2. OUR PURCHASING PROCESS

Supplier Code of Practice (SCOP)

As part of ANZ's purchasing process, ANZ is committed to engaging suppliers whose environmental, ethical and social performance is of a high standard. In providing services to ANZ you must comply with ANZ's Supplier Code of Practice. Details of the code and ANZ's expectations can be found here: [ANZ Supplier Code of Practice](#). Any questions regarding the SCOP should be directed to: groupprocurement@anz.com

A supplier must be registered in the ANZ Accounts Payable system prior to any procurement transaction. Obtaining a valid purchase order (or PO) from ANZ before delivering goods or services is the best way for ANZ's suppliers to ensure prompt payment.

The lack of an accurate or valid purchase order from ANZ may result in a misunderstanding of requirements and may increase the risk of late payment. ANZ's official POs will be sent to you by email from **ANZ Asia Procurement and Payments Helpdesk** <Asiahelpdesk@in.ibm.com>

Tip: Please ensure you are able to receive emails from this address, or check your spam/junk folder.

If you **haven't received a PO** from ANZ, please check with the **ANZ Asia Procurement and Payments Helpdesk** to see if one is needed before providing goods or services.

An ANZ PO will include:

- PO number. This **must be referenced** on all invoices and delivery notes
- Contract number (if applicable)
- Which ANZ legal entity and ANZ invoice contact is issuing the PO
- ANZ delivery address, where the goods are to be shipped/or services to be undertaken
- ANZ billing address
- Description of goods or services requested, and the agreed purchase price
- Shipping instructions (if applicable) which comply with our purchasing terms and conditions for health, safety and environment requirements
- The link to our purchase order terms and conditions provided below to refer to ANZ standard terms and conditions of purchase

[ANZ Standard Terms and Conditions of Purchase | ANZ](#)

- Any other additional requirements to facilitate payments that have not been stated in the contract.
