In addition to any liability set out in your Account terms, the Account Holder is liable for any actual loss of funds or any interception of information through any unauthorised access to the Account Holder's Account(s) if the Account Holder or an Authorised User contributed to the unauthorised access:

- (a) through your fraud or negligence;
- (b) by voluntarily disclosing your Password, Site Key, Security Questions or other security feature to anyone including a family member or friend;

ANZ Internet Banking Terms and Conditions

(Cook Islands, Fiji, Kiribati, Samoa, Solomon Islands, Tonga and Vanuatu)

- (c) by keeping a record of the Password, Site Key, Security Questions or other security feature (without making any reasonable attempt to disguise it):
 - with the User ID;
 - on any article carried with the User ID; or
 - which may be lost or stolen at the same time as the User ID;
- (d) by choosing a Password or security feature, that is easily identified with you, such as your birth date, car registration, telephone number or your name;
- (e) by using the same Password, Site Key, Security Questions or security feature for other purposes, including third party websites;
- (f) by otherwise acting with extreme carelessness in failing to protect the security of your User ID, Password, Site Key, Security Questions or other security feature and failing to comply with ANZ's security guidelines.

If, after you become aware of the loss, theft or breach of the security or your Password, Site Key, Security Questions or other security feature you unreasonably delay notifying ANZ, the Account Holder will be liable for the actual losses incurred between:

- (a) the time you first became aware of any of the events described above; and
- (b) the time ANZ is actually notified of the relevant event. However, the Account Holder will not be liable for the actual loss:
 - (i) incurred on any one day which is more than the applicable Daily Limit (if any);
 - (ii) which exceeds the balance of the relevant Account(s), including any agreed credit limit;
- (c) where ANZ has agreed that the Account could not be accessed through any electronic banking service; or
- (d) as a result of conduct that ANZ expressly authorised you to engage in, or losses incurred as a result of you disclosing, recording or storing a Password, Site Key, Security Questions or security feature in a way that is required or recommended by ANZ for the purposes of you using an Account access service expressly or impliedly promoted, endorsed or authorised by ANZ.

15.3

If it is not clear whether you have contributed to the loss caused by an unauthorised transaction and where a Password, Site Key, Security Questions or security feature was required to perform the unauthorised transaction, the Account Holder is liable for the least of:

- (a) the actual loss at the time ANZ is notified that the security of the Password, Site Key, Security Questions or security feature has been breached (but not any loss incurred on any one day if the amount is greater than the daily transaction limit (if any)); or
- (b) the balance of the Account, including any prearranged credit from which value was transferred in the unauthorised transaction.

15.4

ANZ is not liable for any loss or damage you or any other person may suffer because of action we have taken or not taken on any Bank Mail message from you.

16. Equipment Malfunction

ANZ does not represent or guarantee that access to an electronic banking service will be uninterrupted. In addition to Scheduled Downtimes notified to you by ANZ from time to time, you acknowledge that electronic banking services may be affected by outages, faults or delays. Such outages, faults or delays may be caused by factors including, but not limited to, technical difficulties with the performance or operation of ANZ's or another person's software, equipment or systems, traffic or technical difficulties with the Internet, or infrastructure failures such as damaged phone lines or interference with digital signals.

ANZ Internet Banking Terms and Conditions

(Cook Islands, Fiji, Kiribati, Samoa, Solomon Islands, Tonga and Vanuatu)

ANZ is responsible to the Account Holder for any loss caused by the failure of ANZ's systems and equipment to complete a transaction accepted by ANZ's systems and equipment in accordance with your Instructions. However, if you were aware or should have been aware that the ANZ's systems and equipment were unavailable for use or malfunctioning, ANZ's responsibility will be limited to correcting errors in the Account and refunding any charges or fees imposed as a result.

The Account Holder is responsible for the accuracy and completeness of the content that you enter into or upload to the electronic banking services. ANZ is not responsible for any inaccuracy or incompleteness in the entering or uploading of information by you. ANZ's records of the information and data that was entered or uploaded will be determinative and final.

17. Force Majeure and Schedule Downtimes

ANZ shall not be liable for any loss or damage suffered by you if the loss or damage resulted from a Force Majeure event, or resulted from Scheduled Downtimes.

18. Security of Electronic Banking Services

ANZ's Endeavours

ANZ will use such measures as it considers reasonable to help ensure the security of the electronic banking services. ANZ, or its agents, employs a range of security measures, including firewalls and data encryption (128 bit Secure Sockets Layer (SSL) protocol helps provide a secure channel for your Internet Banking transactions). ANZ cannot guarantee that any data transmission over the Internet is totally secure. By applying for and using electronic banking services, you consent to the use of the data provided to ANZ for the purpose of providing electronic banking services and you acknowledge that the data provided to ANZ may be encrypted, transmitted and stored by ANZ, ANZ Group Members or agents of ANZ or ANZ Group Members (in the jurisdiction in which you are domiciled, Australia or elsewhere unless this is prohibited by Law) and that, except as otherwise provided by law, ANZ shall have no liability in respect of such data.

Your responsibility for your personal computer (PC) and devices

You are solely responsible for the anti-virus and security measures for all computers and devices used by you, and those used by any Authorised User and Operator, to help prevent unauthorised access through electronic banking services to your transactions and nominated Account(s). You are responsible, at your own cost, for ensuring that all necessary connections, such as PC equipment and software, a secure telephone line, electricity and a secure Internet Service Provider, are available to enable you to access the electronic banking services.

19. Money Laundering Prevention and other Offences

By accepting these Terms and Conditions you agree ANZ may delay, block or refuse to process any transaction without incurring any liability if ANZ suspects that:

- (a) the transaction may breach any Law of the country where your Account is opened and held with ANZ or the law of any other country;
- (b) the transaction may directly or indirectly involve the proceeds of, or be applied for the purposes of, unlawful conduct.

You must provide all information to ANZ which ANZ reasonably requires:

- (a) in order to manage money-laundering, terrorism-financing risk and economic and trade sanctions risk;
- (b) to comply with any Law of the country where your Account is opened and held with ANZ or the law in any other country; or
- (c) to comply with other prohibitions that may be applicable to ANZ with respect to any transaction.

ANZ Internet Banking Terms and Conditions

(Cook Islands, Fiji, Kiribati, Samoa, Solomon Islands, Tonga and Vanuatu)

You consent to ANZ disclosing any information concerning you to:

- (a) any law enforcement, regulatory agency, taxation authority or court where required by any such Law of the country where your Account is opened and held with ANZ or the law of any other country;
- (b) any correspondent ANZ uses to make the payment, for the purposes of compliance with any such Law or the law of any other country.

Unless you have disclosed that you are acting in a trustee capacity or on behalf of another person, you warrant that you are acting in your own capacity in agreeing to these Terms and Conditions. You declare, agree and undertake to ANZ that the payment of monies by ANZ in accordance with your instructions will not breach any Law of the country where your Account is opened and held with ANZ or the law in any other jurisdiction.

20. Termination and Suspension

Termination of Access by the Account Holder

The Account Holder may cancel the Account Holder's access to electronic banking services (or revoke the authority of an Authorised User to access the Account Holder's Account(s) using electronic banking services) at any time by giving a written notice to your ANZ branch or completing the relevant ANZ Internet Banking Maintenance form for cancellation and submitting it to your ANZ branch.

Termination or Suspension of Access

ANZ may terminate your access to electronic banking services at any time by notifying you in writing (which may include notice given to you when you log on to use an electronic banking service). ANZ may also withdraw or deny access to any electronic banking service or any part of it without prior notice to you for reasons of security or quality of the electronic banking service. ANZ will not do this without good reason which could include:

- (a) ANZ suspecting you of being fraudulent or engaging in improper conduct;
- (b) ANZ suspecting that a third party has fraudulently used, or attempted to use, an electronic banking service with your User ID, Password, Site Key, Security Questions, Security Device and/or Security Device Code;
- (c) if the Account Holder files, or a creditor of the Account Holder files against the Account Holder, an application for bankruptcy, winding up or corporate reorganisation; or
- (d) as required by Law.

In the event that ANZ exercises its right contemplated in this clause, it shall not be responsible for any losses which the Account Holder may suffer or have suffered as a result.

What happens if Termination or Suspension of Access occurs?

In the event that your access to an electronic banking service is:

- (a) terminated, any unprocessed transactions including Future-dated and Recurring Transfers will be cancelled;
- (b) suspended, any unprocessed transactions including Future-dated and Recurring Transfers will be processed subject to available funds in your Funding Account.

21. Error or Dispute Resolution

You must retain complete records of the completed Instructions conducted through electronic banking services, and maintain the accuracy and integrity of such records. ANZ will keep records conducted through electronic banking services as required by Law and in accordance with ANZ's document retention policy. The Account Holder must check the Account Holder's Account records carefully and promptly. If the Account Holder believes that an error has occurred in any transaction or there has been an unauthorised transaction, the Account Holder must contact the ANZ Internet Banking Support Centre or visit the Account Holder's nearest ANZ branch promptly.

To assist ANZ's investigations, the Account Holder will need to give the following information:

- the Account Holder's name, address and Account details;
- details of the transaction in question;
- the amount of the suspected error or disputed or unauthorised transaction.

ANZ may also ask the Account Holder to supply further information.

If you tell ANZ about the suspected error or disputed transaction verbally, ANZ may request that the Account Holder send ANZ details of the complaint in question in writing. However this will not delay the commencement of ANZ's investigations, provided that you have been able to give the information listed above. If ANZ is unable to resolve a dispute immediately to your satisfaction, ANZ will provide the Account Holder with a written notice setting out the steps that will be followed by ANZ to investigate and resolve the dispute.

22. Fees and Charges

When you use ANZ Internet Banking for particular transactions, ANZ may impose fees and charges. You agree to pay the fees and charges and also agree that ANZ may debit these fees and charges directly to your Funding Account or from the proceeds of the beneficiary account (where applicable). These fees and charges may be amended by ANZ from time to time. Full details of all current fees and charges are available at your nearest ANZ branch.

23. Variation of these Terms and Conditions and Fees and Charges

ANZ may amend these ANZ Internet Banking Terms and Conditions and the fees and charges applicable to ANZ Internet Banking, whether required by Law or otherwise. ANZ may vary these Terms and Conditions and fees and charges applicable to ANZ Internet Banking at any time by giving you not less than 30 days' notice of any change before it takes effect by:

- direct communication with you (for example by notice on your account statement or via online Broadcast);
- notice displayed in any of ANZ branches or on ANZ's website or on any electronic banking service; or
- advertisement in major daily or national newspapers or of the territory or jurisdiction in which your Account(s) is held.

You will be deemed to have received the notice immediately after any such display or advertisement. Any continued use of an electronic banking service after the end of the notice period by you shall constitute your acceptance of the variation.

The Terms and Conditions may be varied by mutual agreement between ANZ and you.
