ANZ Commercial Broker

Dec 2012

As we near closer to the Christmas and New Year holidays, I want to thank you once again for your support in 2012. On behalf of the ANZ Commercial Broker team we hope this break allows you to spend time with loved ones as you prepare to usher in a prosperous 2013.

ANZ Commercial Broker has achieved a strong year by working closely with our introducers and their clients. In speaking with many of you in this year, we have collectively identified the changing needs of the industry while focusing on income diversification opportunities for you.

In 2013, we will continue to seek your feedback on how ANZ Commercial Broker can assist you to achieve your business goals. Our range of products and services are designed for the needs of your clients and the support provided by our broker managers and national sales support team has continued in building ANZ Commercial Broker to what it is today.

However, we understand that there is more ANZ Commercial Broker can do and consistently build on the foundation to remain the number one financial institution with all major Aggregators.

Take care until we meet again in the New Year.

Kind regards,

Cosi De Angelis
