For each person listed below, select:

- (2) the Function Level:
- (3) the ANZ accounts you wish this person to access using ANZ Internet Banking;
- (4) the Access Level for each ANZ account the person is authorised to access using ANZ Internet Banking; and
- (5) the Authorisation Limit if this person has been granted Value Access.

* Business Operators are appointed by Business Administrators within ANZ Internet Banking and therefore are not listed on this form. Business Operators are permitted to view transactions or view and initiate transactions using ANZ Internet Banking only.

At least one Authorised User must be a Business Administrator (Level 1 -3).

Multiple Authorisation – process whereby a payment transaction submitted through ANZ Internet Banking must be authorised by the same number of Authorised Users who are Account Signatories of the relevant account as mandated by the Account Authority held by ANZ. As such, Authorised User shall not include any person who has been nominated as a Business Administrator Level 2 and Level 3 or a Business Operator appointed using ANZ Internet Banking.

Primary Account – is the account nominated by the customer as the primary account for the purposes of ANZ Internet Banking, and the address of which will be used to confirm your registration and any future changes to your ANZ Internet Banking access.

Value Access – can fully operate and transact on the nominated ANZ accounts using ANZ Internet Banking, subject to the Authorised User's Authorisation Limit and Multiple Authorisation requirements nominated by the customer for authorisation of transactions.

Non-Value Access – can only view information about their ANZ accounts using ANZ Internet Banking.

Authorisation Limit

This is the maximum limit (per transaction) that applies to transactions authorised using ANZ Internet Banking. The existing default Authorisation Limit will apply, unless nominated otherwise below. The Authorisation Limit is the lesser value of the Account Limit or the lowest limit granted to the Authorised User under each account referred to in section 3 as per the Account Authorities held by ANZ. ANZ reserves the right to lower the Authorisation Limit to match account permissions.

Adding Authorised users

Total requested number of new Authorised Users

Note:

Each Authorised User listed below **must** complete the ANZ Internet Banking Authorised User Registration form. For security reasons, send each form to ANZ separately.

If there are insufficient Authorised Users assigned to authorise transactions, certain ANZ Internet Banking features may be unavailable.

All Authorised Users:

- (a) except for Business Operators, must be Account Signatories of the ANZ accounts specified in this form (as reflected in the relevant Account Authority for each ANZ account); and
- (b) nominated as an Authorised Signatory and a Business Administrator must comply with the law and satisfy ANZ's customer identification and verification requirements.

ANZ may also require Business Operators to satisfy ANZ's customer identification and verification requirements from time to time. Except where Multiple Authorisation is required, the Access Level, the Function Level and any limits that apply for transactions initiated or authorised by an Authorised User using ANZ Internet Banking will limit the Authorised User's operation of ANZ Internet Banking only and may differ from the level of authority granted to that person for functions or transactions conducted not using ANZ Internet Banking. You need only select the details you want to change. If you added an account in section 3, you will need to amend any Authorised User you want to be able to access that account using ANZ Internet Banking. **AUTHORISED USER 1** Add new Authorised User Maintain existing Authorised User Existing ANZ Internet Banking User ID Surname Given names Date of Birth **Function Level** (tick only one) Authorised Signatory (Level 1) [CI] Authorised Signatory (Level 2) [CA] Business Administrator (Level 1) [AV] Business Administrator (Level 2) [Al] Business Administrator (Level 3) [AA] Authorised User's account access Referring to the ANZ accounts listed in section 3, set out the new additions and changes to the ANZ account(s) you wish this person to access, when using ANZ Internet Banking, including the Access Level.
