1. Introduction

You must read this booklet along with the **ANZ goMoney Fees and Charges Rate Card** (as amended from time to time). Together they form the Terms and Conditions for your use of ANZ goMoney.

It is important that you read these Terms and Conditions before you use ANZ goMoney. If you do not understand or are unsure about any aspect of these Terms and Conditions do not hesitate to ask **ANZ** to clarify the matter for you.

Where you choose to link any of your other **Account(s)** with **Us** to your ANZ goMoney service, you must also comply with the terms and conditions for those Account(s) (to the extent that those terms and conditions are not inconsistent with or expressly overridden by these Terms and Conditions).

2. Opening an Account

We shall have the sole discretion as to the opening of any Account(s).

Under local **Law**, we must identify and verify the identity of all our account holders. For us to do this you must satisfactorily meet our customer identification process for ANZ goMoney before an account can be opened.

To be eligible for ANZ goMoney you must:

- a) own a mobile phone;
- b) have fulfilled all registration requirements specified by ANZ goMoney from time to time, including completing all necessary agreements and documents relating to or in connection with ANZ goMoney.

3. Initial Access to ANZ goMoney

You can access ANZ goMoney, through your **Handset**, using the temporary **MPIN** issued to you following your ANZ goMoney registration. When you first access ANZ goMoney, you will be required to accept these Terms and Conditions.

Failure to confirm your agreement to these Terms and Conditions will disable your access to ANZ goMoney.

On initial login you will also be required to change your temporary MPIN and select a new personal MPIN comprising of four (4) numeric digits.

4. Default Account

If you are a **New Customer** upon completion of your registration an ANZ goMoney Account (**Mobile Access Account**) will be opened for you and linked to your ANZ goMoney service as your Default Account. Transactions through your ANZ goMoney Mobile Access Account are as specified in these Terms and Conditions.

If you are an **Existing Customer** you will have to nominate one of your existing ANZ Account(s) as your Default Account, unless this is prohibited by Law or ANZ, at its sole discretion, restricts or does not approve the Account(s) available to be linked to ANZ goMoney, in which case we will notify you of such restriction or non approval.

5. Interest

We do not pay interest on account balances in your ANZ goMoney Mobile Access Account.

6. MPIN & MPIN Security

Your MPIN is your unique ANZ goMoney personal identification number. You will use your MPIN to log in to the ANZ goMoney service and to confirm your acceptance of any transaction conducted through your Handset or through an ANZ goMoney Merchant's Handset.

You must;

- a) keep your MPIN secure;
- b) not disclose your MPIN to any person;
- c) not allow any other person to see your MPIN being entered;
- d) commit your MPIN to memory and not record your MPIN anywhere;
- e) not choose a MPIN that is easily identified for example birth date or telephone number; or
- f) not use the same MPIN for any other purpose other than ANZ goMoney.

We encourage you to change your MPIN on a regular basis. To change your MPIN, follow the instructions and options available through ANZ goMoney or contact the call centre on the details set out in section 38 of this document.

If your MPIN has been compromised in any way you must notify us immediately.

7. ANZ goMoney Fees and Charges

When you use ANZ goMoney to make transactions you may incur fees and charges as set out in the Rate Card.

By completing the transaction you agree to pay these fees and charges, and agree that we may debit these fees and charges immediately from your Default Account at the time of completing the transaction.

8. Government Charges and Withholding

We may be required to withhold on payments to certain account holders, and pass such amounts to a local or foreign government agency or revenue authority, by law or under an agreement with such authorities.

If at any time any local or foreign government agency or revenue authority requires us to make a deduction or withholding on any payment due to you, you agree to immediately reimburse us for the amount of any such deduction or withholding, including authorising us to deduct such amounts from your Default Account. You will indemnify us against any loss we suffer or cost we incur as a result of such deduction or withholding.

You also authorise us to debit your Default Account with all government charges, duties, taxes and levies or obligations whatsoever charged or falling due on you in connection with the operation of your ANZ goMoney Account(s).

ANZ goMoney Pay Bill transactions, completed through your Handset, will be processed on the same Business Day you complete the ANZ goMoney transaction if we receive your instructions before the end of the Business Day in the country in which your Account is opened and held with us. If you complete your transaction after that time, or on a non-Business Day, your payment will not be processed until the end of the next available Business Day.

A delay may occur in processing an ANZ goMoney Pay Bill transaction where:

19. Send Money

Send Money allows you to send a payment to another person domestically without the recipient needing to have a bank account otherwise known as the **Send Money Recipient**.

- b) allow any person other than the Send Money Recipient to see, or overhear you providing, the Collection Code; or
- c) record the Collection Code anywhere that is liable to loss, theft or unauthorised disclosure.
