The material in this presentation is general background information about the Bank’s activities current at the date of the presentation. It is information given in summary form and does not purport to be complete. It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor. These should be considered, with or without professional advice when deciding if an investment is appropriate.

This presentation may contain forward-looking statements including statements regarding our intent, belief or current expectations with respect to ANZ’s business and operations, market conditions, results of operations and financial condition, capital adequacy, specific provisions and risk management practices. When used in this presentation, the words “estimate”, “project”, “intend”, “anticipate”, “believe”, “expect”, “should” and similar expressions, as they relate to ANZ and its management, are intended to identify forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Such statements constitute “forward-looking statements” for the purposes of the United States Private Securities Litigation Reform Act of 1995. ANZ does not undertake any obligation to publicly release the result of any revisions to these forward-looking statements to reflect events or circumstances after the date hereof to reflect the occurrence of unanticipated events.
