### Responsible Entity

The Responsible Entity of the Schemes is OnePath Funds Management Limited. The registered office and principal place of business of the Responsible Entity and the Schemes is Level 23, 242 Pitt Street, Sydney, NSW 2000.

The Directors of OnePath Funds Management Limited during or since the end of the financial year are:

| Name          | Position Held                                   | Date Appointed             | Date Resigned         |
|---------------|-------------------------------------------------|----------------------------|-----------------------|
| A H Chonowitz | Independent Non-Executive Director              | Appointed 1 March 2015     | Resigned 31 July 2019 |
| L M Fricke    | Independent Non-Executive Director              | Appointed 7 September 2017 |                       |
| P G Mullin    | Independent Executive Director                  | Appointed 1 March 2015     |                       |
| S J Chapman   | Independent Non-Executive Director,<br>Chairman | Appointed 1 August 2011    |                       |

### Principal activities

The Schemes are registered Managed Investment Schemes domiciled in Australia.

The investment activities of the Schemes continued to be in accordance with the investment policies of the Schemes, as outlined in the Product Disclosure Statements (PDSs) or investment mandates, and investments in each class of asset were maintained within the stated asset allocation ranges. The key asset categories are cash, derivatives and unit trusts.

The Schemes did not have any employees during the year.

### Review of operations and results

The Schemes continue to invest in accordance with target asset allocations as set out in the governing documents of the Schemes and in accordance with the provisions of each Scheme's Constitution.

The results of operations of the Schemes are disclosed in the Statements of Comprehensive Income.

The income distributions payable by each of the Schemes are disclosed in the Statements of Financial Position.

## Directors' Report for the financial year ended 30 June 2019

The distributions to unitholders by each of the Schemes are disclosed in the Statements of Changes in Equity.

### Fees paid to and investments held by the Responsible Entity or its associates

Fees paid and payable to the Responsible Entity and its associates out of the Schemes' property during the year are disclosed in Note 11.4 Responsible Entity fees.

No fees were paid out of the Schemes' property to the Directors of the Responsible Entity during the year. Related party investments held in the Schemes as at the end of the financial year are disclosed in Note 11 Related parties.

### Interests in the Schemes

The movements in units on issue in the Schemes during the year are disclosed in Note 4 Net assets attributable to unitholders.

The value of the Schemes' assets and liabilities are disclosed in the Statements of Financial Position and derived using the basis set out in Note 2 Basis of preparation.

### Significant changes in the state of affairs

#### Name changes of Schemes:

During the financial year, the following Schemes had their names changed as indicated in the following table:

| Previous names of Schemes                            | New names of Schemes                               |
|------------------------------------------------------|----------------------------------------------------|
| ANZ OA - BT Core Hedged Global Shares                | ANZ OA - Pandal Core Hedged Global Shares          |
| OneAnswer - BR Balanced Trust                        | OneAnswer - Blackrock Tactical Growth Trust        |
| OneAnswer - BT Wholesale Core Australian Share Trust | OneAnswer - Pandal Australian Share Trust          |
| OneAnswer - BT Core Hedged Global Shares Trust       | OneAnswer - Pandal Core Hedged Global Shares Trust |
| OneAnswer - BT Monthly Income Plus Trust             | OneAnswer - Pandal Monthly Income Plus Trust       |
| OneAnswer - BT Smaller Companies Trust               | OneAnswer - Pandal Smaller Companies Trust         |
| OnePath Diversified High Yield Trust                 | OnePath Diversified Credit Trust                   |

The name changes listed above were the result of name change of the external fund manager or aligning the investment objectives and the nature of assets held within the Schemes.

This significant event occurred at the Schemes level and did not impact individual unitholder balances or units.

#### OnePath Life Limited redemption:

During April 2019, OnePath Life Limited (OPL), a significant unitholder and related party of Australia and New Zealand Banking Group Limited (ANZ) until 31 May 2019, redeemed certain units within the Schemes. Redeemed units were transferred to Retirement Portfolio Service (RPS), for which OnePath Custodians Pty Limited (a related party of ANZ) is the Trustee. Refer to Note 8.2 Non-cash financing activities, Note 11.6 Units in the Schemes held by related parties and Note 11.6.1 OnePath Life Limited redemption for further detail.

The transfer of units did not impact the investments of the Schemes that are still managed by OnePath Funds Management Limited. As a result, this change had no impact on either the total units issued by the Schemes or the units held by individual unitholders other than OPL and RPS.

#### Proposed sale of OnePath P&I business:

On 17 October 2017, Australia and New Zealand Banking Group Limited (ANZ), the ultimate parent company of OnePath Funds Management Limited (the Responsible Entity of the Schemes) announced the proposed sale of the OnePath Pension and Investments (OnePath P&I) business to IOOF Holdings Limited and Australian Wealth Management Limited (IOOF).

On 7 December 2018, the Australian Prudential Regulation Authority (APRA) announced regulatory action against IOOF. As at the reporting date, ANZ and OnePath Custodians Pty Limited (a related party of ANZ) continue to engage with IOOF to understand the actions IOOF are taking to respond to the APRA matter. OPFM continues to operate the Schemes within ANZ and there have been no changes to the operations of the Schemes.

#### 19. ANZ OA OnePath Income Trust

The Scheme invested into the Mortgage Pool, a suspended unlisted unit trust which had a zero unit price in prior financial year. Outstanding litigation on a past loan within the Mortgage Pool investment has been resolved in the current year and as a result, the unit price of Mortgage Pool was revalued.

On 3 June 2019, the Scheme redeemed its units in the Mortgage Pool. As at the reporting date, the Scheme no longer invests into the Mortgage Pool.

#### **Likely developments and expected results of operations**

The Schemes will continue to pursue their investment policies as outlined in the PDSs or investment mandates. The results of the Schemes will be affected by a number of factors, including the performance of investment markets in which the Schemes invest. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Further information has not been included in this report to avoid the disclosure of information that may result in unreasonable prejudice to the Schemes.

---

## **Directors' Report for the financial year ended 30 June 2019**

### **Environmental regulation**

The operations of the Schemes were not subject to any significant environmental regulation under either Commonwealth, State or Territory legislation.

### **Events subsequent to balance date**

No significant events have occurred since the end of the reporting period which would impact on the financial position of the Schemes disclosed in the Statements of Financial Position as at 30 June 2019 or on the results and cash flows of the Schemes for the financial year ended on that date.

### **Indemnities and insurance premiums for officers and auditor**

Indemnification:

Under the Schemes' Constitutions, the Responsible Entity, including its officers and employees, is generally indemnified out of the Schemes' assets for any loss, damage, expense or other liability incurred by it in properly performing or exercising any of its powers, duties or rights in relation to the Schemes.

The Responsible Entity has not indemnified any auditor of the Schemes.

Insurance premiums:

No insurance premiums are paid out of the assets of the Schemes in relation to insurance cover for the Responsible Entity, its officers and employees or the auditor of the Schemes.

### **True and fair view**

The financial statements have been prepared in accordance with applicable accounting standards to give a true and fair view of the state of affairs of the Schemes at the reporting date.

### **Lead auditor's independence declaration**

The lead auditor's independence declaration is set out on pages 441 and 442 and forms part of the Directors' Report for the financial year ended 30 June 2019.

This report is made in accordance with a resolution of the Directors of OnePath Funds Management Limited.

The Statements of Changes in Equity should be read in conjunction with the Notes to the financial statements set out on pages 140 to 435.

\* Effective from 1 July 2017, the Schemes' units have been reclassified from financial liability to equity as a result of the implementation of Attribution Managed Investment Trust ("AMIT") tax regime.

The Statements of Changes in Equity should be read in conjunction with the Notes to the financial statements set out on pages 140 to 435.

\* Effective from 1 July 2017, the Schemes' units have been reclassified from financial liability to equity as a result of the implementation of Attribution Managed Investment Trust ("AMIT") tax regime.

**Financial Report**  
**Notes to the Financial Statements**  
**for the financial year ended 30 June 2019****1. Reporting entity**

The Schemes included in these financial statements are registered Managed Investment Schemes under the *Corporations Act 2001*. The financial statements of the Schemes are for the financial year ended 30 June 2019.

**2. Basis of preparation****2.1 Statement of compliance**

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards adopted by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The financial statements of the Schemes comply with International Financial Reporting Standards (IFRS) and interpretations adopted by the International Accounting Standards Board (IASB).

The financial statements were approved by the Board of Directors of the Responsible Entity on 10 September 2019.

**2.2 Basis of measurement**

The financial statements have been prepared on the historical cost basis except for:

- financial instruments held at fair value through profit or loss, which are measured at fair value; and
- financial liabilities, other than those held at fair value through profit or loss, which are measured at amortised cost.

**2.3 Functional and presentation currency**

The financial statements are presented in Australian dollars, which is the Schemes' functional currency.

**2.4 Use of estimates and judgements**

The preparation of the financial statements which are in conformity with IFRS, requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent assets and liabilities. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgement about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Note 9.5 Valuation of financial instruments contains information about the estimation of fair values of financial instruments.

The Schemes have been re-assessed as at 30 June 2019 and continued to meet the definition of the investment entities under the definition of AASB 10 *Consolidated Financial Statements* as the following criteria are met:

- The Schemes obtain and manage funds for the purpose of providing investors of the Schemes with investment management services;
- The Schemes have committed to their investors that their business purposes are to invest funds solely for return from capital appreciation and investment income; and
- The Schemes measure and evaluate the performance of their investments on a fair value basis.

**2.5 Going concern**

The financial statements have been prepared on a going concern basis.

---

## Financial Report

### Notes to the Financial Statements

#### for the financial year ended 30 June 2019

#### 2.6 Changes in accounting policies

The Schemes have adopted AASB 9 *Financial Instruments* and AASB 15 *Revenue from Contracts with Customers* from 1 July 2018. Under the transition methods chosen, comparative information is not restated as detailed below. There was no material effect of the adoption of these standards to the Schemes for the financial year ended 30 June 2019.

##### 2.6.1 AASB 9 *Financial Instruments*

AASB 9 *Financial Instruments* replaces AASB 139 *Financial Instruments: Recognition and Measurement* and is applicable for annual reporting periods beginning on or after 1 January 2018. AASB 9 largely retains the existing requirements in AASB 139 for the classification and measurement of financial liabilities. However, it replaces the previous AASB 139 categories for the financial instruments which were 'financial assets at fair value through profit or loss (FVTPL)', 'financial assets held to maturity', 'loans and receivables' and 'available for sale' with 'fair value through profit or loss', 'amortised cost' and 'fair value through other comprehensive income (FVOCI)'. The classification of financial assets under AASB 9 is generally based on the business model in which a financial asset is managed and the characteristics of its contractual cash flows. The Schemes' portfolios of financial assets are managed and performance is evaluated on a fair value basis. The adoption of this standard does not have a significant impact on the recognition, classification or measurement of the Schemes' investments as financial instruments previously measured as fair value through profit or loss or amortised cost under AASB 139 will continue to be presented as FVTPL or amortised cost under AASB 9. Refer to Note 3.12 Receivables for further detail.

##### 2.6.2 AASB 15 *Revenue from Contracts with Customers*

AASB 15 *Revenue from Contracts with Customers* is applicable for reporting periods beginning on or after 1 January 2018. The standard contains a single model that applies to contracts with customers and two approaches to recognising revenue; at a point in time and over time. The Schemes do not earn revenue to which AASB 15 applies, accordingly, the new revenue recognition rules do not have an impact on the Schemes' accounting policies or the amounts recognised in the financial statements.

#### 3. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements except Note 3.12 Receivables due to adoption of AASB 9 *Financial Instruments*.

The Schemes have not early adopted any accounting standard.

##### 3.1 Foreign currency translation

Foreign currency transactions are translated to Australian dollars at the rates of exchange prevailing at the dates of the transactions. Assets and liabilities denominated in foreign currencies are translated at the rates of exchange prevailing at the reporting date. Unrealised foreign exchange gains or losses, arising in translation of assets and liabilities denominated in foreign currencies at reporting date, are recognised as part of the 'Net change in fair value of investments' in the Statements of Comprehensive Income. Realised gains and losses on amounts denominated in foreign currencies are also brought to account as part of 'Net change in fair value of investments' in the Statements of Comprehensive Income and as 'Realised foreign exchange gains/(losses)' in the Statements of Cash Flows.

##### 3.2 Financial instruments

###### 3.2.1 Recognition and initial measurement

Financial assets and liabilities held at fair value through profit or loss are recognised initially on the trade date at which the Schemes become a party to the contractual provisions of the instrument. Other financial assets and liabilities are recognised on the due date they originated.

Financial assets and financial liabilities held at fair value through the profit or loss are measured initially at fair value, with transaction costs recognised in the Statements of Comprehensive Income. Financial assets or liabilities not held at fair value through profit or loss are measured initially at fair value plus transaction costs that are directly attributable to its acquisition or issue.

###### 3.2.2 Derecognition

The Schemes derecognise financial assets when the contractual rights to the cash flows from the financial assets expire or they transfer the financial assets and the transfer qualifies for derecognition in accordance with AASB 9 *Financial Instruments*.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

---

**Financial Report**  
**Notes to the Financial Statements**  
**for the financial year ended 30 June 2019**

When there is objective evidence that the Schemes will not be able to collect all amounts due according to the original terms of the receivable, the Schemes will write off the amount by reducing the carrying amount directly in the Statements of Financial Position and also recognise a loss or other expense in the Statements of Comprehensive Income.

**3.2.3 Classification**

Financial assets and financial liabilities held at fair value through profit or loss are classified as held for trading. These include investments in equity instruments, units in listed and unlisted unit trusts and derivatives.

Financial assets measured at amortised cost include cash and cash equivalents. Financial liabilities measured at amortised cost include balances due to brokers, accounts payable and loan payable.

**3.2.4 Measurement**

Subsequent to initial recognition, all instruments classified at fair value through profit or loss are measured at fair value with changes in their fair value recognised in the Statements of Comprehensive Income.

Financial liabilities, other than those at fair value through profit or loss, are measured at amortised cost using the effective interest rate method.

Refer to Note 9.5 Valuation of financial instruments for additional disclosures.

**3.2.5 Fair value measurement principles**

The Schemes have adopted AASB 13 *Fair Value Measurement* and as a result the Schemes have adopted the definition of fair value, as set out below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal, or in its absence, the most advantageous market to which the Schemes have access at that date. The fair value of a liability reflects its non - performance risk.

The prices used to value investments include, but are not limited to:

- independent prices obtained for each security;
- quoted 'bid' prices on long securities and quoted 'ask' prices on securities sold short; and
- redemption prices published by the relevant Responsible Entity, for investments into unlisted unit trusts.

When applicable, the Schemes measure the fair value of an instrument using the quoted prices in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

When there is no quoted price in an active market, the Schemes use valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all the factors that market participants would take into account in pricing a transaction.

**3.2.6 Offsetting**

Financial assets and liabilities are offset and the net amount presented in the Statements of Financial Position when, and only when, the Schemes have a legal right to offset the amounts and they intend either to settle on a net basis or realise the asset and settle the liability simultaneously.

Refer to Note 9.2.7 Offsetting financial assets and financial liabilities for additional disclosures.

Income and expenses are presented on a net basis only when permitted under AASBs, e.g. for gains and losses arising from a group of similar transactions, such as gains and losses from financial instruments at fair value through profit or loss.

**3.2.7 Derivative financial instruments**

The Schemes use derivative financial instruments to hedge their exposure to credit, interest rate, foreign exchange and price risks arising from investment activities. In accordance with their investment strategy, the Schemes hold or issue derivative financial instruments for hedging purposes.

---

**Financial Report**  
**Notes to the Financial Statements**  
**for the financial year ended 30 June 2019**

Derivative financial instruments are recognised initially at cost. Subsequent to initial recognition, derivative financial instruments are stated at fair value. The gain or loss on remeasurement to fair value is recognised immediately in the Statements of Comprehensive Income. The Schemes do not apply hedge accounting.

**3.3 Net assets attributable to unitholders**

Units are redeemable at the unitholders' option, however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders. The units can be put back to the Schemes at any time for cash based on the redemption price. The fair value of redeemable units is measured at the redemption amount that is payable (based on the redemption unit price) at the end of the reporting period if unitholders exercised their right to redeem units from the Schemes.

**3.4 Terms and conditions of units**

The Schemes included in these financial statements have between one and three classes of units.

Each unit issued within each class confers upon the unitholders an equal interest in the relevant class and is of equal value. The rights, obligations and restrictions attached to each unit in each class are identical in all respects. The classes in the Schemes differ in terms of the Responsible Entity fees charged.

A unit does not confer any interest in any particular asset or investment of the Schemes. Unitholders have various rights under the applicable Constitution and the *Corporations Act 2001*, including the right to have their units redeemed, receive income distributions and attend and vote at meetings of unitholders.

**3.5 Cash and cash equivalents**

For the purpose of presentation in the Statements of Cash Flows, cash and cash equivalents may include cash at bank, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less from the date of acquisition that are readily convertible to known amounts of cash which are subject to an insignificant risk of changes in value, and bank overdrafts.

**3.6 Interest**

Interest income is recognised in the Statements of Comprehensive Income as it accrues, using the effective interest method of the instrument calculated at the acquisition or origination date. Interest income includes the amortisation of any discount or premium, transaction costs or other differences between the initial carrying amount of an interest-bearing instrument and its amount at maturity calculated on an effective interest rate basis. Interest income is recognised on a gross basis, including withholding tax, if any.

**3.7 Distribution income**

Income distributions from private equity investments and unlisted unit trusts are recognised in the Statements of Comprehensive Income on an entitlement basis.

**3.8 Expenses**

All expenses, including Responsible Entity fees, are recognised in the Statements of Comprehensive Income on an accruals basis.

Interest expense is interest accrued on overdraft balances held during the financial year.

Loan interest expenses is interest accrued on long term loans.

**3.9 Foreign exchange gains and losses**

Foreign exchange gains and losses on financial assets and financial liabilities held at fair value through profit or loss are recognised together with other changes in the fair value. Included in the profit or loss line item are net foreign exchange gains or losses on monetary financial assets and financial liabilities other than those classified at fair value through profit or loss.

**3.10 Distribution and taxation**

Under the Attribution Managed Investment Trust ("AMIT") tax regime effective 1 July 2017, the Schemes are not subject to income tax as taxable income (including assessable realised capital gains) is attributed in full to the unitholders. The Schemes fully attribute their taxable income which is calculated in accordance with the Schemes' Constitutions and applicable taxation legislation, to the unitholders on a fair and reasonable basis consistent with their rights. A Scheme could invest into a unit trust managed by an external fund manager who opted to distribute a portion of attributable income in cash due to AMIT election. The Responsible Entity's distribution policy is to support all attributed amounts to unitholders with cash.

---

**Financial Report**  
**Notes to the Financial Statements**  
**for the financial year ended 30 June 2019**

Financial instruments held at fair value may include unrealised capital gains. Unrealised gains that are recognised as income are transferred to net assets attributable to unitholders and are not assessable and distributable until realised.

**3.11 Finance costs**

Equity transactions, including distributions to unitholders have been disclosed in the Statements of Changes in Equity for the financial year ended 30 June 2019. Distributions paid are included in cash flows from financing activities in the Statements of Cash Flows.

**3.12 Receivables**

Effective from 1 July 2018, the Schemes have adopted AASB 9 *Financial Instruments*. Receivables which were previously carried at amortised cost are now measured at transaction price and may include amounts for unsettled sales, accrued income and other receivables such as Reduced Input Tax Credits (RITC).

Unsettled sales are amounts due from brokers for securities sold that have not been received at reporting date. Trades are recorded on trade date, and normally settle within three business days. Accrued income may include amounts for dividends, trust distributions, interest income and compensation income. Amounts are generally received within 30 days of being recorded as receivables. RITC is the amount of Goods and Service Tax (GST) recoverable from the Australian Taxation Office (ATO).

**3.13 Payables**

Payables may include amounts for unsettled purchases, accrued expenses and other payables such as GST.

Unsettled purchases are amounts due to brokers for securities purchased that have not been paid at reporting date. Trades are recorded on trade date and normally settle within three business days. Accrued expenses include Responsible Entity fees payable.

**3.14 Profit/(loss) for the financial year**

Profit/(loss) for the financial year is disclosed in the Statements of Comprehensive Income. Equity transactions, including distributions to unitholders have been disclosed in the Statements of Changes in Equity.

**3.15 Goods and services tax**

Expenses incurred by the Schemes are recognised net of the amount of GST recoverable from the ATO as Reduced Input Tax Credit.

Payables are stated with the amount of GST included. The net amount of GST recoverable from the ATO is included in receivables in the Statements of Financial Position. Cash flows relating to GST are included in the Statements of Cash Flows on a gross basis.

**3.16 Loan payable**

A revolving debt facility held with related party is classified as "Loan payable" and measured at amortised cost.

**3.17 New standards and interpretations not yet adopted**

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 January 2019, and have not been early adopted by the Schemes in preparing these financial statements. None of these are expected to have a material effect on the Schemes' financial statements.

**Financial Report**  
**Notes to the Financial Statements**  
**for the financial year ended 30 June 2019**

**4. Net assets attributable to unitholders**

The Schemes consider their net assets attributable to unitholders as equity as each Scheme had made an irrevocable choice to be an Attribution Managed Investment Trust ("AMIT"). The Schemes are therefore no longer contractually obligated to pay distributions. Under AASB 132 *Financial Instruments: Presentation*, puttable financial instruments are classified as equity where the following criteria are met:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Schemes' liquidation;
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical;
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Schemes, and it is not a contract settled in the Schemes' own equity instruments; and
- the total expected cash flows attributable to the puttable financial instrument over the life are based substantially on the profit or loss.

The Schemes' units are classified as equity as they satisfied all the above criteria. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Schemes are subject to daily applications and redemptions at the discretion of unitholders. Daily applications and redemptions are reviewed relative to the liquidity of the Schemes' underlying assets on a daily basis by the Responsible Entity. Under the terms of each Scheme's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

Movements in the number of units attributable to unitholders equity, of the Schemes during the year are as follows:

|                        | 1. Active Growth Trust                             |                       | 2. ANZ Equity Imputation Trust                     |                       | 3.
