The Bank and its subsidiaries have complied with the limits on aggregate credit exposures (exclusive of exposures of a capital nature and net of individual provisions) to connected persons and non-bank connected persons, as set out in the Bank’s Conditions of Registration, at all times during the quarter and comparative quarter.

**Note 1:** The number of individual counterparties disclosed within the various equity ranges is based on counterparty limits rather than actual exposures outstanding. No account is taken of security and/or guarantees which the Bank may hold in respect of the various counterparty limits.

**Note 2:** The connected exposure balances for 31 March 2008 have been amended for the credit equivalent adjustment for derivatives, in addition to the fair value which was already included. The revised balances remain within limits.

**Note 3:** With effect from 11 August 2008, netting has occurred in respect of certain transactions which are the subject of a bilateral netting agreement disclosed in the Bank’s most recent Supplemental Disclosure Statement for the six months ended 31 March 2008.
