

Michael Bullock

Group Executive, Technology & Group Services (Acting)

Joined the Executive Committee on 5 August 2025.

Skills, experience and expertise

Michael Bullock was appointed to the role of ANZ's Group Executive Technology & Group Services in August 2025.

Having joined ANZ in 2009, Michael has significant international Financial Services experience in technology, payments and operations.

Michael was responsible for ANZ NZ's Technology team which creates outstanding digital experiences for our customers and people, backed up by secure and stable technology.

Michael is a member of the ANZ Global payment leadership team and an active contributor to ANZ's Enterprise delivery solutions.

Before joining ANZ, he held senior roles at Citi in New York and London and has previously served as Chief Operations Officer for ANZ in New Zealand and the Pacific and Head of Institutional Operations.
