Important information

The material in this presentation contains background information about the activities of ANZ Group Holdings Limited and its subsidiaries (the “ANZ Group”) current as at 11 February 2026. It is information given in summary form and does not purport to be complete.

It is not intended to be and should not be relied upon as advice to investors or potential investors, and does not take into account the investment objectives, financial situation or needs of any particular investor. These should be considered, with or without professional advice, when deciding if an investment is appropriate.

Forward-looking statements

This presentation may contain certain forward-looking statements or opinions including statements regarding our intent, belief or current expectations with respect to the ANZ Group’s business operations, market conditions, results of operations and financial condition, capital adequacy, specific provisions and risk management practices. These matters are subject to risks and uncertainties that could cause the actual results and financial position of the ANZ Group to differ materially from the information presented herein. When used in the presentation, the words ‘guidance’, ‘forecast’, ‘estimate’, ‘goal’, ‘target’, ‘indicator’, ‘plan’, ‘pathway’, ‘ambition’, ‘modelling’, ‘project’, ‘intend’, ‘anticipate’, ‘believe’, ‘expect’, ‘may’, ‘probability’, ‘risk’, ‘will’, ‘seek’, ‘would’, ‘could’, ‘should’ and similar expressions, as they relate to the ANZ Group and its management, are intended to identify forward-looking statements or opinions. Forward-looking statements or opinions may also be otherwise identified within this presentation, including by the use of footnotes. Those statements are usually predictive in character; or may be affected by inaccurate assumptions or unknown risks and uncertainties or other factors, many of which are beyond the control of the ANZ Group or may not be known to the ANZ Group at the time of the preparation of the presentation, such as general global economic conditions, external exchange rates, competition in the markets in which the ANZ Group will operate, and the regulatory environment. Each of these statements and related actions is subject to a range of assumptions and contingencies, including the actions of third parties. As such, these statements should not be relied upon when making investment decisions.

There can be no assurance that actual outcomes will not differ materially from any forward-looking statements or opinions contained herein.

The forward-looking statements or opinions only speak as at 11 February 2026 and no representation is made as to their correctness after this date. No member of the ANZ Group undertakes to publicly release the result of any revisions to these statements to reflect events or circumstances after this date to reflect the occurrence of unanticipated events.

All amounts in this document are in Australian dollars unless otherwise stated and all financial performance metrics are on a cash profit basis unless otherwise stated. Sum of parts within charts and commentary may not equal totals due to rounding.

Capital

APRA Level 2 CET1 ratio – 1Q26 movement, %

APRA Level 2 CET1 ratio call outs

- 1 Reinvestment of surplus capital to ANZBGL as a result of ceasing the remaining ~\$0.8 billion of the share buy-back, and returning surplus capital to ANZBGL¹ as announced at ANZ’s strategy update on 13 October 2025
- 2 Net Dividend includes -54bps gross dividend, +21bps impact of discounted DRP
- 3 Capital deductions, IRRBB & other includes the impact of IRB model enhancements & narrowing of semi government spreads on FVOCI
- 4 Capital floor adjustment includes the impact of Advanced RWA movements which do not affect the Output Floor, notably IRRBB RWA increases and IRB model benefits
Note: the RBNZ recently announced proposed standardised RWA changes are expected to have a positive impact on the Capital floor adjustment

Funding and liquidity²

1. ~\$1bn of surplus capital, including the remaining share buy-back of \$0.8b and other capital of ~\$0.2b
 2. All figures shown on a Level 2 basis as per APRA Prudential Standard APS210
