Becoming an ANZ goMoney™ Merchant can help bring more customers to your business.

Thanks to ANZ goMoney™ – registered ANZ customers can securely access their bank account using a mobile phone.

To support this mobile phone banking service, ANZ is establishing a network of ANZ goMoney Merchants across Vanuatu. Your business has the opportunity to become an ANZ goMoney Merchant, receiving benefits such as commissions on ANZ goMoney transactions and increased sales opportunities.

Because ANZ goMoney will be easier, safer and more convenient for customers than carrying cash, we expect it to be very popular with people of all ages in your community. Become an ANZ goMoney Merchant, and you can benefit from that success!

ANZ goMoney™ will help change how and where people spend, save and send money.

Combining the security of a bank account with easy, use-anywhere convenience, ANZ goMoney customers can use their mobile phone to:

- **deposit (cash in) and withdraw (cash out)** cash at ANZ goMoney Merchants
- **purchase goods** from ANZ goMoney Merchants
- **pay bills** and **top-up** their mobile phone credits
- **send and receive money**

- **check their account balances** and recent transactions
- **transfer money** between their accounts.

Becoming an ANZ goMoney™ Merchant means more customers for your business.

ANZ goMoney Merchants are where ANZ goMoney customers will go when they need to cash in or cash out – that can help bring more people to your business, and more sales opportunities for you as a result.

Because ANZ goMoney is mobile phone based, you can operate as an ANZ Merchant from your premises and other locations such as markets and remote villages. That means even more sales opportunities and more ANZ goMoney transaction commissions.

Being an ANZ goMoney Merchant also makes it easier and safer for you to do business. Your customers can use ANZ goMoney to pay you, just as you can use it to pay suppliers, meaning fewer cash transactions. Cash outs by ANZ goMoney customers will also help reduce the cash held on your premises.

We'll prepare you for success by providing comprehensive training and support.

Our advertising and promotional campaigns will create community interest in ANZ goMoney, and encourage people to visit their local ANZ goMoney Merchants to cash in and cash out. As well as helping them find your business, we'll ensure you're fully prepared when they do, by providing you with the following support:

- personalised training at your premises
- easy to understand operational manuals
- official ANZ goMoney Merchant signage to display inside and outside your business
- brochures, posters and other marketing material
- ANZ Sales Agents on the street signing up ANZ goMoney customers
- fast answers to your questions via the ANZ Call Centre
- regular visits from your ANZ goMoney Relationship Manager.
