

# Antony Strong

Group Executive Strategy & Transformation

Joined the Executive Committee on 1 November 2022.

## Skills, experience and expertise

Ant Strong is responsible for shaping and driving the ongoing transformation of the bank in partnership with the business, as well as having responsibility for delivering customer benefits from ANZ's 1835i investment portfolio.

Since joining ANZ in 2009, Ant has worked as Group General Manager, Group Strategy and General Manager, Institutional Strategy and Marketing.

Prior to joining ANZ, Ant spent 12 years at BCG, where he worked predominantly with Financial Services companies.

Ant holds a Master's degree in engineering science and Bachelor's degrees in Civil Engineering and Commerce, all from the University of Melbourne, and an MBA with Distinction from INSEAD, France.
