ANZ launches e-Customs Tax solution for corporate customers in Vietnam

ANZ today announced it has officially joined the Vietnam e-Customs Tax system to create simpler and more convenient ways for corporate customers to manage their payments, including tax payments.

ANZ is the first and only foreign bank in Vietnam to offer this advanced e-Customs Tax (e-Tax) solution to its customers. It allows the bank to update a customer's tax payment status online, significantly reducing time and costs as a result of the straight-through connectivity between ANZ and the Customs department.

Aseem Goyal, Head of Transaction Banking, ANZ Vietnam said: "Digital technology is increasingly driving how we operate and how we serve our customers. We know our corporate customers are embracing technology in every aspect of their lives, and they are demanding the same technologies in their work environments. The launch of this solution is another step in responding to that demand."

ANZ is spearheading the delivery of fast and accessible cash management services across both physical and digital spaces. ANZ's two new representative offices in Can Tho (2012) and Binh Duong (2013), which are key hubs for exporters, mean the bank is closer to customers that need supply chain expertise. In the digital space, the July 2013 launch of ANZ Transactive, an online corporate banking platform, has meant ANZ Vietnam clients have access to fast, convenient and secure cash management service through advanced payments, collections and liquidity management services.

ANZ was one of the first foreign banks in Vietnam when it opened in 1993. Today, ANZ Vietnam has nine transaction outlets in the major cities of Hanoi and HCMC, and Representative Offices in Binh Duong and Can Tho. The ANZ Vietnam franchise supports customers from the Retail & Wealth, Consumer Finance, Large and Emerging Corporate segments. In 2014, ANZ was voted Top 2 Best Trade Bank in Vietnam by Trade Finance Magazine. In 2013, ANZ Vietnam was named "Best Retail Bank in Vietnam" by The Asian Banker magazine and was ranked "Best Foreign FX Provider" in Vietnam by *Asiamoney* magazine, the second year running.
