixed Rate Bonds*) or 4(b)(ii) (*Interest on Floating Rate Covered Bonds and Index Linked Interest Covered Bonds*), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period. If the Calculation Amount is less than the minimum Specified Denomination, the Principal Paying Agent (or the Calculation Agent, in respect of Index Linked Interest Covered Bonds) shall not be obligated to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Covered Bond having the minimum Specified Denomination. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Principal Paying Agent(s) or Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(j) ***Calculation Agent and Reference Banks***

The Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the applicable Final Terms and for so long as any Covered Bond is outstanding (as defined in the Definitions Schedule). If any Reference Bank (acting through its relevant offices) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place.

(k) ***Determination by Bond Trustee***

If the Principal Paying Agent or Calculation Agent, as the case may be, defaults in its obligation to determine the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount or Optional Redemption Amount or to comply with any other requirement, the Bond Trustee may determine (or appoint an agent to determine) the Rate of Interest or any other amount at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Bond Trustee may calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable. In making any such determination or calculation, the Bond Trustee may appoint and rely on a determination or calculation by a calculation agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Principal Paying Agent or the Calculation Agent, as the case may be.

(l) ***Certificates to be final***

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4 (*Interest and other Calculations*) shall (in the absence of wilful default, gross negligence or fraud) be binding on the Issuer, the Covered Bond Guarantor, the Calculation Agent, the Bond Trustee, the Principal Paying Agent, the other Paying Agents (if any), the Registrar and all Covered Bondholders and (in the absence of wilful default, gross negligence or fraud) no liability to the Issuer, the Covered Bond Guarantor, the Covered Bondholders shall attach to the Principal Paying Agent, the Calculation Agent or the Bond Trustee in connection with the exercise or non-exercise by it of their respective powers, duties and discretions pursuant to such provisions.

Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8 (Prescription)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon amounts in respect of any Fixed Rate Covered Bond in definitive bearer form becoming due and repayable by the Issuer (in the absence of a Notice to Pay) or the Covered Bond Guarantor under the Covered Bond Guarantee prior to its Final Maturity Date (or, as the case may be, Extended Due for Payment Date), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

If the date for redemption of any Bearer Definitive Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Bearer Definitive Covered Bond.

Australian Registered Covered Bond will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the relevant Registrar or any of the Paying Agents (other than the Australian Paying Agent). For these purposes, **Designated Account** means the account maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland and Wellington, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Covered Bond (whether or not in global form) other than each Australian Registered Covered Bond will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the relevant Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register:

- (i) where the Registered Covered Bond is in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date; and
- (ii) where in definitive form, at the close of business on the 15th day (whether or not such 15th day is a Business Day) before the relevant due date,

(in either case, the **Record Date** in relation to such Covered Bonds) at the holder's address shown in the Register on the Record Date and at the holder's risk. Upon application of the holder to the specified office of the relevant Registrar not less than three Business Days in the city where the specified office of the relevant Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the relevant Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

(f) ***Payments in respect of Australian Registered Covered Bonds***

Payments of interest and principal (other than instalments of principal prior to the final instalment) in respect of each Australian Registered Covered Bond (whether or not in global form) will be made in Australian Dollars by the Australian Paying Agent on behalf of the

Issuer to the persons registered at the close of business on the relevant Record Date (as defined below) as follows:

- (i) if the Australian Registered Covered Bond is in Austraclear, by crediting on the relevant due date the amount then due to the account (held with a bank in Australia) of Austraclear in accordance with the Austraclear Regulations;
- (ii) if the Australian Registered Covered Bond is not in Austraclear, by crediting on the relevant due date the amount then due to an account (held with a bank in Australia) previously notified in writing by the holder of the Australian Registered Covered Bond to the Issuer and the Australian Paying Agent; and
- (iii) if a holder has not notified the Issuer and the Australian Paying Agent of an account to which payments to it must be made by the close of business on the applicable Record Date, by cheque drawn on an Australian bank dispatched by post on the relevant payment date, at the risk of the holder, to the holder (or, in the case of joint holders, to the first named) at its address appearing in the Australian Register at the close of business on the Record Date or in any other manner in Australia which the Australian Paying Agent and the holder agree.

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Paying Agent gives irrevocable instructions for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Covered Bondholder and, in the case of accounts maintained in Australia, reaching the account on the same day as the day on which the instructions are given.

For the purposes of this Condition, **Record Date** means:

- (A) in the case of payments of principal, 10.00 a.m. (Sydney) on the due date of the relevant payment of principal; and
 - (B) in the case of payments of interest, close of business of the eighth calendar day before the due date for the relevant payment of interest.
- (g) ***General provisions applicable to payments***

Where payments in respect of a Registered Covered Bond are to be made by cheque, holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with these Conditions arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the relevant Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Luxembourg Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Principal Agency Agreement.

None of the Issuer, the Covered Bond Guarantor, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on

account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The holder of a Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) shall be the only person entitled to receive payments in respect of Covered Bonds represented by such Global Covered Bond and the Issuer or, as the case may be, the Covered Bond Guarantor will be discharged by payment to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, Austraclear or DTC, as the case may be, as the beneficial holder of a particular nominal amount of Covered Bonds represented by such Global Covered Bond must look solely to Euroclear, Clearstream, Luxembourg, Austraclear or DTC, as the case may be, for his share of each payment so made by the Issuer or the Covered Bond Guarantor to, or to the order of, the holder of such Global Covered Bond (or the Bond Trustee, as the case may be). No person other than the holder of the relevant Global Covered Bond (or, as provided in the Bond Trust Deed, the Bond Trustee) shall have any claim against the Issuer or the Covered Bond Guarantor in respect of any payments due on that Global Covered Bond.

Notwithstanding the foregoing provisions of this Condition, payments of principal and/or interest in U.S. Dollars in respect of the Bearer Covered Bonds will only be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. Dollars at such specified offices outside the United States of the full amount of interest on the Bearer Covered Bonds in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Covered Bond Guarantor, adverse Tax consequences to the Issuer or the Covered Bond Guarantor.

(h) ***Payment Business Day***

If the date for payment of any amount in respect of any Covered Bond, Receipt or Coupon is not a Payment Business Day (as defined below), the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Business Day and shall not be entitled to any interest or other sum in respect of any such delay. In this Condition (unless otherwise specified in the applicable Final Terms), **Payment Business Day** means any day (other than a Saturday or a Sunday) on which (subject to Condition 8 (Prescription)):

- (i) commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Covered Bonds in definitive form, the relevant place of presentation; and
 - (B) in the case of Australian Registered Covered Bonds, Sydney; and

- (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the Principal Financial Centre of the country of the relevant Specified Currency (if other than the places specified in Condition 6(h)(i) and which if the Specified Currency is Australian dollars shall be Sydney) or (2) in relation to any sum payable in euro, the TARGET 2 System is open; and
- (iii) in the case of any payment in respect of a Registered Global Covered Bond denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Covered Bond) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(i) ***Interpretation of principal and interest***

Any reference in these Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 (*Taxation*) or under any undertakings or covenants given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed;
- (ii) the Final Redemption Amount of the Covered Bonds;
- (iii) the Early Redemption Amount of the Covered Bonds;
- (iv) the Optional Redemption Amount(s) (if any) of the Covered Bonds;
- (v) in relation to Covered Bonds redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Covered Bonds, the Amortised Face Amount (as defined in Condition 5(f) (*Early Redemption Amounts*));
- (vii) any premium and any other amounts (other than interest) which may be payable under or in respect of the Covered Bonds;
- (viii) in relation to Dual Currency Covered Bonds, the principal payable in any relevant Specified Currency; and
- (ix) any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds.

Any reference in these Conditions to interest in respect of the Covered Bonds shall be deemed to include, as applicable, any additional amounts which may be payable by the Issuer with respect to interest under Condition 7 (*Taxation*) or under any undertakings given in addition thereto, or in substitution therefor, pursuant to the Bond Trust Deed.

(j) ***Redenomination***

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Covered Bondholders, the Receiptholders and the Couponholders, on giving prior written notice to the Bond Trustee, the Security Trustee, the Covered Bond Paying Agent, the Luxembourg Registrar (in the case of Registered Covered

Bonds), Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Covered Bondholders in accordance with Condition 14 (Notices), elect that, with effect from the Redenomination Date specified in the notice, the Covered Bonds shall be redenominated in euro. In relation to any Covered Bonds where the applicable Final Terms provides for a minimum Specified Denomination in the Specified Currency which is equivalent to at least euro 100,000 and which are admitted to trading on a regulated market in the European Economic Area, it shall be a term of any such redenomination that the holder of any Covered Bonds held through Euroclear and/or Clearstream, Luxembourg and/or DTC must have credited to its securities account with the relevant clearing system a minimum balance of Covered Bonds of at least euro 100,000. Australian Registered Covered Bonds may not be redenominated.

The election will have effect as follows:

- (i) the Covered Bonds and any Receipts shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Covered Bond and Receipt equal to the nominal amount of that Covered Bond or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, in consultation with the Principal Paying Agent and the Bond Trustee, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Covered Bondholders, the competent listing authority, stock exchange and/or market (if any) on or by which the Covered Bonds may be listed and/or admitted to trading and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Covered Bonds will be calculated by reference to the aggregate nominal amount of Covered Bonds presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (iii) if Definitive Covered Bonds are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 100,000 and/or such higher amounts as the Principal Paying Agent may determine and notify to the Covered Bondholders and any remaining amounts less than euro 100,000 shall be redeemed by the Issuer and paid to the Covered Bondholders in euro in accordance with Condition 5 (*Redemption and Purchase*);
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Covered Bonds) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-denominated Covered Bonds, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Covered Bonds, Receipts and Coupons so issued will also become void on that date although those Covered Bonds, Receipts and Coupons will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Covered Bonds, Receipts and Coupons will be issued in exchange for Covered Bonds, Receipts and Coupons denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Covered Bondholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Covered Bonds;

- (v) after the Redenomination Date, all payments in respect of the Covered Bonds, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Covered Bonds to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Covered Bonds are Fixed Rate Covered Bonds and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (a) in the case of Covered Bonds represented by a Global Covered Bond, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Covered Bonds represented by such Global Covered Bonds; and
 - (b) in the case of Definitive Covered Bonds, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Covered Bond shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (vii) if the Covered Bonds are Floating Rate Covered Bonds or Variable Interest Covered Bonds, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (viii) such other changes shall be made to this Condition (and the Programme Documents) as the Issuer may decide, after consultation with the Principal Paying Agent and the Bond Trustee, and as may be specified in the notice, to conform it to conventions then applicable to instruments denominated in euro.

(k) **Definitions**

In these Conditions, the following expressions have the following meanings:

In that event, the Issuer (but not the Covered Bond Guarantor) will pay such additional amounts as shall be necessary in order that the net amounts received by the Covered Bondholders, Receiptholders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Covered Bonds, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that the foregoing obligation to pay additional amounts shall not apply with respect to any Covered Bond, Receipt or Coupon:

- (a) presented for payment or held by or on behalf of a holder which is liable to such Taxes, duties, assessments or governmental charges in respect of such Covered Bond, Receipt or Coupon by reason of its having some connection with the jurisdiction of incorporation of the Issuer or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the Final Terms, other than the mere holding of such Covered Bond, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or

- (c) presented (or in respect of which the Registered Definitive Covered Bond representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
- (d) in respect of which the holder thereof is an Offshore Associate of the Issuer, (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia); or

- (g) presented for payment where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (h) presented for payment by, or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Covered Bond, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (i) presented for payment, where such withholding or deduction is imposed by reason of the failure of a person entitled to such payment to perfect an exemption from any withholding imposed pursuant to Sections 1471 through 1474 of the Code and any regulations or agreements thereunder or official interpretations thereof.

If any payments made by the Covered Bond Guarantor under the Covered Bond Guarantee are or become subject to any withholding or deduction, on account of any taxes, duties or other charges of whatever nature, imposed or levied by or on behalf of Australia or by any other authority having power to tax, the Covered Bond Guarantor will not be obliged to pay any additional amount as a consequence.

As used herein:

- (i) **Tax Jurisdiction** means Australia and/or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Final Terms is located or, in each case, any political sub-division thereof or by any authority therein or thereof having power to tax;

9. Events of Default and Enforcement

(a) *Issuer Events of Default*

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution referred to in this Condition 9(a) means the Covered Bonds of this Series together with the Covered Bonds of any other Series) then outstanding, as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or if so directed by an Extraordinary Resolution of the Covered Bondholders shall, (but in the case of the happening of any of the events mentioned in subparagraph (ii) or (vi) below, only if the Bond Trustee shall have certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series) (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction) give notice (an **Issuer Acceleration Notice**) in writing to the Issuer (copied to the Covered Bond Guarantor) that as against the Issuer (but not, for the avoidance of doubt, as against the Covered Bond Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall, unless such event shall have been cured by the Issuer prior to the Issuer's receipt of the notice in writing from the Bond Trustee, thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Bond Trust Deed if any of the following events (each an **Issuer Event of Default**) shall occur:

- (i) default is made in the payment of any principal or interest when due, in respect of any Covered Bonds and such default continues for a period of seven days; or
- (ii) the Issuer fails to perform or observe any of its obligations under any Covered Bonds (other than those specified in paragraph (i) above and other than the obligation of the Issuer to comply with the Asset Coverage Test) and in such case (except where such failure is incapable of remedy) such failure continues for the period of 30 days next following the service by the Bond Trustee on the Issuer of written notice requiring the same to be remedied; or
- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of Australia or, where the Issuer is acting through its branch, of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Final Terms is located, a resolution is passed that the Issuer be wound up or dissolved; or
- (iv) the Issuer stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer of its obligations under the Covered Bonds or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer which would materially prejudice the performance of the Issuer of its obligations under the Covered Bonds and is not discharged within 60 days thereof; or
- (vi) proceedings shall have been initiated against the Issuer under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or

- (vii) the Issuer shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of Australia or, where the Issuer is acting through its branch, of the jurisdiction, country or territory in which the branch through which the Issuer is acting as specified in the relevant Final Terms is located) and such proceedings would materially prejudice the performance by the Issuer of its obligations under the Covered Bonds; or
- (viii) if an Asset Coverage Test Breach Notice is served and not revoked (or deemed to be revoked) in accordance with the terms of the Supplemental Deed on or before the next Determination Date to occur following the service of such Asset Coverage Test Breach Notice; or
- (ix) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached during the Pre-Maturity Test Period and the amount standing to the credit of the Pre-Maturity Ledger of the GIC Account is less than the Australian Dollar Equivalent of the Required Redemption Amount for each Series of Hard Bullet Covered Bonds in respect of which the Pre-Maturity Test has been breached on the earlier to occur of:
 - (A) the later of (i) the date that is 10 Local Business Days from the date that the Seller is notified of that breach; and (ii) the date that is 10 Local Business Days from the date that is six months prior to the Final Maturity Date of the relevant series of Hard Bullet Covered Bonds; and
 - (B) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings or other action or step against the Issuer in accordance with Condition 9(c) (*Enforcement*).

The Bond Trust Deed provides that all monies received by the Bond Trustee, following the occurrence of an Issuer Event of Default and the delivery of an Issuer Acceleration Notice and Notice to Pay, from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer (the **Excess Proceeds**) and are then held by it or under its control, shall be paid by the Bond Trustee on behalf of the Covered Bondholders of the relevant Series to the Covered Bond Guarantor for its own account, as soon as practicable, and shall be held by the Covered Bond Guarantor in the GIC Account and the Excess Proceeds shall thereafter be subject to the Charge and shall be used by the Covered Bond Guarantor in the same manner as all other monies from time to time standing to the credit of the GIC Account pursuant to the Deed of Charge and the Supplemental Deed. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds, Receipts and Coupons (as applicable and to the extent of the amount so received and subject to restitution of the same if such Excess Proceeds shall be required to be repaid by the Covered Bond Guarantor) (but the Issuer shall be deemed not to have discharged such obligations for the purposes of subrogation rights of the Covered Bond Guarantor

contemplated by the Bond Trust Deed). However, the obligations of the Covered Bond Guarantor under the Covered Bond Guarantee are (following service of an Issuer Acceleration Notice and a Notice to Pay or if earlier, Service of a Covered Bond Guarantee Acceleration Notice) unconditional and irrevocable and the receipt by, or on behalf of, the Bond Trustee of any Excess Proceeds and payment to the Covered Bond Guarantor of such Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Covered Bond Guarantor in the manner as described above.

(b) ***Covered Bond Guarantor Events of Default***

The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 9(b) means the Covered Bonds of this Series together with the Covered Bonds of any other Series) then outstanding as if they were a single Series (with the Principal Amount Outstanding of Covered Bonds not denominated in Australian Dollars converted into Australian Dollars at the relevant Swap Rate) or if so directed by an Extraordinary Resolution of all the Covered Bondholders shall, (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), but in the case of the happening of any of the events described in paragraph (ii) or (v) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Covered Bond Guarantor that such event is, in its opinion, materially prejudicial to the interests of the Covered Bondholders of any Series, give notice (the **Covered Bond Guarantee Acceleration Notice**) in writing to the Issuer and to the Covered Bond Guarantor (copied to the Trust Manager and Security Trustee), that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following the service of an Issuer Acceleration Notice in accordance with Condition 9(a)), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Covered Bond Guarantor under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Bond Trust Deed and thereafter the Charge shall become enforceable if any of the following events (each a **Covered Bond Guarantor Event of Default**) shall occur and be continuing:

- (i) default is made by the Covered Bond Guarantor for a period of 14 days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment on the Extended Due for Payment Date under Condition 5(a) (*Final redemption*) where the Covered Bond Guarantor shall be required to make payments of Guaranteed Amounts which relate to the Final Redemption Amount and which are Due for Payment on the Extended Due for Payment Date; or
- (ii) if default is made by the Covered Bond Guarantor in the performance or observance of any other obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series) under the Bond Trust Deed, the Deed of Charge or any other Programme Document to which the Covered Bond Guarantor is a party (other than the Programme Agreement, or as the case may be, the Distribution Agreement) or any Subscription Agreement) and, except where such default is or the effects of such

default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Covered Bond Guarantor (with a copy to the Trust Manager) requiring the same to be remedied; or

- (iii) if the Covered Bond Guarantor ceases or threatens to cease to carry on its business or substantially the whole of its business; or
- (iv) the Covered Bond Guarantor shall stop payment or shall be unable, or shall admit inability, to pay its debts generally as they fall due or shall be adjudicated or found bankrupt or insolvent; or
- (v) proceedings are initiated against the Covered Bond Guarantor under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise)); or a receiver and/or manager, administrative receiver, administrator, trustee or other similar official shall be appointed (whether out of court or otherwise) in relation to the Covered Bond Guarantor or in relation to the whole or any part of its assets, or a distress, diligence or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets, or if the Covered Bond Guarantor shall initiate or consent to judicial proceedings relating to itself under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws or shall make a conveyance, assignment or assignation for the benefit of, or shall enter into any composition with, its creditors generally; or
- (vi) a failure to satisfy the Amortisation Test (as set out in the Supplemental Deed) on any Determination Date following service of a Notice to Pay on the Covered Bond Guarantor (copied to the Trust Manager); or
- (vii) the Covered Bond Guarantee is not, or is claimed by the Covered Bond Guarantor not to be, in full force and effect.

Following the occurrence of a Covered Bond Guarantor Event of Default and service of a Covered Bond Guarantee Acceleration Notice on the Covered Bond Guarantor and the Issuer (copied to the Trust Manager and the Security Trustee) each of the Bond Trustee and the Security Trustee may or in the case of the Security Trustee, if so directed by the Bond Trustee shall take such proceedings or steps in accordance with the first and third paragraphs, respectively, of Condition 9(c) (*Enforcement*) and the Covered Bondholders shall have a claim against the Covered Bond Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 7 (*Taxation*)) as provided in the Bond Trust Deed in respect of each Covered Bond.

(c) ***Enforcement***

The Bond Trustee may at any time, at its discretion and without further notice, following service of an Issuer Acceleration Notice (in the case of the Issuer) or, if earlier, following service of a Covered Bond Guarantee Acceleration Notice (in the case of the Issuer and the Covered Bond Guarantor) take such proceedings or other action or step as it may think fit against or in relation to the Issuer and/or the Covered Bond Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Bond Trust Deed,

the Covered Bonds, the Receipts and the Coupons or any other Programme Document and may, at any time after the Charge has become enforceable, direct the Bond Trustee to take such steps as it may think fit to enforce the Charge, but it shall not be bound to take any such enforcement proceedings or other action or step in relation to the Bond Trust Deed, the Covered Bonds, the Receipts or the Coupons or any other Programme Document unless (i) it shall have been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditors.

The Bond Trustee may at any time, following service of a Covered Bond Guarantee Acceleration Notice at its discretion and without further notice, direct or instruct the Security Trustee to take such steps or proceedings against the Covered Bond Guarantor and/or any other person as it may think fit to enforce the provisions of the Deed of Charge or any other Programme Document, but the Bond Trustee shall not be bound to take, or to give any direction to the Security Trustee to take any such steps, proceedings or actions in relation to the Bond Trust Deed, the Covered Bond Guarantee, the Covered Bonds, the Receipts, the Coupons or any other Programme Document referred to in clause 10.1 of the Bond Trust Deed or give notice pursuant to Condition 9(a) or (b) unless (i) the Bond Trustee shall have been so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (with the Covered Bonds of all Series taken together as a single Series and converted into Australian Dollars at the relevant Swap Rate as aforesaid); and (ii) the Bond Trustee shall have been indemnified and/or secured and/or prefunded to its satisfaction. In exercising any of its powers, trusts, authorities and discretions under this paragraph the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditors. No Covered Bondholder, Receiptholder or Couponholder shall be entitled to institute proceedings directly against the Issuer or the Covered Bond Guarantor to enforce performance of any of the provisions of the Trust Presents or to directly enforce the provisions of any other Programme Documents unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure is continuing in which event any Covered Bondholder, Receiptholder or Couponholder may, on giving an indemnity and/or pre-funding and/or security satisfactory to the Bond Trustee, in the name of the Bond Trust (but not otherwise) himself institute such proceedings and/or prove in the winding up, administration or liquidation of the Issuer or the Covered Bond Guarantor to the same extent and in the same jurisdiction (but not further or otherwise than the Bond Trustee would have been entitled to do so in respect of the Covered Bonds, Receipts and Coupons and/or the Bond Trust Deed).

In exercising any of its powers, trust authorities and discretions the Bond Trustee shall only have regard to the interests of the Covered Bondholders of all Series equally and shall not have regard to the interests of any other Secured Creditor.

The names of the initial Covered Bond Paying Agent, Australian Paying Agent, the other initial Paying Agents, the initial Luxembourg Registrar, the Australian Registrar, the initial Transfer Agent, the initial Exchange Agent and their initial specified offices are set out below.

In the event of the appointed office of any such bank being unable or unwilling to continue to act as the Covered Bond Paying Agent, or failing duly to determine the Rate of Interest, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint the London office of such other bank as may be approved by the Bond Trustee to act as such in its place. The Covered Bond Paying Agent may not resign its duties or be removed from office without a successor having been appointed as aforesaid.

In the event of the appointed Australian Paying Agent and/or Australian Registrar being unable or unwilling to continue to act as the Australian Paying Agent and/or Australian Registrar, or, in the case of the Australian Paying Agent, failing duly to determine the Interest Rate, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint such other paying agent and/or registrar as may be approved by the Bond Trustee to act as such in its place.

The Issuer and the Covered Bond Guarantor are entitled, with the prior written approval of the Bond Trustee (such approval not to be unreasonably withheld or delayed), to vary or terminate the appointment of any Paying Agent or Registrar and/or appoint additional or other Paying Agents or Registrars and/or approve any change in the specified office through which any Paying Agent or Registrar acts, provided that:

In addition, the Issuer shall, when necessary appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(g) (General provisions applicable to payments). Notice of any such variation, termination, appointment or change will be given by the Issuer to the Covered Bondholders as soon as reasonably practicable in accordance with Condition 14 (Notices).

In acting under the Agency Agreements, the Agents act solely as agents of the Issuer and the Covered Bond Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Covered Bondholders, Receiptholders or Couponholders. Each Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

11. Meetings of Covered Bondholders, Modification, Waiver and Substitution

Covered Bondholders, Receiptholders, Couponholders and other Secured Creditors should note that the Issuer and the Covered Bond Guarantor (acting at the direction of the Trust Manager) may concur with any party (including any Paying Agent) without the consent of the Covered Bondholders, Receiptholders, Couponholders and other Secured Creditors or the consent of the Bond Trustee or the Security Trustee and agree to modify any provision of any Final Terms which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with any mandatory provisions of law or in the circumstances described below.

(a) Meetings

The Bond Trust Deed contains provisions for convening meetings of the Covered Bondholders of any Series to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions or the provisions of the Bond Trust Deed. The quorum at any such meeting in respect of the Covered Bonds of any Series for passing an Extraordinary Resolution (other than in respect of a Series Reserved Matter) is two or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing more than 50 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting two or more persons present holding Bearer Definitive Covered Bonds or voting certificates or being proxies or representatives (whatever the Principal Amount Outstanding of the Covered Bonds then outstanding so held or represented by them) of such Series, except that at any meeting the business of which comprises of any Series Reserved Matter, the quorum for any adjourned meeting shall be two or more persons holding or representing not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series (in the case of an Extraordinary Resolution not in relation to a Programme Resolution) for the time being outstanding. The expression Extraordinary Resolution when used in these Conditions means: (i) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Bond Trust Deed by a majority consisting of not less than seventy five per cent. of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three fourths of the votes cast on such poll; or (ii) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than seventy five per cent. in Principal Amount Outstanding of the Covered Bonds then outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of two or more of the Covered Bondholders; or (iii) a resolution passed by way of electronic consents given by holders through the relevant clearing system(s) (in a form satisfactory to the Bond Trustee) by or on behalf of the Covered Bondholders of not less than three fourths in Principal Amount

Outstanding for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Covered Bondholders of a Series shall, subject as provided below, be binding on all the Covered Bondholders of such Series, whether or not they are present at the meeting and whether or not voting on the resolution, and on all Receiptholders and Couponholders in respect of such Series of Covered Bonds. Pursuant to the Bond Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the respective interests of such Covered Bondholders, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 9(a) (*Issuer Events of Default*) or to give a Covered Bond Guarantee Acceleration Notice pursuant to Condition 9(b) (*Covered Bond Guarantor Events of Default*) or to direct the Bond Trustee or to direct the Bond Trustee to direct the Security Trustee to take any enforcement action or to direct the Bond Trustee to determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Bond Trust Deed (each a **Programme Resolution**) shall only be capable of being passed at a single meeting of the Covered Bondholders of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Covered Bond Guarantor acting at the direction of the Trust Manager or the Bond Trustee or by the Covered Bondholders of any Series. The quorum at any such meeting for passing a Programme Resolution is two or more persons holding or representing more than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting two or more persons holding or representing in the aggregate not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding. A Programme Resolution passed at any meeting of the Covered Bondholders of all Series shall be binding on all the Covered Bondholders of all Series, whether or not they are present at the meeting, and on all related Receiptholders and Couponholders.

In connection with any meeting of the holders of Covered Bonds of more than one Series where such Covered Bonds are not denominated in Australian Dollars, the Principal Amount Outstanding of the Covered Bonds of any Series not denominated in Australian Dollars shall be converted into Australian Dollars at the relevant Swap Rate.

The Bond Trustee may (and in the case of any modification contemplated by (c) below the Bond Trustee must), without the consent or sanction of any of the Covered Bondholders of any Series, the related Receiptholders and/or the Couponholders and without the consent or sanction of the other Secured Creditors (other than any Secured Creditor who is party to the relevant documents), at any time and from time to time, concur with the Issuer, the Covered Bond Guarantor (acting at the direction of the Trust Manager) and any other party and/or direct the Security Trustee to concur with the Issuer, the Covered Bond Guarantor (acting at the direction of the Trust Manager) and any other party in making:

(a) any modification (other than in relation to a Series Reserved Matter) to the Covered Bonds of one or more Series, the related Receipts and/or Coupons or any Programme Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of the Covered Bondholders of any Series but such power does not extend to any such modification referred to in the definition of Series Reserved Matter; or

(b) any modification to the Covered Bonds of any one or more Series, the related Receipts and/or coupons or any Programme Document which is in the opinion of the Bond Trustee of a

formal, minor or technical nature, or in the opinion of the Bond Trustee made to correct a manifest error or error proven as such to the satisfaction of the Bond Trustee or is made to comply with mandatory provisions of law (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter); or

(c) any modification contemplated by Clause 21.4 and/or Clause 21.5 of the Bond Trust Deed.

Notwithstanding the above, or any provision of any Programme Document the Bond Trustee shall not be obliged to agree to any amendment, which, in the sole opinion of the Bond Trustee or the Security Trustee (as applicable), would have the effect of (x) exposing the Bond Trustee or the Security Trustee (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (y) increasing the obligations or duties, or decreasing the protections, of the Bond Trustee or the Security Trustee (as applicable) in the Bond Trust Deed, the other Programme Documents and/or the Conditions.

The Bond Trustee may without the consent of any of the Covered Bondholders of any Series, the related Receiptholders and/or Couponholders and without the consent of any other Secured Creditor and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time but only if in so far as in its opinion the interests of the Covered Bondholders of any Series shall not be materially prejudiced thereby, waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by the Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Trust Presents, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Trust Presents, PROVIDED ALWAYS THAT the Bond Trustee shall not exercise any powers conferred on it by this Condition 11 in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9(a) or (b) (*Events of Default and Enforcement*) but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding on the Covered Bondholders, the related Receiptholders and/or the Couponholders and, if, but only if, the Bond Trustee will so require by writing to the Issuer, shall be notified by the Issuer or Covered Bond Guarantor (at the direction of the Trust Manager) (as the case may be) to the Covered Bondholders in accordance with Condition 14 (Notices) as soon as practicable thereafter.

Subject to as provided below, the Bond Trustee shall be bound to waive or authorise, or direct the Security Trustee to waive or authorise, any breach or proposed breach by an Issuer or the Covered Bond Guarantor or any other person of any of the covenants or provisions contained in the Trust Presents, the other Programme Documents or the Conditions or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Bond Trust Deed if it is: (i) in the case of such waiver or authorisation, (a) so directed by Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate) or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the

Covered Bonds of the relevant one or more Series (with the Covered Bonds of all such Series taken together as a single Series in the circumstances provided in the Bond Trust Deed and, if applicable, converted into Australian Dollars at the relevant Swap Rate) or (ii), in the case of any such determination, (a) so directed by an Extraordinary Resolution of the Covered Bondholders of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars at the relevant Swap Rate) or (b) requested to do so in writing by the holders of not less than 25 per cent. of the Principal Amount Outstanding of the Covered Bonds of all Series then outstanding with the Covered Bonds of all Series taken together as a single Series and, if applicable, converted into Australian Dollars as aforesaid), and at all times then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.

The Security Trustee may, without the consent of the Covered Bondholders, Receiptholders or Couponholders of any Series and without the consent of any other secured creditors and without prejudice to their rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default or Potential Covered Bond Guarantor Event of Default from time to time and at any time, but only if instructed to do so by a resolution of Voting Secured Creditors (where the Bond Trustee is not the voting secured creditor) or by a direction from the Bond Trustee (where the Bond Trustee is the voting secured creditor), authorise or waive any proposed or actual breach of any of the covenants or provisions contained in the Covered Bonds of any Series, any Programme Document or determine that any Issuer Event of Default, Potential Issuer Event of Default, Covered Bond Guarantor Event of Default, or Potential Covered Bond Guarantor Event of Default shall not be treated as such for the purposes of the Security Trust Deed. Any such authorisation or waiver or determination shall be binding on the Secured Creditors and if, but only if, the resolution or direction (as the case may be) shall so require, shall be notified by the Bond Trustee to the Covered Bondholders in accordance with Condition 14 (Notices).

In connection with the exercise by it of any of its trusts, powers, authorities and discretions under the Programme Documents, (including, without limitation, any modification, waiver, authorisation or determination), the Bond Trustee and the Security Trustee shall have regard to the general interests of the Covered Bondholders (of each Series) as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders, Receiptholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Covered Bondholders, the related Receiptholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Bond Trustee and the Security Trustee shall not be entitled to require, nor shall any Covered Bondholder, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Covered Bond Guarantor, the Bond Trustee, the Security Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, Receiptholders and/or Couponholders, except to the extent already provided for in Condition 7 (*Taxation*) and/or in any undertaking or covenant given in addition to, or in substitution for Condition 7 (*Taxation*) pursuant to the Trust Presents.

(b) Substitution

The Bond Trust Deed provides that in connection with any scheme of amalgamation or reconstruction of the Issuer and (A) where the Issuer does not survive the amalgamation or reconstruction or (B) where all or substantially all of the assets and business of the Issuer will be disposed of to, or succeeded to, by another entity (whether by operation of law or

otherwise), the Bond Trustee shall, if requested by the Issuer, be obliged, without the consent of the Covered Bondholders, Receipholders or Couponholders, at any time to agree with the Issuer to the substitution in the place of the Issuer (or the previous substitute under this Condition) as principal debtor under the Trust Presents of another company (the Substituted Debtor) being the entity with and into which the Issuer amalgamates or the entity to which all or substantially all of the business and assets of the Issuer is transferred, or succeeded to, pursuant to such scheme of amalgamation or reconstruction (whether by operation of law or otherwise), subject to, inter alia:

- (i) the Substituted Debtor entering into a supplemental trust deed or some other form of undertaking in form and manner satisfactory to the Bond Trustee agreeing to be bound by the Trust Presents with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the Substituted Debtor had been named in the Trust Presents as principal debtor in place of the Issuer (or the previous substitute under this Condition);
- (ii) the Substituted Debtor acquiring or succeeding to pursuant to such scheme of amalgamation or reconstruction all or substantially all of the assets and business of the Issuer; and
- (iii) confirmations being received by the Bond Trustee from each Designated Rating Agency that the substitution will not adversely affect the rating of the Covered Bonds.

Any such supplemental trust deed or undertaking shall, if so expressed, operate to release the Issuer the previous substitute as aforesaid from all of its obligations as principal debtor under the Trust Presents.

In addition, subject as further provided in the Bond Trust Deed, the Bond Trustee may without the consent of the Covered Bondholders, Receipholders or Couponholders at any time agree with the Issuer to the substitution in place of the Issuer (or any previous substitute under this Condition) as the principal debtor under the Covered Bonds, Receipts, Coupons and the Bond Trust Deed of any Subsidiary of the Issuer (each substituted company being hereinafter called the New Company) subject to (a) the Bond Trustee being satisfied that the interests of the Covered Bondholders will not be materially prejudiced by the substitution and (b) certain other conditions set out in the Bond Trust Deed being complied with.

Any substitution pursuant to this Condition 11(b) shall be binding on the Covered Bondholders, the Receipholders and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified by the New Company to the Covered Bondholders not later than 14 days after any such substitution in accordance with Condition 14 (Notices).

It shall be a condition of any substitution pursuant to this Condition 11(b) that the Covered Bond Guarantee shall remain in place or be modified to apply mutatis mutandis and continue in full force and effect in relation to the obligations of the New Company.

(c) Designated Rating Agencies

To the extent that:

- (i) a confirmation or affirmation of rating or other response by a Designated Rating Agency is a condition to any action or step under any Programme Document; and
- (ii) the Trust Manager has delivered to the Covered Bond Guarantor (copied to the Seller, the Bond Trustee and each Designated Rating Agency) written confirmation that it

has notified the Designated Rating Agencies of the action or step and that the Trust Manager is satisfied, following discussions with the Designated Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Designated Rating Agencies and the Designated Rating Agency does not consider such confirmation necessary.

the parties to the Programme Documents shall be entitled to assume that the then current rating of the Covered Bonds from that Designated Rating Agency will not be downgraded or withdrawn by such Designated Rating Agency as a result of such action or step

The Bond Trustee shall be entitled to treat as conclusive a certificate signed by an Authorised Officer of the Issuer or the Trust Manager that the Trust Manager has notified the Designated Rating Agencies of an action or step under any Programme Document and that the Trust Manager is satisfied, following discussions with the Designated Rating Agencies, that the action or step, as applicable, will not result in a reduction, qualification or withdrawal of the ratings then assigned by the Designated Rating Agencies to the Covered Bonds and the Bond Trustee shall not be responsible for any Liabilities that may be caused as a result.
