ANZ Super Advantage
Your guide to ANZ Investor Access

Just a few key strokes to access your super online anytime

ANZ Investor Access allows you to conveniently track and manage your superannuation online. Using our online services, you can retrieve your account details, view transaction history, access policy snapshots and switch between investment funds.

Personal details

Update and maintain your personal details, including changes to your postal addresses, contact phone numbers and email addresses online.

Account details and policy snapshot

View and print a snapshot of your superannuation account, including details of units held, account balances, account movements and insurance cover.

Transaction history

View, print or download transaction activities, including details of new contributions, withdrawals, switches and fees.

Switching between investment funds

Switch your funds between different investment funds and nominate current and future allocation of super contributions.

ANZ Investor Access provides you with secure, convenient and easy online access to your ANZ Super Advantage account.

Registering for ANZ Investor Access is easy!

How to register

Follow the steps below to register for ANZ Investor Access.

1. Log on to www.anz.com/wealth/super and select 'Investor Access' on the right side to 'Register'. This will take you to the online registration form.

2. Complete all sections of the online registration form including the policy details and security information. It is important you complete the 'Secret question' and 'Secret answer' sections, as these will help us verify your identity should you forget your User ID or Password.
3. Read the 'Terms & Conditions' so you understand the obligation attached to ANZ Investor Access. You will need to tick the box to acknowledge that you accept these terms.
4. Once you have completed the form, click 'Submit'. A page will then appear to confirm your registration.

What happens next?

We will send you your User ID by email and your Password by post within 5 business days.

Now you are ready to begin – it's that easy!

Other online services

Other online services

You can also access a range of online information and services via www.anz.com/wealth/super that will help you effectively manage your superannuation portfolio.

Performance information and unit price

You can track your superannuation investment returns for all investment funds by accessing the ANZ Investment Returns publication and you can also closely track the unit prices daily through www.anz.com/wealth/super by clicking on 'Unit Prices'.

Calculators

You can use the calculators to estimate your superannuation benefits at retirement as well as calculate how long your super benefits will last in an income plan with a certain level of income. These calculators are available through www.anz.com/wealth/super

ANZ L-earn

ANZ L-earn is our unique online financial education package. It is easy to use and provides tips and strategies on budgeting and

saving whilst offering a range of helpful information on key investment topics including superannuation, investing, savings, managed funds and insurance. Simply visit www.anz.com.au/australia/anzatwork/learning/home.asp
