

ANZ Commercial Broker

Offline Proposition

The ANZ Commercial Broker - Offline Proposition offers straightforward and convenient equipment finance solutions for you and your customers. With the Offline Proposition you can refer potential customers to ANZ by completing an application form and providing supporting documentation.

The application will be then be submitted on your behalf and you will be informed of the outcome. Once successful and a deal is drawn down, you will then be financially rewarded.

We live in your world

Benefits to you:

- Simple process
- A dedicated referral point to assist you
- An additional income stream for your business
- Tailored service for you and your customers
- Ability to increase your equipment finance knowledge
- Diversify your portfolio with Equipment Finance
- Commission paid upon settlement

Offline Proposition in three easy steps:

- 1** Provide the application form and supporting documents to your referral manager
- 2** ANZ will assess the deal and your referral manager will advise you of the outcome
- 3** If the application is successful, contract documents will be emailed to you and upon settlement commission will be processed
