

YOUR CUSTOMER COULD SAVE THOUSANDS ON LENDERS MORTGAGE INSURANCE

ANZ waives premium for eligible accountants who have a 10% deposit¹

HOW THIS CAN BENEFIT YOUR CUSTOMER

If your customer is an eligible accountant and applies for new or increased lending and has a loan to value ratio (LVR) of up to 90%¹(as assessed by ANZ), ANZ will waive the premium on the Lenders Mortgage Insurance for that loan – with no minimum income required.

In this scenario, if your customer is **buying** this means they will only need savings of at least 10% of a property's value (as assessed by ANZ), plus stamp duty.

If your customer is **refinancing**, stamp duty doesn't apply and they may be eligible for this premium waiver based on the existing equity in their current property.

Lenders Mortgage Insurance protects ANZ if customers default on their home loan. Usually, Lenders Mortgage Insurance is required when customers take out a home loan with a deposit that is less than 20% of the value of the property (as assessed by ANZ)².

IS YOUR CUSTOMER ELIGIBLE?

Your customer is eligible for the Lenders Mortgage Insurance premium waiver if:

- they have a current professional membership with³:
 - Chartered Accountants Australia & New Zealand (CA) – including member of the Global Accounting Alliance; **or**
 - Certified Practising Accountant (CPA) – including recognised partnering professional bodies; **or**
 - Chartered Financial Analyst Institute (CFA); **or**
 - Fellowship of the Institute of Actuaries of Australia (FIAA)
- they have at least an equal or majority share in the property⁴
- they are borrowing \$4.5 million or less to purchase or refinance the property
- the property they are buying, or refinancing is a House/ Townhouse valued by ANZ at \$5 million or less or a Unit/ other standard residential property type valued by ANZ at \$4 million or less.⁵
- their total home loan lending with ANZ will be \$8 million or less
- some temporary/ provisional visas currently listed on the [Medium and Long Term Strategic Skills List \(MLTSSL\)](#) may be acceptable, for more information talk to us today

HERE'S HOW MUCH YOUR CUSTOMER COULD SAVE WHEN BUYING

	LMI premium waived	LMI premium paid
Property price	\$800,000	\$800,000
Deposit	\$80,000	\$80,000
Amount to be borrowed	\$720,000	\$720,000
Estimated stamp duties and fees	\$45,297	\$45,297
Lenders Mortgage Insurance premium	\$0 - waived	\$17,699
Customer's total cash contribution required	\$125,297	\$142,996

YOUR CUSTOMER BENEFITS EVEN IF THEY ALREADY HAVE A HOME LOAN

If your customer already has a home loan with ANZ and they are looking for extra funds to renovate, take a holiday or deal with unexpected expenses, they may be able to top up their existing lending without having to pay Lenders Mortgage Insurance. Please talk to us if your customer would like to explore this option.

FIND OUT HOW YOU CAN SAVE TODAY

The Lenders Mortgage Insurance premium waiver isn't automatically applied. Speak to an ANZ BDM to find out if your customer is eligible and how they could benefit.

Further information for your customers

Terms, conditions, fees, charges, and credit approvals and eligibility criteria apply to ANZ home loans. The information about how much your customer could save is an estimate only, the actual amount will depend on your customer's circumstances, such as the State or Territory in which their property is located.

1. 10% deposit is based on your customer being an existing ANZ lending customer or new customer, with an owner occupier or investor loan making principal and interest repayments. There are other lending options available and the option of an interest only loan period – please speak to one of our BDMs to understand what deposit will be required for these scenarios.
2. Even though your customer pays the premium, this insurance is put in place to protect ANZ (not your customer) in the event that they default on their home loan and the proceeds from selling their home are not enough to cover the outstanding amount they owe ANZ.
3. Eligibility criteria for accountants includes one of the following professional memberships or practising certificates, which must be current at the time the loan application is submitted to ANZ:
 - Eligible professional membership of any of the following:
 - Chartered Accountants Australia & New Zealand (CA) – including member of the Global Accounting Alliance
 - Certified Practising Accountant (CPA) – including recognised partnering professional bodies
 - Chartered Financial Analyst Institute (CFA)
 - Fellowship of the Institute of Actuaries of Australia (FIAA)
 - Evidence needs to be in the form of one of the following:
 - An invoice and proof of payment from the relevant governing body; OR
 - Internet print out confirming current membership; OR
 - Current year's certificate confirming current membership
4. If more than one person will own the property, your customer's ownership interest in the property will be the largest or equal largest (e.g. if there are two owners, your customer will own at least 50% or if there are three owners owning 40%, 40% and 20% respectively, they will be one of the 40% owners).
5. Properties (House/Townhouse) in certain postcodes may have lending thresholds of up to \$6 million and \$8 million respectively. These properties (House/Townhouse) are deemed standard residential property for lending purposes. Please contact ANZ for further information.

This document does not apply to ANZ Plus Home Loans.
